A group of about twenty five young people surprised Kathryn Rowe on her eleventh birthday and spent the evening with her celebrating the event. Tonight the Woman's club chorus will give their concert in the benefit of the Old People's home with Stewart Wendell Tully baritone soloist. The concert is of twofold interest since it is the first time the women have appeared in concert this fall and because it means that the proceeds will be spent in furnishings for the Old People's home. The chorus is composed of thirty one voices and the program as announced Saturday is one of varied interest. The concert will begin at eight o'clock.

## Blackheaded Pimples Quit With S. S. S.

Why? Pimple-Poison Goes When Red-Blood-Cells Increase! S. S. S. Builds These Red-Blood-Cells.

You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as there are enough rich red blood-cells in it. More red-

blood-cells! That is what you need when you see pimples staring at you in the mirror. Blackheaded pimples are worse! Eczema is worse yet! You can try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous results produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear, pure rich blood. They mean clear, rosy, lovable complexions. They mean nerve power, because all your nerves are fed by your blood. They mean freedom forever from pimples, from the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism impurities, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1829, as one of the greatest blood-builders, blood-cleansers and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

### Satan's Empire Falling

"Millions Now Living Will Never Die.—Judge Butherford.

UNION HALL  
Court Street, over American Express Co.'s office.  
Dec. 6, at 8 p. m.

Satan's wicked influence has long been felt in every part of the world. Together with his associate devils he incites people to hatred, strife, murder, and induces war and anarchy, wrecking homes and driving millions to insanity and suicide. Satan caused the fall of man, and established his Empire. His wicked influence has over-reached the denominational churches, causing many clergymen to forsake God and unite with profane and politicians to control mankind. But the end is here and his empire is falling, and Christ the rightful king though invisible, is beginning to reign. Hence the distress of nations of which Jesus spoke. These troubles will soon reach a climax and disappear, followed quickly by peace and prosperity as Jesus assumed control.

If you are interested in Bible study and the fulfillment of prophecy you should hear this lecture by B. H. BOYD, of Brooklyn, N. Y., who is now touring the Western Coast. He is a forceful speaker.
