

MUNN FORMER CIRCUS CLOWN ALSO PREACHER

Chicago, Jan. 15.—Wayne J. Munn, world's heavyweight wrestling champion, has had a repertoire of professions that might give him claim to a championship as all-around performer. His versatility has been displayed, on occasion in the roles of teacher, preacher, and clown. Yesterday he signed a \$2500 a week vaudeville contract to add the profession of actor to his list.

Four days before Munn took "Strangler" Lewis' title, he preached a sermon in a Kansas City church.

Before that he was a football star, army lieutenant, wheat hand, circus clown, school teacher and prize fighter.

He took dramatic at the University of Nebraska and was in several college shows. One summer he joined a circus as a clown. He was a tackle on the Cornhusker eleven in '15 and '17.

He studied medicine for three years. On his return he was principal of a school in Nebraska. What will come next, he has not determined.

HURLS "STRANGLER" LEWIS FROM RING.

WAYNE H. ("BIG") MUNN.

An erstwhile University of Nebraska football player, who tried boxing unsuccessfully, and who is a novice at wrestling, is now world's heavyweight wrestling champion. He is Wayne H. ("Big") Munn, who, by ponderous strength, broke "Strangler" Lewis' fearful headlocks and crushed him into submission in Kansas City. Munn won the first and third falls and lost the second when he picked up the giant Lewis and threw him out of the ring. The referee disqualified him for it, but Lewis, when he reentered the ring, was apparently badly hurt and lost the third fall in less than a minute. Munn stands six feet, seven inches in height and weighs 238 pounds. Lewis had to go to a hospital, unable to wrestle for a year.

THIRD SALE OF PARDON CHARGED AGAINST DAVIS

Topelka, Kan., Jan. 15.—By Associated Press.—Another charge that money was paid for a parole issued by former Governor Jonathan Davis, was added today to the series of accusations against the retired executive, his son, Russell G. Davis, and Carl J. Peterson, state bank commissioner, in connection with alleged trafficking in executive clemency.

The new case presented to the attorney general and the Shawnee county attorney, who are conducting an investigation of the pardon scandal, involves the parole of Ernest Bartholomew, son of C. H. Bartholomew, wealthy Wichita merchant. The elder Bartholomew alleges in an affidavit he paid \$1250 to a man named "Johnson" and received the parole for his son, who was convicted of automobile theft.

Johnson told him, Bartholomew states, that the "deal would be handled through Carl Peterson, state bank commissioner," and that the money would be divided, \$500 to Governor Davis, \$500 to Peterson and \$250 to Johnson.

JACKSON COUNTY FOR MILLS AMENDMENT

Medford, Jan. 15.—Bert Anderson, chairman of the Jackson county republican central committee in a public statement today declared that his organization will support the proposed A. L. Mills amendment to the state primary law if two changes are made, namely, First, a convention before the primary instead of after; and second, the members of each county central committee to automatically become delegates to the convention with the same powers as the delegates elected by the people.

If these changes are made, Mr. Anderson declared he could guarantee the support of a majority of the republican voters in Jackson county to the Mills bill and would himself work energetically for its passage.

BEARCATS OFF TO PLAY HUSKIES SEATTLE TONIGHT

Taking a squad of six men, Coach Rathbun of Willamette university left before daylight this morning for Seattle, where the Bearcats will meet the University of Washington tonight.

Those making the trip are Hartley, Fasnacht, Emmet, Erickson, Robertson and Poling.

Before leaving Rathbun stated that he would probably change his lineup, shifting Emmet to a guard position and playing Robertson as Fasnacht's running mate at forward. Erickson will play the other guard and Hartley will hold down the pivot position. Poling can be worked in to fair advantage at any place.

Friday night the Bearcats will clash with the College of Puget Sound team at Tacoma. The Washington state normal school will be met Saturday, and Whitman College the following Monday. The Washington and Whitman games are the only clashes which affect northwest conference standings, although C. P. S. is said to have a strong team. The four games will complete the tour.

The Willamette players have recovered somewhat from recent injuries. It is said, Fasnacht, who has been carrying a bad shoulder,

as well as a nose with a great shining boil on the exact tip of it, is feeling better. Erickson, who received a neat gash under his eye when he crashed into Mustray's head in practice, is practically as good as ever.

According to announcement, with the exception of a game with Pacific and another with O. A. C. the remainder of Willamette's northwest conference games will be played at Salem.

New Discovery Limbers Up Stiff, Sore, Swollen Joints

Soaks right into tendons and ligaments of your joints—right where the trouble starts—Then dressed comfort comes quickly.

Yes! It's true—the world progresses.

All you have to do nowadays to limber up that stiff, rusty knee joint is to squeeze a half inch of miracle working substance from a tube.

Then rub it on the offending part for about a minute or until it soaks through the skin and disappears on its errand of mercy.

Then read the evening newspapers and go to bed.

The chances are that your misbehaving knee joint will lose its "crack" while you are dreaming about the high fence you used to leap when you were a youngster.

"And in the morning," says one who has tried the new discovery, "you'll feel so happy that you'll want to jump into your sportswear

clothes and walk briskly down the street just to show the neighbors that you are not as old as they think you are."

Joint-Kase they call this wonder working substance, for the reason that when ordinary remedies fail to limber up the stiff, inflamed rheumatic joint, or reduce the swelling, Joint-Kase succeeds.

It's a good name for a good clean, penetrating prescription that in just a few months has proven to a multitude of people that lame, swollen, distorted joints can speedily have the kinks taken out of them and work as smoothly as ever.

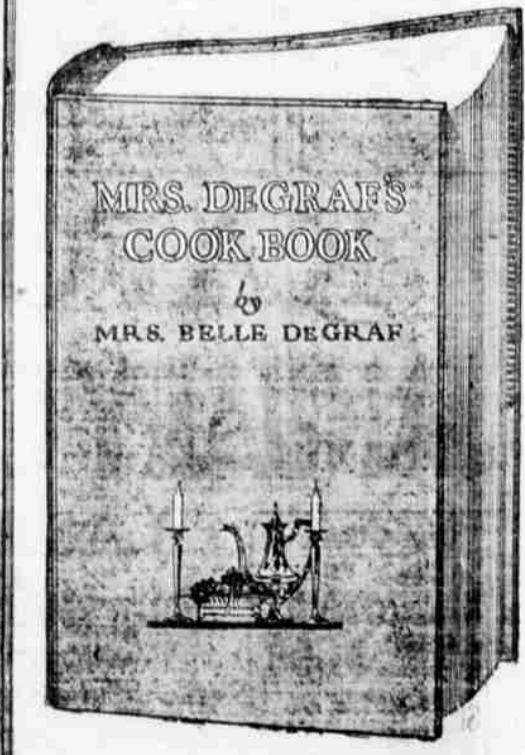

But Joint-Kase is for both—some joints, whether in knee, ankle, arch, hip, shoulder, spine or finger; and for that purpose its sale at 60 cents a tube is immense.

D. J. Fry has a big supply of it and druggists everywhere report a big demand.

Always remember, when Joint-Kase gets in joint agony gets out—quick.—Adv.
