

KLUXERS INVADE BAPTIST CHURCH AFTER MEMBERS

New York, Nov. 25.—Ku Klux Klan organizing, renewed recently, has been carried into Calvary Baptist church at No. 123 West 57th street, of which the Rev. John Roach Straton is minister. This has been established, and as a result of leaflets handed out in the church, two reporters sat through a Klan recruiting meeting presided over by a Klansman in full regalia. It was held in an undertaking shop.

Klan activities in the church have been ascribed by those who have come in contact with them to the inspiration of the Rev. Oscar Haywood, general evangelist of the church. He has been for the last month on a fresh-air farm he established in Mount Gilead, N. C. The World sent an inquiry to him there, and in response received from him the following telegram:

"Didn't Know," Says Straton. "It is true I am interested and actively engaged in the work of propagating the Ku Klux Klan in New York city. In it I am just as zealous as I was in the work of 'endowing' the Calvary Baptist church four years ago. The Ku Klux Klan will be the loyal ally of every Protestant church, every patriotic society, every home in New York city. In those sections where the Protestant churches have died it will spring up and live. It is the most dauntless organization known to men."

Before the service Sunday morning Dr. Straton was asked if he knew recruiting had been going on inside his church.

"I know of no such thing," he said. "If any such propaganda has been going on it has been without my knowledge or consent. I am unalterably opposed to the Ku Klux Klan."

Pastor Denounces Klan

Dr. Straton was then told of the telegram to the World from the Rev. Dr. Haywood, his chief evangelist. He read it carefully and then remarked: "He cannot come in here and do anything of that sort. There is nothing in that movement which has had my sympathy or can enlist my support. There is no place in America for the man in the mask. He cannot be anything except a menace. Abuses and excesses would be certain to follow his success. He would only split up our people into bigoted, irresponsible cliques, disrupt national spirit and threaten American freedom and independence."

COMMISSIONERS COURT

The following is the official publication of the record of claims before the Marion county commissioners court for the Nov. term 1922 with the amount allowed, bills continued, etc., according to the records in the office of the county clerk.

ROADS AND HIGHWAYS
