

COAST STATES REFLECT GAINS OF DEMOCRATS

San Francisco, Nov. 8.—Democratic gains were made in several western states in yesterday's election, both in the congressional and gubernatorial races.

In Arizona and Oregon election of democratic governors in place of the republicans who now occupy the executive chairs was conceded. In Montana, New Mexico, Oregon and Utah, though the figures from three of the states which are sparsely settled were far from complete, democrats were in the lead for congressional places now held by republicans.

Hawaii, for the first time, gave leads to democratic candidates for delegate in congress. Returns from the whole west, due partly to this sparse settlement and partly to the remoteness and isolated condition of many precincts as well as to the number of issues on the ballots, were slow.

The Ku Klux Klan figured in the conceded defeat of Ben W. Olcott, incumbent, republican, for the Oregon governorship and in the apparent defeat of Thomas Lee Woolwine, democratic candidate for the California governorship. Both had denounced the Klan in warm terms. It also figured in the apparent success of a compulsory school law in Oregon.

California split on the prohibition issue, the same electorate which voted against Woolwine, avowed supporters of light wines and beer, give a substantial lead against a state wide prohibition enforcement.

KLANSMAN ELECTED TEXAS SENATOR

Dallas, Texas, Nov. 8.—Earle B. Mayfield, democrat, overwhelmingly defeated George E. B. Peddy, republican and independent democrat for United States senator in the general election yesterday. Mayfield's vote today was 167,139 against 70,039 for Peddy. These figures were reported by 211 counties out of 251 and it was estimated accounted for at least half, if not more, of the total vote cast.

Governor Neff was reelected, his majority over E. M. Atwell, republican from the 211 counties being 132,510. Governor Neff's vote was 162,209 and Mr. Atwell's 29,690.

Austin, Texas, Nov. 8.—Earle B. Mayfield will be one of the youngest members of the United States senate. He was born April 12, 1881, at Overton, Texas.

Mr. Mayfield recently testified at the Corsicana injunction hearing that he had joined the Ku Klux Klan but that he had resigned later. It has been commonly understood throughout the state that the Ku Klux Klan supported him throughout the two democratic primaries and in the general election. He is a lawyer and railroad commissioner.

IRISH REPUBLICANS ATTACK BARRACKS

Dublin, Nov. 8.—An attack with machine guns and rifles from nearby house tops was made by Irish republican forces against the Wellington military barracks this afternoon. Three national army soldiers were killed and twenty others wounded in the fighting which lasted two hours. The casualties suffered by the republicans was not learned.

KING ALPHONSO BUILDS PALACE AT BARCELONA

Barcelona, Nov. 8.—The new palace under construction here for the king is expected to be sufficiently advanced this fall to permit of its official inauguration by his majesty in the presence of the queen and the other members of the royal family, and the representatives of all foreign nations accredited to the Spanish court.

With the exception of the palace in Madrid—which is regarded as one of the largest and finest in Europe—the royal residence presented by Catalonia to the reigning family will be the most sumptuous in Spain. It contains four floors—the ground floor for the installation of the kitchens and stores; the first floor for the offices, reception and guard rooms, chapel, ordinary dining room, antechambers, and throne room; the principal floor for the royal living and sleeping rooms; and the top floor for the domestics and other attendants.

Enormous interest is being taken in the building of the palace by every class of folk in Catalonia. Notable Catalan artists have undertaken to decorate the various apartments, furnishings to provide the necessary furniture, rugweavers to supply the carpet, crystal workers to install the hanging lamps, librarians to fill the library, musicians to give music. These voluntary gifts are estimated to be worth over a million pesetas.

WAGE REDUCTIONS FOUGHT IN AUSTRALIA

Sydney, N. S. W., Nov. 8.—The "go slow" policy of the New South Wales Labor council, as a weapon to counteract wage reductions and the lengthening of hours of work, has been adopted by a congress of trade union delegates representing 62 organizations.

It was decided to elect a state council from the congress to work with the Australia council of action and to draft definite proposals as a "policy of action" for the Australian trade union movement. "The council of action shall deliver its attack against the employers by the strongest section, union or industry," one adopted motion said. "The employers shall be attacked at their weaker point."

Boston, Nov. 8.—Senator Henry Cabot Lodge, was re-elected over William A. Gaston, democrat, yesterday by a plurality of 1,945. The vote of the state complete was: Gaston 414,730; Lodge 416,675. A recount of the vote for senator undoubtedly will be asked by Colonel Gaston, his associates said.

ALL THAT IS LEFT OF MURDER TREE

This blighted stump is all that morbid curiosity hunters have left of the beautiful crab-apple tree under which Rev. Edward Wheeler Hall, of New Brunswick, N. J., and his "Wonder Heart" choir leader, Mrs. Eleanor Mills kept their trust and under which they were shot to death on the deserted Phillips farm.

GERMANY REGAINS ONLY THIRD OF FOREIGN TRADE

Berlin, Nov. 8.—"Made in Germany" has regained only about a third of the popularity it enjoyed in foreign markets before the war, according to trade estimates on the amount of exports during the first quarter of this year.

The first three months of 1922 recorded outgoing products amounting to approximately 59,200,000 double centners (about 6,525,016 tons) and valued as some 50,300,000,000 marks. These figures do not include coal delivered on the reparations account. It is noted that if coal were left entirely out of consideration both for 1913 and 1922, the amount of Germany's exports for the first quarter would be 46 percent instead of 32 percent as much as was shipped out during the same period in the last pre-war year.

HOW TWO WOMEN ESCAPED OPERATIONS

Doctor Advised Use of Lydia E. Pinkham's Vegetable Compound

Happy Results in Both Cases

St. Joseph, Missouri.—"Both of my sides swelled and hurt me so that I could not move or do any of my work. There was heavy pressure and pains through my lower organs and the doctor told me to try Lydia E. Pinkham's Vegetable Compound for these troubles. He said I had this one chance, and if the Vegetable Compound did not help me nothing but an operation would. After taking several bottles I felt it was helping me and now I am able to do my own work. If my testimonial will help others I shall be glad for them to read it and hope your Vegetable Compound will do them as much good as it did me."—Mrs. Wm. Lockman, 513 N. 4th St., St. Joseph, Mo.

White Plains, N. Y.—"I had such a pain that I could hardly walk and the doctor said that I needed an operation. I was sick for a year before I started taking your medicine and I could not work. I saw your advertisement in a little book and that is how I came to take Lydia E. Pinkham's medicine. I have been taking the Vegetable Compound and Lydia E. Pinkham's Blood Medicine, also.

When disturbing ailments first appear, take Lydia E. Pinkham's Vegetable Compound to relieve the present distress and prevent more serious troubles. Many letters have been received from women who have been restored to health by Lydia E. Pinkham's Vegetable Compound after operations have been advised by attending physicians.

Some female troubles may through neglect reach a stage when an operation is necessary. But most of the common ailments are not the surgical ones; they are not caused by serious displacements, tumors, or growths, although the symptoms may appear the same.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.
