## Branch of League Formed

A Salem branch of the National League of Women Voters was organized yesterday at a meeting held in the public library under the direction of Miss Hester Hollingshead, regional secretary.

Mrs. J. A. Churchill was elected president of the new division after the adoption of the constitution. Other officers chosen were Mrs. Rex Sanford, vice president; secretary, Mrs. James Humphrey; treasurer, Mrs. Fritz Slade. Directors named were Miss Cornelia Marvin, Mrs. Seymour Jones and Mrs. Isaac Lee Patterson.

The organization which is formed not for partisan reasons—it is absolutely non-partisan—has as its great aim "education in government and politics, and the creation and maintenance of standards for efficient government and for public welfare in government."

Meetings will be held monthly in the homes of the various members with definite courses of study of city, county, state and national government followed throughout the year. In brief, the object of the national organization carried out in all its branches, is the education of women to vote intelligently as well as conscientiously.

Women of the legislature have been especially hidden by members of the Salem Women's club to attend their social meeting in the club house on north Cottage street tomorrow afternoon beginning at 2:30. Seymour Jones will give a talk on the place that women hold in the political field. Musical features will be given during the afternoon.

A change in the personnel of the social committee in charge of tomorrow's meeting was announced yesterday by Mrs. C. K. Spaulding, president of the club. The February committee will act as the hostess committee. In the group are Mrs. J. L. Rand, Mrs. W. E. Crews, Mrs. W. B. Hart, Mrs. Frederick Lampert, Mrs. E. Elliott, Mrs. T. C. Smith, Mrs. J. J. Roberts, Mrs. E. E. Brazz, Mrs. Earl Pearce, Mrs. Walter Page, Mrs. Paul Hendricks and Mrs. Carey Martin.

Mrs. John McNary was hostess yesterday at a delightful meeting of the Thursday Bridge luncheon club. Attractive baskets of refreshments and eat fern centered the small tables in the dining room at the one o'clock luncheon.

Guests of Mrs. McNary and the club members were Mrs. William Hoot, Mrs. Louis Lachmund, Mrs. S. G. Sargent of San Francisco, and Mrs. F. N. Jordan of Seattle. Club members present were Mrs. T. C. Smith, Jr., Mrs. T. A. Lively, Mrs. Dan Fry, Jr., Mrs. J. Shelley Saurman, Mrs. O. C. Locke, Mrs. William Walton, Mrs. David W. Eyre, Mrs. Henry Meyers and the hostess, Mrs. McNary.

The club will be entertained at their next meeting at the home of Mrs. T. C. Smith, Jr.

The annual meeting of the First Unitarian church took place Wednesday evening. The trustees elected for the coming year are Walter Denton, Russell Mohney, Dr. R. E. Lee Steiner and Miss Cornelia Marvin. Reports were given by the various officers of the church including the trustees; the Women's Alliance by Miss Fletcher; the church school by Gerald Kubin; the Young People's Religious union by Mrs. M. Feresbetian; the Laymen's league chapter by Miss McKee. The reports all show steady growth in all departments. The church is free from all debts on the new building and a new budget was unanimously adopted.

The Women's Alliance officers elected at the annual meeting were as follows: Mrs. C. S. Hamilton, president; Mrs. Lizzie Smith, vice president; Miss Ethel Fletcher, secretary-treasurer.

To discuss the progress before the state legislature of the loan tax bill, the kindergarten bill and the child labor amendment, all endorsed by the parent teacher organization, Mrs. George J. Perkins, president of the Oregon Congress of Parents and Teachers, has called a meeting this afternoon at 2 o'clock in room 551, court house. Representatives of the Portland Federation of Women's organizations, the Oregon State Teachers' association, the Portland Grade Teachers' association, the Consumers' league, and other organizations and persons interested, will be present.

Mrs. Perkins and Mrs. Harold Palmer, chairman of the kindergarten department of the state parent teacher association, have just returned from Salem, where they went to study the legislators' attitude to the bill. The parent teacher bodies are backing. What has been done, and what needs to be done in the matter will be discussed at the meeting this afternoon.—Oregonian.

Mrs. Henry Meyers and her house guest, Mrs. F. N. Jordan of Seattle, spent Wednesday in Portland.

## Violinist To Appear In Concert

Various aspects of the subject of international relations will be discussed about a round table in the public library tonight. Prof. S. B. Laughlin will speak on the "fellowship of reconciliation." Miss Mary Eyre, who recently returned from a trip abroad, will speak briefly on the condition of relationships between nations of the continent as seen through the eyes of a traveler.

This round table discussion meeting is sponsored by the international relations committee of the American Association of University Women who ask all men and women interested in the subject to join them. The university women in all parts of the country are holding these open discussions with the idea in mind of "finding a way to end war without war." The Salem branch of the association is carrying out the aims of the national organization in fostering "round tables on the subject."

Mrs. Seymour Jones, state regent of the Daughters of the American Revolution, has called a meeting of the state board of management for Saturday morning, January 31, at ten o'clock at central library, Portland. A no-hostess luncheon will be served afterward at the Sign of the Rose. Salem members who will be present are Mrs. Russell Catlin, Mrs. C. C. Clark and Mrs. Elmo White. Mrs. Jones will preside.

Fabrics with which to illustrate the various aspects of the study subject will be loaned by the Stiff Furniture company. Homer C. Leley will take charge of this part of the program. Mrs. Monroe Gilbert is leader of the section and will take charge of the meeting.

Because arrangements had previously been made for Miss Elizabeth Levy's concert on that same evening, members of the Y. M. C. A. auxiliary will sponsor the third annual Y. M. C. A. concert not on February 4 as was first announced but on the evening of the day preceding, Tuesday, February 3.

A group of Chemeketa chapter members of the Daughters of the American Revolution will motor to McMinnville on Saturday afternoon to attend the silver tea which the McMinnville chapter will sponsor at the home of Mrs. E. Letter from a Farmer's Wife

"For over two years I suffered from pains in my side and back with headaches and weakness," says Mrs. Walter E. Anderson, a farmer's wife of Bangley, Maine. "It seemed as though I could not get my work done on one day to the next, but Lydia E. Pinkham's Vegetable Compound has restored my health so that now I can do all kinds of work, sewing, washing, ironing and sweeping. I hope this letter will influence other women to take Lydia E. Pinkham's Vegetable Compound." Volumes of such letters from women explain why Lydia E. Pinkham Medicine Co., of Lynn, Mass., is the greatest user of roots and herbs in the world.—Adv.
