

SALEM HI FIVE HAS EYES UPON CHAMPIONSHIP

The outlook for a Salem high school basketball team which will win the championship of the district and get into the state tournament is very bright, according to Coach Hollis Huntington. A number of high school players have been practicing tossing baskets and dribbling in the high school gymnasium regularly for the past three weeks, he said.

The official call for practice will be made for next Monday evening and at that time the football players who play the indoor game will don the abbreviated attire for the first time this year. None of the players were injured in the past football season and all are in good condition.

Guards Are Veterans.
For the guard positions there will be Lillgren, captain, and Patterson, both lettermen of last year besides a number of players of lesser note. Both of these men, especially Lillgren, are fast on the floor and are accustomed to slip down the floor occasionally and toss in a basket at the most unexpected moment.

At the center position Huntington is going to be forced to groom a new man for the place. The most likely prospects are Okerberg and Adolph. Both had some experience last year and with practice and coaching such as they will receive under their mentor, will be very useful in the teamwork of the five. Okerberg played part of a game here last year and from lack of practice was somewhat awkward. Adolph also played in one of the games and displayed a working knowledge of football tackling.

Many Forwards Out.
At the forward positions Brown, Reinhart and Fallon, the latter formerly of the Falls City high school, are expected to be the choice. There is, however, enough material to cause any of the players to do their best to make the team. A fine spirit is being shown between the teams and the coach and some excellent results can be looked for.

Coach Huntington stated that he was in hopes that short trips to out of the district high schools could be arranged before the height of the season was reached. No games have been definitely scheduled as yet.

Lausanne.—Late returns showed the proposed law providing for a levy on capital in Switzerland was defeated by a vote of 7 to 1.

Decree of Judge George Tazwell modified and appellants declared to be entitled to proportionate share of property of Henry D. Southern Oregon Orchards company, appellant, vs. Alfred A. Bakke, appeal from Douglas county; action on promissory note. Opinion by Justice McBride. Judge J. W. Hamilton affirmed.

Twohy Brothers company, appellant, vs. Ochoco Irrigation district; appeal from Multnomah county; suit for accounting. Opinion by Justice Brown; Judge Robert Tucker affirmed.

Motion to recall and correct mandate denied in Strong vs. Moore.

The following attorneys were admitted to the Oregon bar on probation: Bernard Hicks, Klamath Falls, on certificate from Missouri; R. B. Parsons, Bend, on certificate from New Mexico.

BABE THAT SWALLOWED PIN DOING WELL TODAY

Little Terrence Burns, nine months old son of Mr. and Mrs. T. E. Burns of Salem, who yesterday underwent a local hospital an operation for the removal of an unclasped safety pin swallowed Monday morning, today was improving rapidly, attendants stated.

The pin was swallowed while the baby was playing in his crib. No ill effects were noted in the infant's condition but surgeons found it would be necessary to operate. The pin was removed through an incision in the stomach.

Couch Huntington stated that he was in hopes that short trips to out of the district high schools could be arranged before the height of the season was reached. No games have been definitely scheduled as yet.

PLAY PROMISES TO BE TOP-LINE EVENT OF SEASON

What gives every indication of being one of the most interesting and important theatrical events of the season, will be the presentation by William A. Brady, in association with the Reandean company of London at the Grand theater tonight of John Galsworthy's play "The Skin Game."

Originally produced in London where it was hailed as Galsworthy's most brilliant contribution to the theater and where it enjoyed a year's run, "The Skin Game" duplicated in New York the success it achieved in London. The American production was made under the direction of Basil Jean who staged the original at St. Martin's theater, London. For the American tour this year, Mr. Dean has assembled an international cast of splendid artists, approved by Galsworthy himself.

Taking as his theme the class conflict that is daily being waged all over the world—the conflict that ensues when the new order endeavors to rub elbows with and eventually turn out the old, Mr. Galsworthy has laid his stirring story in a remote country district in England. There one is introduced to the Hillerists who stand for the old order—the aristocracy of that community, and there one meets also the Hornblowers, the self-made aggressive newcomer whose motto is progress at any cost. It is with the feud between these families that "The Skin Game" deals, and Mr. Galsworthy, in its exposition, is declared to be at his best as a dramatist.

Salem is the only city outside of Portland that this company will play in the state of Oregon.

The Ladies Aid society of the Shaw Methodist church met at the

"The Storm" will come to the Grand again Saturday and Sun-

day. This is one of the best films that has appeared in Salem, and was brought back at the request of hundreds of followers of photo-plays. There are many big scenes in the production and not only can it be enjoyed the second time by those who saw it at its initial showing but it is one picture that everyone should see. The star is House Peters and he is supported by Virginia Vall and Matt Moore.

Oregon.
With a famous play by Clyde Fitch as a foundation, and featuring Mary Miles Minter and Tom Moore, "The Cowboy and the Lady" has been screened by Paramount. Supporting the featured players is a cast of popular players, prominent among whom are Robert Schable, Viora Daniel and Patricia Palmer. Charles Maigne was the director. At the Oregon Friday and Saturday matinee.

Liberty.
Bruce Gordon, Ruth Roland's hero in "The Timber Queen," her new Patheserial, was born in Johannesburg, South Africa, and is the son of a British army officer. He practiced medicine before becoming an actor. His first engagement in the United States was co-starring with May McAvoy.

home of Mrs. Frank Gooding Thursday with a large attendance. After discussing plans to give some kind of an entertainment for the benefit of the church the ladies enjoyed making a quilt which will be sold to one of the patrons of the church who live in Hawaii. Later a lunch was served. In the absence of Mrs. Emma Chamberlain, president of the society, Mrs. C. L. McAllister, vice president, presided. The next meeting will be held at the home of Mrs. Thomas Young.

Vernon McAllister for several years located at Shaw where he has been engaged in prune growing has removed, with his family to Polk county a short distance from Salem. Mr. McAllister will take up diversified farming in his new location. A birthday party which was held Saturday at the home of Mrs. Emma Chamberlain in honor of one of her little daughters was pleasantly

enjoyed by many of the little friends and playmates.

A. E. Zimmerman who has purchased the Park's ranch has taken possession and moved there with his family. Many who have dairy cows are finding it necessary to buy hay from outside and a carload which was received last week by Mrs. Frank Gooding was easily disposed of. The hay came from Yakima, Wash. Mr. Tompkins, former rural mail carrier at this point who has been on an extended visit with relatives in other parts of the state has returned to Shaw.

"Sulpho" compounds

Buy motor oil that is free from destructive "sulpho" compounds. Such oil has stability. It does not break down nor thin out rapidly under engine heat.

Cyclol is the only motor oil made by the new Hexeon process. This process is used only by us. It completely removes destructive "sulpho" compounds.

Thus Cyclol retains its "body" under engine heat. It maintains the essential lubricating film between moving parts. It sustains an "oil tight" piston seal.
