OUTLOOK FOR XMAS TRADE HERE BRIGHT

Merchants Predict Good Volume, Although Less Will Be Spent; Money To Be Used Carefully.

Local Interest Centers On Willamette Clash And Oregon-Washington Battle at Seattle.

Of the several games being played on the Pacific coast this afternoon, the one of chief interest to Salem followers—possibly due, in some instances, to geographical reasons—is the clash between Willamette university and the College of Puget Sound on Sweetland field.

Constancy Of God's Gifts Of't Forgotten Asserts Dr. Powell

Taking for his subject, "The Divine Visitation," Dr. C. E. Powell, who delivered the union Thanksgiving services this morning, at the First Christian church, declared that it is God who supplies our daily wants, no less truly than through his Son, He supplied the wants of the hungry multitude in the wilderness in the days of His flesh.

LEADS SERVICE

Referring to the many blessings that had been bestowed upon the people of this country, Dr. Powell said: "Let us beware that the very constancy of God's gifts does not lead us to forgetfulness. It is only by an effort of the will that we pause to realize that every hour has its blessings, and that pledges of the divine visitation are all about us."

Fruit Canning Industry, More Valuable Than Salmon, Needs Protection At Source.

The great salmon pack of the Columbia river, recognized as one of the leading industries of the northwest, did not equal in value this year the pack of the five fruit canneries in Salem. The canning industry of Salem alone has assumed such tremendous proportions that the value this year of the Salem pack as shipped by the Salem canneries, has placed more money in circulation than the famous salmon pack of the Columbia river.

Salem Eleven Scores 158 Points, Opponents 9, Work Is Excellent

Salem high school's football season has been a banner one. Scanned from any angle the local preppers' machine will stand the close inspection of the skilled grid mechanic. If there has been an occasional rattle in it, the faulty part has been overhauled by Coach "Scrub" Huntington and today the eleven appears to be one of the strongest in the state.

Arrested in Portland last night, Jack Sherman, formerly of Salem, was today held in the Marion county jail on a charge of larceny. He is accused of stealing an automobile tire.
