

POINCARÉ GETS FULL APPROVAL OF MINISTERS

Paris, Dec. 14.—(By Associated Press.)—The French cabinet this morning approved the attitude taken on the reparations question by Premier Poincaré at the recent London conference of premiers, after hearing M. Poincaré's report. It also expressed agreement with him regarding the declarations to be made in the chamber of deputies Friday, when it is expected the government will be called upon to reply to an interpellation.

Premier Poincaré, it is forecast, will ask the chamber for a free hand in reparations negotiations with the allies and for like freedom regarding the seizure of such pledges as are permitted under the treaty of Versailles if a settlement is not reached by negotiation before the next installment of Germany's debt is due on January 15.

The premier told the cabinet that he had brought back from London the assurance that the differences between France and Great Britain in the execution of the treaty of Versailles would henceforth be discussed in an amicable spirit, unaccompanied by press campaigns against either country, and that a final disagreement would not menace the existence of the entente.

7 LETTER MEN ON OREGON'S SQUAD

University of Oregon, Eugene, Dec. 14.—(Special.)—With King Football laid to rest by the selection of University of Southern California to represent the west at Pasadena on New Year's day and the refusal of the coast conference to allow Oregon to meet West Virginia at San Diego on Christmas day, Oregon athletes are now devoting all attention to varsity basketball practice which got underway this week.

George Bohler, now starting his third year as basketball coach, has seven lettermen numbered among the huge squad of varsity candidates. While he is not promising a championship five, he declared that the Oregon team this season will be much stronger than it was last year.

Lettermen back this season are Latham, Altstock, Edlunds, Goar, Burnett, Couch, Zimmerman and Haddon Rockney, a letterman of last year, will join the squad with the opening of the winter term. Bill Spear, giant end of the varsity football team, and Hall Chapman, quarterback, are among the likely looking aspirants for the five. But three men, Marc Latham, Heller and Andre, of last year's varsity squad are missing this season.

Bohler has a barnstorming trip planned for the Christmas holidays at which time he will take a tentative varsity squad on a tour of the Willamette valley and northwestern and northeastern parts of the state.

TIGER DEPARTS; KISSES HOSTESS

New York, Dec. 14.—(By Associated Press.)—His mission ended, Georges Clemenceau, war time premier, called for home on the S. S. Paris yesterday, declaring he would return again "but only as a ghost."

Just before the Paris cast off, the Tiger kissed Mrs. Charles Dana Gibson on both cheeks, laughingly enjoining her not to "dare to tell her husband." Mr. and Mrs. Gibson were Clemenceau's hosts during his stay here last month.

Others at the pier to see him off included Jules J. Jusserand, the French ambassador to America, and Mrs. Jusserand; Gaston Liebert, the French consul here; Col. E. M. House, who arranged the Tiger's American shipping tour, and Bernard M. Baruch.
