Unveiling Ceremonies Impressive

Beautiful and impressive were the ceremonies in the house of Representatives of the state house last night when four new flags were formally unveiled. The two new national flags and the two new state flags now hanging in the house and state chambers were purchased by Barbara Fritchie tent, Daughters of Veterans, to replace the emblems that have seen thirty five years of service.

The significance of the unveiling was beautifully emphasized by Justice George M. Brown of the supreme court who made the main address of the evening before a crowd that packed the house of representatives. George T. Griffith, state commander of the American Legion, gave an impressive speech on the subject of "Flag Appreciation."

Miss Julia K. Webster, former state president of the Daughters of Veterans, presided and Rev. Blaine E. Kirkpatrick led the invocation. The unveiling was conducted by Mrs. F. A. Elliott, chapter president of Barbara Fritchie tent, Mrs. P. L. Waters, tent president, led the pledge to the flag. Members of company F, Oregon national guard, in uniform, served as ushers. The music for the occasion was furnished by Mills' Oriole orchestra.

The new emblems are made of hand sewn silk upon a mounting of white silk. Those hung in the senate chamber measure five by eight feet and those in the house, six by ten feet. They were purchased from Annin and company of New York.

-to have a good APPETITE!

"Yes! thank you."

A GOOD appetite means a cheerful disposition. You may have a good appetite if the blood that goes constantly to your vital organs is pure. S.S.S. purifies the blood—a good appetite follows and you will have a clear complexion and will be strong, cheerful and healthy.

Don't go on feeling up one day and down the next—hardly sick but never well—losing "pep," punch and ambition. Hearty eaters are the red-blooded men and women. Enjoy your food! Get back your strength and energy! Reclaim yourself before it is too late! People in a physically run-down condition are an easy prey to disease.

S.S.S. is what is needed. Your blood needs purifying. Your blood-cells supply the energy which keeps your body well and fit. S.S.S. aids Nature in supplying new red-blood-cells—the spark that re-ignites your system. Carefully selected, scientifically proportioned and prepared herbs and barks make up S.S.S.—the great blood purifier which gives Nature a helping hand.

Get back the lost appetite, the missing vitality, the keen sparkling eyes, that look of determination. S.S.S. will give you more energy, vitality and vigor and a more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

Time always tells

From mother to daughter to granddaughter has been the proud descendancy of Golden West Coffee in thousands of families since its first appearance as the standard of good-coffees 42 years ago.

In all that time it has held these friends—and made countless more—by improving with age—getting richer, mellow, rarer in flavor—as experience and science and special processes have combined in the selective choice of only high-grown berries, in blending, roasting, steel cutting and vacuum packing.

You, too, will say—"no other coffee will do!"
