## SILVERTON POST OF LEGION LAYS PLANS OF ACTION

Silverton, Ore., May 21.—The Delbert Reeves Post of the American Legion met at the Knights of Pythias hall Monday night for its regular semi-monthly meeting. Due to many other meetings in town Monday night only 35 Legionnaires were present.

John Eider, chairman of the general committee for the Memorial day services, reported that arrangements were being completed and that the program would be ready for the public within a few days.

The Legion post voted to give ten dollars of the treasury to the fund which the Silverton business men are raising so that they can put on a free chautauqua the latter part of June. It is understood that the chautauqua will last about a week and will be free to the public as the Silverton Chamber of Commerce is meeting all expenses.

The post decided that it would not foster a Fourth of July celebration this year as it had been doing for the past few years. The chautauqua will be held the last part of June and it is thought that the two would be too much of an undertaking for Silverton.

Clifford Rue, manager of the Legion play, announced that the "Black Pentecost" given at the Palace Theatre May 14, was a financial success and that it would be put on at Silverton May 22. It will be shown at Silverton again at the Palace Theatre May 27th.

## HOPMERE COLTS ARE DEFEATED

HopmERE, Ore., May 21.—The HopmERE Colts were not quite as frisky enough Sunday in their game with the Falls City team with the result that the latter won 10-6. The game was very loosely played.

Laudenbach started on the mound for the colts and pitched excellent ball for four innings but was hit freely in the fifth. After two runs had been scored by the Falls City team and the bases filled, Manager C. C. Russell sent in Blumensberg, who cut short the bombardment. He was located, however, in the seventh inning and given a merry reception by the opposing batters. In addition, the support was poor and by the time the dust had cleared a total of 19 runs had been tallied.

The Colts were greatly handicapped in the absence of the two Girod boys. L. Girod, shortstop, injured his leg in the Salem high school-Eugene high school game last Saturday and will be out of the lineup for the remainder of the season.

The HopmERE Colts will be open for a game Sunday, May 25, as a previously scheduled game was cancelled. Any team desiring a game can get in touch with Manager Russell by calling 59722.
