Can success in life be undermined by constipation? Indeed it can. The poisons of this disease tize you out, wear you down, make you listless and make you lose interest in things in general. Ambition is most often prompted by a thoroughly healthy body. Kellogg's ALL-BRAN brings permanent relief from constipation.

He didn't have the energy to fight

LOST . . . another big order . . . the fourth defeat that day. All because he didn't have the energy to fight when his prospect said "No." Something had blunted his senses and stolen his strength.

That "something" was constipation. What a shame so many people suffer from constipation when there is an easy, pleasant, sure way to permanent relief—the regular use of Kellogg's ALL-BRAN—two tablespoonfuls daily, or in chronic cases, with every meal.

Kellogg's ALL-BRAN is what doctors call a bulk food. As it travels through the system, its fiber remains unchanged. Therefore, it sweeps the intestine clean and drives out the vicious poisons of constipation. ALL-BRAN also absorbs and carries moisture through the intestinal tract, stimu-

lating it to healthy, normal action. ALL-BRAN works as nature works.

Serve Kellogg's ALL-BRAN with milk or cream, sprinkled over cereals, or cooked with cereals; in soups, or made into the many recipes given on the package. Delicious with fruits too. If eaten regularly, it is guaranteed to bring permanent relief or your grocer returns the purchase price.

Caution! Be sure to get Kellogg's ALL-BRAN. Only ALL-BRAN brings sure results. Kellogg's is the original and only ALL-BRAN. All grocers sell it. Leading restaurants serve it. Buy a package today.
