1924 IS BANNER PROGRESS YEAR FOR WOODBURN

Woodburn, Or., Jan. 6.—Woodburn citizens believe in progress and they, furthermore, act accordingly to that belief, as is shown by a review of the record of 1924 in paving and street improvement and extension of the sewage system. During the year a total expenditure of \$46,526 was made for the purposes, \$2579 of which was the cost of the East Lincoln street drain and \$43,946 for the paving of Second, Hayes, Garfield, Grant, Broadway, Third, West Lincoln and West Cleveland streets and for the graveling of North Third, Fourth, Settlementer avenue and Oswald streets. This estimate does not include the expense of grading which was paid by the city. East Cleveland, Front, First and Young streets had been previously paved and a \$20,000 west side sewage system had been completed in the fall of 1923.

Besides these improvements a marked development in building is shown by the erection of the \$10,000 plant of the Oregon Packing company's pickle factory and \$2000 warehouse by the fruit association and by an expenditure of over \$55,000 on new modern homes or on improvements that are approximately as follows:

Residences—S. M. Brunson, \$5000; G. Ballito, \$2000; Woodburn auto park bungalow, \$1500; Frank Weiss, \$6000; George Miller, \$5000; E. Courand, two houses, \$5500; W. B. Gill, \$5000; P. G. Vickera, \$5000; L. H. Storey, \$3000; Adolph Glatf, \$4000; Lew Woods, \$3500; D. H. Hawley, Oscar Allen, \$2500; John Lane, \$500; August Hilsch, \$3500; W. F. Norman, \$6000; E. R. Hilsch, \$2500; O. N. Nelson, \$1000; John Bonner, \$500.

The building program is to be extended as plans are projected for a number of new business and industrial structures. Becker & Son expect to enlarge their business and to put up a 100x100 modern building for it on their present site.

J. F. Steinhilber and Robert Scott plan extensive changes at their flouring mill, preparatory to specializing in foreign shipments of their products.

J. F. Higdon proposes a modern 48x60 service station of concrete blocks, situated on the northeast corner of First and Grant streets. Construction will begin in the near future.

A. O. Wendle, to meet the growing demand for products of his cabinet shop, will probably erect a new building on Young street to accommodate an increased force and greater equipment.

A progressive council and a citizenship that believes in the future of Woodburn are thus working together for progress and for the development of a city of which we can be justly proud.

OIL PAINTING OF BIRTH OF STATE ON EXHIBITION

The painting by Theodore Gegoux, representing the birth of Oregon at Champong, May 2, 1845, was hung in the office of Governor Pierce yesterday at the instance of the Kiwanis club. It is understood an effort will again be made to sell the picture to the state.

The artist, who is 75 years old now, completed the picture some years ago at Champong, where he has lived alone for years. He formerly was a prominent portrait painter of the east. The Champong picture, he says, is the most pretentious work he ever undertook. A remarkable feature of the picture is the frame, which was carved by Mr. Gegoux. Around the entire frame is carved the Oregon grape, and at the corners are the rhododendron, state flower of Washington, and the bitter root, Montana state flower, and some other representative floral designs.

In the picture are representations of the following pioneer characters: F. X. Matthies, Elienne Linder, W. H. Willson, W. H. Gray, J. L. Parrish, J. T. Hubbard, Andre Longtin, Alexander Brisols, Joseph Chamberlain, Solon Smith, Joe Meek, Chappelle, Rev. J. S. Griffin, William Cannon, Sidney Smith better known as "Blubbermouth" Smith, Dr. Newell, Rev. Gustave Hines, Water Jay, Everett, Rev. Leslie, Lewis and McKay.

Gargle Throat With Aspirin

Clip This if Subject to Sore Throat or Tonsillitis

Prepare a harmless and effective gargle by dissolving two Bayer Tablets of Aspirin in four tablespoons of water. Gargle throat thoroughly. Repeat in two hours if necessary.

Be sure you use only the genuine Bayer Tablets of Aspirin, marked with the Bayer Cross, which can be had in tin boxes of twelve tablets for few cents.—Adv.

Burbank Says Bryan's Skull Is Primitive.

WILLIAM J. BURBANK (left) and LUTHER BURBANK.

Taking issue with William Jennings Bryan, his friend, on the latter's opposition to the theory of evolution, Luther Burbank, world-famous plant scientist, said during an address at Santa Rosa, Cal.: "Mr. Bryan is an honored friend of mine, yet this need not prevent the observation that the skull with which Nature endowed him visibly approaches the Neanderthal type."

INDIANS TO PLAY DEAF QUINTETTE

Chemawa, Or., Jan. 6.—Tomorrow night the Chemawa Indians' basketball team will meet the representatives of the deaf school on the mutes' floor. The Indians met the deaf school in the first game of the season and had a hard time in taking the game, but the redskins have improved so much from their early season form that they will more than likely win over them by a fair margin.

The Indians have played five games so far this season winning three of them. They lost to the Franklin high school of Portland and to the Willamette freshmen. The Indians had hard luck in the Bearcat Babe game as the ball refused to go into the hoop. The Indians have a good schedule this year, meeting some of the best teams in the state. They have developed one of the fastest passing teams seen in this vicinity this season and with the offense they have perfected should finish well toward the top of the ladder.

LEAGUE FINALS START TONIGHT

Tonight the Union Oil five and the Anderson & Brown quintet of the commercial basketball league will meet in their first game of the finals to decide the league championship. The winner of the final must win two out of three games.

Both of the teams are about even and a hotly contested game is championship last year will go into the game with a slight edge as most of the men are veterans of two years together with the Anderson & Brown team will lose the stellar playing of Lennen, who is attending school in Washington. The game will start at 7 o'clock tonight with the second game starting at the same time Wednesday in prospect for the fans. The Union Oil team, winners of the day. Both of the games will be played at the armory. In case a third game is necessary the date will be announced later.

SCHOOL ROOMS AT SILVERTON OVERCROWDED

Silverton, Or., Jan. 6.—Silverton schools opened again Monday morning after the Christmas holidays. The crowded conditions are even more noticeable now than formerly. A double shift is being run in the Washington Irving building in order to accommodate those who formerly attended classes in the Emerson building which burned to the ground. Those attending class during the forenoon session have their gymnasium work in the afternoon while those attending the afternoon classes do their gymnasium work during the morning. On January 17 a special election will be held for the purpose of voting on the question of a bonded indebtedness in the sum of \$25,000 for the purpose of acquiring lands and the construction of an additional school building.

Books are being furnished by the school board for the pupils who lost their own books in the fire. The board has been purchasing second hand books as far as possible and these they have been lending and selling to the children. Some of the parents want their children to own their own books. As many of the pupils will enter another grade at the close of this month the board settled on this plan.

A number of Silverton young people motored out to the Hattberg home at Pratum Saturday evening and spent an enjoyable

time. Those present were Miss Winona Palmer, Alice Jensen, Alfred Jensen, Cora Satern, Lillie Madson, Victor Madson, Harold Larson, Agnes Hattberg, Anna Hattberg, William Hattberg and Edwita Hattberg.

Mrs. O. N. Holman of Woodburn is spending a short time as guest of her grandson, Oliver Holman of Silverton.

Charles Hibbard recently of California, but formerly of Silverton, will operate the new Russell service station which is being built on the Russell property at the corner of First and Oak streets. This is the third service station to be built at Silverton besides the numerous garages.

Relatives have received letters from Mr. and Mrs. George Dedrick who left Silverton, December 22, for Sacramento, California, telling that they are spending a pleasant winter at the home of their son, Karl. Mr. and Mrs. Dedrick expect to return to Silverton in March. They both report that they prefer Oregon to California.

Mrs. J. P. Isaacson, who has been spending a few weeks at the home of her mother, Mrs. Anna K. Jensen, expects to leave for her own home at Geraldine, Montana, sometime this week.

Rev. and Mrs. George Henriksen and two daughters returned from Portland Saturday night and will again go up Monday. Mrs. Henriksen and daughters are attending a doctor's clinic at Portland.

Clayton Benson received a broken arm last week when cranking an automobile.

Mrs. Helge Rue has been confined to her bed for a week. Her daughter, Mrs. Clara Baltimore, is

at home at present taking care of her mother.

Anton Lindseth from Silver, North Dakota, is visiting at the home of Rev. and Mrs. J. S. Lindseth. Rev. Mr. Lindseth and Anton Lindseth are cousins.

We have just read something from a man who objects to monuments being erected to dead politicians. As for us, the more monuments of that sort, the merrier, say we.—Columbia Record.

Home-made Remedy Stops Coughs Quickly

The best cough medicine you ever used. A family cough syrup and quickly made. Saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Four 1/2 ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for healing the membranes. To avoid disappointment ask your druggist for "1/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

SUPERVISOR VISITS CHEMAWA

Chemawa, Or., Jan. 6.—Miss Edna Groves, supervisor of all Indian schools of the United States is visiting the Salem Indian school at Chemawa. Miss Groves' home is in Corvallis.

Canon Bliss Very Ill. New York, Jan. 6.—The condition of the Rev. William H. Bliss of Seattle, who is critically ill at St. Luke's hospital here, was reported unchanged today. Canon Bliss was stricken with heart disease December 21 on his return from Geneva, where he attended the opium conference as an unofficial observer.

To Win More Friends 100 Lucky Strikes TAX FREE

We invite every smoker in this city to take advantage of this startling offer. We've told you about Lucky Strike superiority. Your friends have told you. Now know for yourself the value of the *toasting process!* We make this proposition to win more friends:

The regular price of a tin of 100 Lucky Strikes is 75c
 You pay the dealer only 45c
 We pay the Government Tax of 30c
 Act Quickly, as the dealer's allotment at this price is limited.
 Get one tin [only one to a person] for home or for office.
 The regular price will be in effect when the dealer's supply on this offer is sold.

Smoke these 100 Lucky Strikes. Then you'll know how the 45-minute *toasting process* adds to the flavor and improves the taste.

Guaranteed by *The American Tobacco Co.*

LUCKY STRIKE

IT'S TOASTED

Facts About Taxes on Cigarettes

To the general public, we believe it will be surprising to learn that nearly half of what they pay for cigarettes goes to the government for taxes.

The internal revenue stamp on a package of twenty Lucky Strike cigarettes costs you six cents. On a 75c tin of one hundred the revenue stamp costs you thirty cents.

So nearly one-half of what you pay for cigarettes is spent by you for taxes.

This is certainly the heaviest tax on an article of daily and universal consumption.

The Tobacco Industry and Taxes

The aggregate tax paid by the tobacco business is with one exception, income taxes, the largest item of internal revenue the federal government receives. Last (fiscal) year it amounted to \$309,014,050.55.

Of this enormous amount of money the cigarette industry paid \$182,715,735.93, or nearly two-thirds of the total tax paid by the entire tobacco business.

We believe you will appreciate that when nearly fifty cents of every dollar paid by you for cigarettes goes to the government, you must receive in cigarettes a value in return for your money that is rarely given in any commodity.

That the public appreciates this great value is shown by the enormous increase in the consumption of cigarettes.

Our reasons for this tax free offer

We know this offer induces men to try Lucky Strikes—it "Wins More Friends."

We know that a large percentage of those who get acquainted with Lucky Strikes adopt them.

This isn't philanthropy nor propaganda—just good business, as you'll agree.

The offer is limited. We cannot afford to keep it up.

We make it generous, to attract attention.

Super-quality

Only by immense volume can we produce such an aristocratic cigarette as Lucky Strike at such a democratic price.

Its quality is supreme because it has that costly extra process, *toasting*, which improves the flavor and adds to the taste of even the finest tobaccos that are used in Lucky Strikes.

Cleanliness and Care in Manufacture

Every Lucky Strike factory is a model of sanitation. Read how Alfred W. McCann, the noted food expert, describes one of our factories: "White walls and ceilings, floors as clean as freshly chiseled marble, cutting machines and wrapping machines that take away from the human hand all detail and leave nothing to the human supervision but the watchfulness of trained eyes."

We know a trial will make you a permanent customer of ours.

Guaranteed by *The American Tobacco Co.*
