

MT. ANGEL FIVE ROBS COLUMBIA OF STATE TITLE

Staging a comeback in the second half such as is seldom seen, the Mt. Angel college basketball five last night on the Salem high school floor successfully defended its state non-conference championship title by defeating the fast Columbia university team of Portland by a margin of one point, the final score being 23-22.

A large delegation of boosters from each school as well as a goodly number of Salem people were present at the game.

From the beginning of the game, the Columbia university team, featured by the work of Quirk, forward, took the lead, keeping the margin of three points or more established until the last few minutes of the first half when a spurt put the score at 16-7 at the end of the half.

The second half found the Mt. Angel team fighting desperately to overcome the lead. Three baskets in quick succession with Arrighi and Scott each hooping long throws, while the Portlanders made but one foul throw, reduced the lead to four points. The Columbia team through clever floor-work increased the lead to six points, only to have it cut again to four by a pretty basket by Mann, Mt. Angel forward.

From this point on, enthusiasm of supporters of both teams was at a high pitch. Although the Mt. Angel team crept steadily closer to the Columbia lead, the Portland team manager through the excellent shooting of Quirk with an occasional basket by Sweeney, center, to keep in the lead. At one time the Mt. Angel team had

the lead reduced to one point, the score being 23-22. Here two baskets by the Portland team, giving them a five-point lead, nearly took the pep out of the Mt. Angel players. With but several minutes to play Mann registered a basket from a difficult angle followed closely by another, placing the score at 27-26, favor Columbia. Hardin, substitute guard for Mt. Angel, standing near the basket without a guard near received the ball and made a basket, winner of the game. Although both sides had several chances on foul throws during the last minute of play, none were made.

The Mt. Angel team showed a glaring weakness in shooting fouls making but four out of 17 chances. The Columbia players made five out of 19 chances.

In a preliminary game, the Mt. Angel second team won from the Columbia boys by a score of 33-20.

The lineup for the main game follows:

Mt. Angel. Columbia.
Arrighi (11).....F.....(2) Vaughn
Mann (8).....F.....(12) Quirk
Scott (6).....G.....(9) Sweeney
Gray (1).....G.....(1) Logan
Spear.....G.....(2) Murphy
Hudson (2).....G.....(2) Murphy
Referee—Ray Brooks.

SCORES PAY LAST HONORS TO HOFF

Portland, Or., March 21.—Funeral services for O. P. Hoff, late treasurer, were held yesterday from Finley's chapel, with a large gathering of state, city and county officials in attendance.

The services at the chapel and at the grave at Mt. Scott cemetery were conducted by the Masonic lodges of which the dead man was a member. State departments were closed from 10 a. m. until 1 p. m. out of respect to the memory

W. C. T. U. TO ABANDON FIGHT ON CIGARETTE

Portland, Mar. 21.—The state committee of the W. C. T. U. at a meeting held Wednesday, almost unanimously voted to abandon the plan for framing an initiatory measure providing for prohibition of manufacture and sale of cigarettes in Oregon. It was declared, however, to be the sense of the U. would give its support to any anti-cigarette bill which may be proposed by any other organization.

The reason for dropping the proposal to bring the cigarette question before the people was stated to be that the time of the W. C. T. U. would be taken up in the immediate future with many other important measures needing the undivided attention of the organization.

REAL THRILLER BILLED AT GRAND

While it is not very unusual to find a popular screen star who has had experience on the legitimate stage, it is nevertheless a rare occurrence to find an entire cast whose Theatopian talents were first awakened by the footlights.

"North of Hudson Bay," which with Tom Mix playing the stellar role, will open Friday night at the Oregon theater, is one of these rarities.

The William Fox special has a story whose absolute originality prevents an interpretation by the usual make shift methods of casting roles. Director John Ford assembled what he thought would be the finest and most appropriate types for this picture.

Tom Mix, of course, essays the leading character, Michael Dane, his screen name, is just what Mr. Mix would have been had he remained, skilled on horse, adept with the shootin' iron, and brave to the core. Mr. Mix has appeared on the legitimate stage at various periods of his life, doing various things. He has been honored as the most daring and highly skilled trick horse back rider in America. He has enacted the role of cowpuncher in real life.

EDDY AGAIN CANDIDATE

Roseburg, Mar. 21.—Senator B. L. Eddy, who is now serving his eighth year as senator from Douglas county to the state legislature, Thursday announced that he would be a candidate to succeed himself. Senator Eddy also served two years in the lower house as joint representative from Tillamook and Yamhill counties and four years as register of the Roseburg land office under President Roosevelt.

Portland, Or.—Miss Mary King, a native of Ireland, was denied citizenship Thursday by Federal Judge Wolverton when she declared she was a Quakeress by religion and told the judge she would not take up arms to defend her country if she were a man. Miss King is secretary of the Portland Y. W. C. A.

WOMEN A BUNDLE OF NERVES

"Everything irritates me,—I am a bundle of nerves, I ache all over and cannot sleep and am so despondent." This extract from a letter written from one woman to another describes the condition of many women who suffer from feminine ailments. Nothing will relieve this distressing condition so surely as Lydia E. Pinkham's Vegetable Compound, made from roots and herbs. For fifty years it has been restoring sick and ailing women of America to health and strength.—Adv.

High-Grown

In coffee, "high-grown" means high quality and fine flavor. Only coffee grown at an elevation of 3000 feet or higher is top quality. High-grown coffee beans are rich in caffeine—the aromatic essential oil that gives good coffee its fine flavor. In Golden West, nothing but high-grown coffee beans are used. These are blended and roasted "just right", then steel cut (not crushed) and vacuum packed in the handy key-opening Golden West can.

To be sure of getting "high-grown" and finest flavor always ask for—

Tones up Spring diet

With Springtime comes a marked desire for "green stuff" on the daily menu. This is Nature's provision for Man's need of vitamins. Perhaps that is why we like ham and bacon all the year round—because they also contain vitamins in easily digested form.

Frye's "Delicious" Brand Hams and Bacon are made from selected young grain-fed porkers. The Frye way of curing gives them a mild, rich flavor and retains all the fine, sweet juices. Frye's Meat Guide and recipe book tells many ways of using these Delicious products with Spring green stuffs.

Send 2 cents for postage to Frye & Company, Seattle, and Frye's Meat Guide will be mailed to your address.

It is worth dollars to any household.

This well known Frye label is a safe guide to uniform quality.
