"I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. I purchased more, and after using one and a half boxes of Ointment and one cake of Soap she was healed."

With this soap it is only necessary to follow a few simple rules that most women are familiar with such as: to use only lukewarm suds; never to rub; just press the suds through the fabric thoroughly, paying particular attention to any soiled spots; rinse well in lukewarm water of the same temperature as the suds, at least three times. Dry carefully in even, moderate, temperature. Do not hang knitted garments flat spread on bath towel to dry, to keep them from pulling out of shape.
