

OREGON TAKING 22 WARRIORS TO SEATTLE TODAY

University of Oregon, Eugene, Nov. 28.—In the best condition of the year and primed in every way to put up the battle of their lives, 22 men comprising the University of Oregon varsity football team accompanied by a staff of coaches, trainers and managers left here this afternoon bound for Seattle where they will meet the Washington eleven on Thanksgiving day.

Coach Huntington put the squad through a hard week of scrimmage and signal practice last week, giving the varsity its final touches developing a string of dependable substitutes and allowing injured members to return to the eligible list. While the eleven will miss the services of Rud Brown at end, severely, Coach Huntington declared shortly before leaving, that the Oregon team is in the best condition it has been this season.

Oregon has gone through an undefeated season of five conference games, and in the last two, against the powerful O. A. C. and Washington State eleven, showed development of unusual strength. With the exception of two ends and a tackle position the team which lines up against the northerners will be composed of men of at least one year experience. They are slightly lighter than the Huskies but will be arrayed in the Oregon formations which have proved so efficient in the past five years, during which time Oregon has defeated the Washingtonians three times.

Particular significance is attached to the game in that the winner will be undisputed champion of the northwest conference and will be in a position to be selected as the team to represent the west against Penn State in the annual intersectional contest at Pasadena New Year's day.

JESS WILLARD TO BOX IN NORTHWEST, REPORT

Portland, Or., Nov. 28.—Jess Willard, ex-heavyweight champion of the world, will be seen in the northwest in a series of exhibition matches which Bobby Evans, former matchmaker for the Portland boxing commission, is arranging for the big boxer.

Evans returned to Portland from Los Angeles yesterday.

Chicago—Jack Dempsey announced he had accepted the offer of Al. H. Woods, theatrical producer for three bouts, one with a wrestler. The terms for the matches were understood to approximate one million dollars.

THREE GAMES ON TONIGHT'S SLATE

Tonight will find the following teams pitted against each other in the third installment of the Commercial Basketball league being played under the auspices of the Y. M. C. A. and in the "Y" gymnasium: Better Yet vs. Central Pharmacy, Hauser Bros. vs. Bonesteel Motor Co., and U. S. National Bank vs. Anderson & Brown.

The first game of the evening is expected to be the hardest fought and fastest game of the evening. The druggists are leading the league with two wins and no defeats with the bread makers in the 500 class, having won one and lost one. The first game was lost, however, by a narrow margin of one point. On the second night the team played real teamwork and held the Bonesteel Motor company 5 to 4 points, all secured by free throws. The druggist team is composed of high school players of last year and are very fast, probably one of the fastest in the league.

The Hauser Bros. team is doped to win from the mechanics easily. The automobile boys have lost both their starts. The fracas between the bank team and the Anderson & Brown five is a toss up.

BURCH TRIAL WILL GO TO JURY BEFORE NIGHT

Los Angeles, Cal., Nov. 28.—The fate of Arthur C. Burch of Evanston, Ill., just tried for the third time for the murder of J. Belton Kennedy, was expected to be placed in the hands of the jury some time today.

Capitalist Dead.
Boston, Nov. 28.—Funeral services will be held tomorrow for Phillip H. Gray of Detroit, capitalist and philanthropist, who died at a hospital here on Saturday. He was a son of the late John H. Gray, one of the original stockholders of the Ford Motor company.

WOMAN ADMITS SENDING POISON IN BOX OF CANDY

Chilton, Wis., Nov. 28.—Miss Anna Lenz, 30-year-old daughter of a wealthy farmer, faced arraignment today on a charge of murder after her alleged confession yesterday that she sent poisoned candy which resulted in the death of Mrs. Frank Schneider.

According to District Attorney Arps, Miss Lenz admitted buying poison and inserting it in a chocolate bar, intending to send it to Mrs. Henry Schneider, sister-in-law of the dead woman.

According to the district attorney, Miss Lenz said the reason for sending the poison was that Mrs. Henry Schneider had spread reports which she regarded as having damaged her reputation. She said that this had preyed on her mind.

Mrs. Schneider died last Tuesday. She was the mother of eight children.

A druggist told the district attorney that Miss Lenz had bought poison and a grocer said he sold her a chocolate bar. A mail carrier recalled having received a box from her home to mail on the date of the poisoning.

TROJANS TO BE MINUS QUARTERBACK DOLLEY

Los Angeles, Cal., Nov. 28.—The injured knee of Chet Dolley, quarterback of the University of California football team, has begun to pain him again since practice has been resumed and it is doubtful if he will start against the Washington State eleven at Pasadena Thanksgiving day, according to Coach Henderson.

Harold Galloway will probably start at quarterback. Galloway was one of the stars in the game against Idaho and his defensive work is said to be superior to Dolley's.

KLAN PLEA FOR DELAY GRANTED

Medford, Or., Nov. 28.—A continuation to the February term of the circuit court, in the Jackson county night riding case has been granted by Judge F. M. Calkins. Acting under instructions from the attorney general's office, the granting of the motion was unopposed. This is the second continuation of the case, originally set for hearing at the October term of court. The motion was based upon allegations of prejudice and that the indictments were "political indictments."

The illness of the wife of one of the defendants who is a material witness, was also a ground for postponement.

Tiernan and Wife Agree To Reunion

South Bend, Ind., Nov. 28.—Dismissal of divorce actions now pending were submitted here by John P. Tiernan, former law professor of the University of Notre Dame, following his return to his wife, Mrs. Augusta Tiernan, at their home here on Sunday. With the suits dismissed it was said the couple, with three children, including the infant son whose paternity had been charged to Harry Poulin, South Bend haberdasher, by Mrs. Tiernan, would go to New York state and begin life anew.
