

BRING SUIT FOR PROPERTY HELD BY TRINITY CHURCH

New York, Jan. 26.—Suits to compel Trinity church to turn over the bulk of its property in lower Manhattan to the heirs of Robert Edwards was begun in federal court today by the filing of a bill in equity by Arthur J. Edwards of Collier county, North Carolina and Wesley J. Edwards of Los Angeles, Cal.

Real estate involved in the suit includes the church property, an old cemetery at Wall street and Broadway and the land extending from this plot eastward to the Hudson river. Counsel for the heirs estimated the property to be worth considerably more than \$10,000,000.

Trinity said to be the wealthiest church in the United States, would be barred by the heirs from all claim to the property. The bill asks that a receiver be appointed and that the church be compelled to render an accounting of all rents and profits derived from the land since May 1, 1866.

The complaint recites that prior to 1867 and up to the time of his death, the property named was owned by Robert Edwards who died intestate. It alleges that the plaintiffs are direct collateral descendants and rightful heirs to Edwards' estate.

The complaint further asserts that Trinity church came into possession of the land under a 99 year lease dated May 1, 1867 and that at the expiration of the lease off-

\$10,000 IS ASKED FOR SILVERTON ARMORY AGAIN

House bill 157, introduced by the Marlon county delegation yesterday, calls for an appropriation of \$10,000 to aid in building and equipping the armory at Silverton. Ten thousand dollars was appropriated four years ago. Twenty thousand dollars has been subscribed to match appropriate money.

House bill 79 which would eliminate Portland's voters from voting on the candidate for county school superintendent was laid on the table on the motion of its introducer, Melindl, Multnomah county, Monday afternoon. Melindl made his motion after the committee on education had recommended against its passage. House bill 107, Fisher, Douglas county, taking the supervision of eighth grade examinations out of the teachers' hands, was re-referred to the committee on education.

Members of Trinity "continued in possession of such land as tenants at sufferance."

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.
