

TURKS, GREEKS DENY BLAME FOR SMYRNA TRAGEDY

Lausanne, Dec. 12.—(By Associated Press.)—The debate between Turkey and Greece over the question of which nation is responsible for the tragedy of Smyrna continues the dominant factor at the Near East conference. Ismet Pasha says he is quite willing that the treaty which the delegates hope to frame shall provide a system of payment to the allied nations for the damages their nations suffered in Turkey during the great war, but that on the other hand he will insist upon reimbursement by Greece for the losses sustained by the Turk in Asia Minor at the hands of the retreating Greek army.

Former Premier Venizelos insists that the Greeks burned only through military necessity. He declares that the real crime of the Asia Minor campaign was the action of the Turkish troops in outraging and shooting Greek residents, sacking homes and deporting hundreds of thousands of destitute human beings.

If Turkey exacts reparations from Greece, M. Venizelos says he will present a bill for the horrors and injustices suffered by the Greeks.

Merciless Neuritis

Imps of Hades armed with red hot pitchforks could scarcely inflict more cruel, agonizing torture than that endured by many sufferers from neuritis.

The sharp stabbing pains caused by this disease are usually centered about the shoulder, neck, forearm, small of the back or along the thigh and leg in the region of the sciatic nerve.

Sometimes they move from one part to another, sending out lightning jabs which produce untold misery.

If you want prompt relief, apply Tysmol over the part that hurts, and the pain should disappear.

Tysmol is absorbed through the pores of the skin and has a soothing, healing effect upon the inflamed, diseased nerves. Contains no "dope." Guaranteed harmless. Price \$1 at Dan'l J. Fry's, Tysmol Company, Mfg. Chemists, 400 Sutter St., San Francisco. (adv)
