SPENCE WANTS NEW POTATO LAW WITH TEETH
 Portland, Jan. 9.—Amendment of Oregon's potato law will be submitted at the coming session of the legislature by C. E. Spence, state market master. The amendment would put teeth into the present law by providing a penalty for all violations. Corruptors would bring a fine of not less than \$10 or more than \$100 or imprisonment in the county jail for not less than 10 days or more than 30 days. The amendment would also workable form the opinions of growers expressed at numerous meetings held throughout the potato producing sections of the state during the last few months.
 It also provides for a slightly lower grade, in addition to the present grades, to be known as Oregon No. 1, which will permit burnish and potatoes not seriously damaged by growth cracks. These are excluded from United States grade No. 1. The trade feels that the above defects should be allowed in commercial seed potatoes.
 G. J. MOISAN, Attorney for the potato growers.
 P. H. D'Arcy, attorney for executor.
