CORVALLIS HIGH DEFEATS INDIAN ELEVEN 21 TO 0

Chinawa, Or., Oct. 12.—Battering their way for three touchdowns in the first quarter the Corvallis high school defeated the Chinawa Indians football eleven Saturday afternoon on the Indian grounds by a score of 21-0.

The Corvallis team started out from the first and completed several fumble plays which enabled them to score in the first few minutes of play. Before the Indians could get together again they were pushed back for two more touchdowns which ended the scoring for both sides. The Indians played like wildcats during the next three quarters and threatened several times but were unable to make the first punch to put the ball across.

The Indians were crippled by the loss of their guards through injuries and sickness. Coach Boyne is more than satisfied with the showing of the Redskins and he is promising several hard fought games to the teams that are to meet his team in the near future.

James Thomas and Charles De Poe were the outstanding stars of the game. Thomas made several beautiful end runs. The Redskins completed three out of seven passes.

The game, although hard fought, ended disastrously for the Indians as they have more than likely lost Charles De Poe for the remainder of the season owing to a severe dislocation in his wrist. Richard O'Brien also wrenched a tendon in his leg and will be laid up on the bench for some time.

The Indians are to meet the Pacific college eleven at Newburg next Friday and the Mt. Angel college the following Wednesday on the Indiana grounds.

The lineup follows: Nergeson, left end; Skinnay, left guard; Seaman Thomas, center; Moses George, right guard; Ketala, right tackle; O'Brien, right end; Reginald De Poe, left half; Charles De Poe, right half; Kavanick, fullback; and Atkins, quarterback.

Substitutions—James Thomas for Reginald De Poe, Charles De Poe for O'Brien, Johnson for Skinnay, Hammonson for Moses George, James Thomas for Atkins, Atkins for Charles De Poe, Branstreuf for Sanderson.

North Howell, Oct. 13.—The North Howell Parent-Teacher association will hold their first regular meeting Friday evening, Oct. 17, at 8 o'clock. A good program is being prepared and several speakers will be present. A good lunch will be served and a worthwhile evening assured to all who attend. This will also be a reception for the new teachers, Mr. Ashton and Miss Stevens who have already won the hearts of the children and much interest is being shown in the school work. Among other things to be discussed at this meeting is the matter of a play shed, the school board has offered to match any amount that the P.T.A. can raise and it is hoped that work may be started at once so that the children may have a place to play this winter. There are 25 pupils in the first and second grades which is almost double that of any previous year.

A daughter was born to Mr. and Mrs. J. A. Brown who live on the Hartley & Craig farm.

Mrs. Jennie Coulter has been very sick but is slowly improving. Schupp Bros. will sell their entire herd of 20 registered Jerseys at a public auction Oct. 21. This is a splendid herd of cattle and all lovers of dairy cattle in North Howell will be sure to see them sold. It is hoped that the buyers will be mostly home folks.

Gilbert Dixon, Donald Stevens, Howard Coulter, Pearl Pickens and Vida Stewart are attending high school in Gervais this winter.

Mrs. Goldie is moving to Silverton so that Gilbert and Harriet may attend the high school there.

Mrs. Ernest Wiemer is staying in Salem this winter so that Darrel may attend high school. Surely North Howell will have to make some arrangements for her high school boys and girls.

A hedge trimmer that is operated by hand on the same principle as a mowing machine is proving popular.

GOLDS THAT DEVELOPE INTO PNEUMONIA

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creosolium, an established remedy that is pleasant to take. Creosolium is a new medical discovery with powerful action; it soothes and heals the inflamed membrane and kills the germ.

Of all known drugs, creosolium is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creosolium contains, in addition to creosote, other healing elements which soothe and heal the inflamed membrane and stop the irritation and inflammation, while the creosote goes on to the bronchi, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to pneumonia.

Creosolium is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchitis, asthma, catarrh of the bronchi and other forms of throat and lung troubles, and is excellent for babies, the up the system after colds or flu. Money refunded if any cough or cold or matter of the lungs standing, is not relieved after taking according to directions. Ask your druggist. Creosolium, Atlanta, Ga.—Adv.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pinpoints—a bilious look in your face—still eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, prescribed a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

MT. ANGEL BOYS NAME OFFICERS

Mt. Angel College, Oct. 13.—The students of Mt. Angel college met in the assembly hall on the free afternoon of the week and elected their officers for the school year. Mr. Duret of Lebanon was elected president. Mr. Melendez, Kobrowski and Pollard were nominated for vice president, Melendez receiving the necessary votes for election. The position of secretary and treasurer will again be filled by Sydney Pollard of Victoria, B. C. Arthur Prag was elected to the position of yell leader.

After the officers had been elected the student body had a general discussion as to whether they should adopt rules to govern their activities this year or whether they would again organize under the constitution of last term. After some debate they decided to adopt rules and to do away with the past form of government.

For the purpose of drawing up a set of rules for the student body's consideration a committee of six members were appointed of which the president will be chairman. The president appointed four of the members, Louis Orthmann, John Arrighi, Francis Meyer and Leo Melendez and the Rev. Rector appointed John Curran and Sydney Pollard. The rules that will be drawn up will provide for the awarding of athletic and literary A's and other similar awards, and is expected to report within two or three weeks.

TO HAVE A GOOD APPETITE

A GOOD appetite means a cheerful disposition. You may have a good appetite if the blood that goes constantly to your vital organs is pure. S.S.S. purifies the blood—a good appetite follows and you will have a clear complexion and will be strong, cheerful and healthy.

Don't get on feeling up one day and down the next—hardly sick but never well—losing "pop," punch and ambition. Hearty eaters are the red-blooded men and women. Enjoy your food! Get back your strength and energy! Blood, yourself before it is too late! People in a physically run-down condition are an easy prey to disease.

S.S.S. is what is needed. Your blood needs purifying. Your blood-cells supply the energy which keeps your body well and fit. S.S.S. aids Nature in supplying new red-blood-cells—the spark that re-energizes your system. Carefully selected, scientifically proportioned and prepared herbs and barks make up S.S.S.—the great blood purifier which gives Nature a helping hand.

Get back the lost appetite, the missing vitality, the sparkling eyes, that look of determination. S.S.S. will give you more energy, vitality and vigor and a more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

ANATOLE FRANCE FAMOUS FRENCH AUTHOR, PASSES

Tours, France, Oct. 13.—(By Associated Press.)—Anatole France is dead.

His end came peacefully Sunday. From August last the state of the great French writer's health had caused anxiety. Gradually his condition became worse, until only a few days ago he himself expressed the conviction that he had

Anatole France. Owing to his advanced age, 59 years, there was no expectation of his recovery but almost to the end he retained his interest in those around him and was able at times to converse briefly.

Anatole France, whose real name was Jacques Anatole Thi baull, was born in Paris, April 15, 1844. His father was a bookseller, one of the last into whose establishment noted men came not merely to buy but also to discuss literature with the shop owner.

As a child Anatole used to listen nightly to the discussion that took place in the shop, and it was natural that from such an atmosphere the child would grow up to be a bookish.

In 1868 his first work appeared, a study of Alfred De Vigny, followed in 1873 by a volume of verse, "Les Poemes Divers," and another volume, "Les Noces Corin thiennes," in 1876.

But Anatole was to find his richest vein in prose, which he wrote with a beautiful simplicity and elegance.

In philosophy Anatole France was a sceptic. He was a doubter in religion, metaphysics, morals, politics and science—a most genial and kindly doubter and not at all

without doubts as to his own negative conclusions.

Anatole France was admitted to the French academy in 1896, taking the place vacated by De Lesseps. His writings cover a long list of history, novels, criticisms, essays, satires, short stories and poems.
