He called upon the members from Benton and Lane counties to bear this in mind and received the support of the president and the promise of the Benton and Lane members.

MILLIONS OF KOREANS SUFFERING FROM FAMINE

Tokio, Jan. 12.—(By Associated Press)—As the intensity of winter in Korea increases, more than three million persons are reported suffering from a famine, according to word received here today from The Associated Press correspondent at Seoul.

Zenra reports received at Seoul indicate that more than 50,000 extreme cases of starvation exist in that district alone. The peasantry is attempting to stave off death by living on tree bark roots.

Government relief measures are wholly inadequate. It is in vain to insist on these trips being made early in the winter, for the suffering will increase with the advance of winter.

BE CAREFUL ACCIDENTS IN SALEM THIS YEAR THIS WEEK

L. A. Hawthorne, 1600 Highland avenue, stopped his car on the Pacific highway near Hayesville church, bringing two wheels off the pavement and putting out his left hand "according to Hoyle," but was struck by another car notwithstanding his care. The car which struck Mr. Hawthorne was driven by Henry Kayser, 2410 N. Fourth street. Mr. Kayser did not see the tail light of the car ahead.

OREGON EASILY WINS FROM BEARCATS 63-31

"They've got a good team; don't let anybody kid you about it," was the comment made this morning by Coach Rathbun of Willamette university in speaking of the Oregon-Willamette basketball clash in which the Bearcats were defeated 63 to 31. Oregon has three lettermen and a number of other stars, according to Rathbun. Oklahoma, Salem high graduates, is destined to be an outstanding player in coast circles, he says. "Oklis" made 11 field basket Saturday night.

It is reported that the Bearcats showed an occasional brilliant streak of playing, but that their defense spasmodically fell to pieces. The Oregon quintet ran a lead of 11 point before the Willamette reserves got started. Throughout the game Willamette usually failed to get the ball from the tip-off, but scored consistently whenever the ball could be taken possession of.

Dr. Shanks' sermon will be "The Curve of Nard." This message is being prepared in narrative form and will be of unusual interest. The public is cordially invited to all these meetings.

MYRTLE WOOD GAVEL PRESENTED TO MOSER

Senator Hall of Coos and Curry counties interjected an unusual feature into the organization procedure of the senate today when he presented to President Moser, on behalf of Neal Crosby of Portland, a gavel and block of myrtle wood from Curry county. Senator Hall explained that myrtle wood is grown in only two regions in the world, Coos bay and about the Mediterranean sea. In ancient Athens, he said, the myrtle was an emblem of civic authority, and he hoped it would have the same significance in the Oregon senate.

LEGISLATURE ORGANIZED IN BOTH HOUSES

Important business and that in Senator Moser was a young man, though old in experience, highly capable of handling the work in an effective and efficient manner. He called attention to Moser's long legislative record.

QUICK STARTING SHELL GASOLINE

"Senator Moser," said Eddy, "has the ability, experience, and poise necessary for this high position. But," he added humorously, "I feel that I ought to be perfectly frank with this senate and take all of you into my confidence. I want it distinctly understood that I am going to be one of the powers behind the throne—one of the 29 powers."

Senator Klepper spoke of his personal admiration for Moser and declared he felt certain he would acquit himself with credit to himself, the senate and the state. After the vote Temporary President Rittner appointed Klepper and Plisk to escort Moser to the chair.

"That I am deeply and sincerely grateful for this high honor is needless to say," remarked Moser upon taking the gavel. "This is not a time for speech-making and I will be brief. I think we are meeting today under the most auspicious conditions for a profitable session. At the start we are a harmonious body. Factionalism has been dispensed and has disappeared. We are starting as a big happy family, each determined to do those things that will redound to the credit of the state."

"We have many important measures to come before us and the sooner we get to work the better chance we will have to make the best of a record we want to make. I understand the organization in the house is starting out in the same favorable way, and I believe there is going to be harmony between the two houses."

Minor Contests "It will be my aim and endeavor conscientiously to perform the duties of this position as to treat impartially every member of this senate."

The remainder of the organization went off as scheduled. The officers of the senate are: Chief clerk, John P. Hunt; assistant chief clerk, Miss Elizabeth Braun; reading clerk, M. F. Hardesty; calendar clerk, Albert Goddard; sergeant-at-arms, Col. W. G. D. Moreau; doorkeeper, H. T. Bruce.

For the latter office competition developed, the other candidate being Sanford MacDonald of Portland. Bruce received 22 of 30 votes. MacDonald will be appointed assistant.

House Organization Organization of the house started off with dispatch and harmony. Denton G. Burdick, permanent speaker of the house, announced his committee appointments immediately on taking the chair. This is the first time in the history of Oregon legislative sessions that the committee appointments have been forthcoming immediately. Generally, the committees have been named on the second day of the session, the law makers marking time for 24 hours, or more.

W. F. Drager was elected permanent chief clerk of the house. Clarence Thompson of Portland was elected calendar clerk in a close contest with Walter Lynn of Portland. Bert E. Tatro of Ore-

gon City and Ivan G. Martin of Astoria were the other contestants.

Joseph Slinger of Portland was rechosen sergeant of arms without opposition.

W. G. McAdams of Salem was elected mail clerk.

Rolla Southwick of Salem was reelected doorkeeper.

Burdick Election

Burdick was unanimously elected permanent speaker of the house on a roll call taken just before noon. R. B. Hamilton of Bend, nominated Hm. Herbert M. Gordon of Portland, seconded. Loyal M. Graham of Forest Grove, gave a short laudatory talk for Burdick. Graham a few moments ago was reported to be seeking the speakership.

In his acceptance speech, marked by its brevity, Burdick declared that the opportunity extended for this session "to set a record which will stand as a beacon for sessions in the years to come. It is my wish to be fair at all times. To the committee, particularly to the ways and means, it is my sincere wish that bills are considered and placed before the house for consideration at the earliest possible moment. We should be able to finish this session in the regular forty day period."

Following the reading of the credential committee's report, Chief Justice McBride was invited to administer the oath of office to the members of the house. Representatives Carkin and Hammond were named by Melnd to escort Justice McBride to the chair.

On motion of Representative Burdick a second ten minute recess was taken.

agurated governor today. County Attorney Veslo also retired. The new county attorney, Paul Helms, who issued the warrant, will prosecute the case.

The action is based upon evidence of witnesses who listened in over a telephonic connection in a Topeka hotel last Friday to a conversation during which it is alleged Polman paid the governor's son \$1250 upon the delivery of a pardon. Polman had been at liberty on parole for two years and would have regained full citizenship automatically on April 1 next. He was convicted of forgery and was paroled by governor Henry Allan.
