## Friday Program Is Given

The opportunity to hear several concert artists in one program will be offered Salem music lovers Friday evening when the MacDowell club will present Frederick W. Goodrich, an organist of wide popularity on the entire Pacific slope.

Mr. Goodrich will give three groups of numbers, Miss Melton two, and Miss Schwab and Mr. Springer each a group of three songs. Mr. Goodrich's work as an organist is too well recognized in the northwest to require any introductory description. He is accorded to be one of the foremost musicians on the coast.

Miss Melton will make her debut to a local audience in the concert Friday evening. Miss Milton has had unusual opportunities to study with some of the world's masters and has made concert tours throughout the eastern states and in the Orient. Her appearance is awaited with special interest.

Miss Schwab is known to Salem people as the possessor of a charming soprano which never fails to please. Mr. Springer has been studying for several years and is said to possess a baritone of great promise.

## Members of the Kensington Club Will Be Entertained Tomorrow Afternoon at the Home of Mrs. Paul Hauser, 925 Saginaw Street

The first meeting of the new year of Barbara Frieche tent, No. 2, Daughters of Veterans, will be held this evening in the armory. All members are urged to attend as several matters of importance to the organization will be presented for the decision of the group.

An affair in McCornack hall tonight which will be of interest to many is the card party which will be sponsored there by the Security Benefit association. This will be the second given by the organization within two weeks.

It is unusual for a student of music to have the opportunity of studying on both sides of an ocean with the same master. But both in New York and in Belgium, Miss Elizabeth Levy, violinist, had as her renowned master, Caesar Thomson, the first time in 1920, the second time in 1923-24.

Miss Levy evidences her regard for this famous veteran of the law in the various clippings she has saved concerning him. Eight crowned heads among Europe's royalty have already conferred tangible tokens of their regard upon this master of violin. More than thirty years ago his debut was made before New Yorkers in Aeolian hall. And then, in 1923 it was announced that he had come again to this country as a teacher.

That was the news that took Miss Levy to New York, and once more gained for her the tutelage of a distinguished teacher. Miss Levy, while in the east and in Europe won the plaudits of the audiences before which she played. It was her opportunity, during her season in Brussels, to play at The Hague. A delightful opportunity as any that came was the hearing of the great Amsterdam orchestra of which her own cousin is concert master.

Salem music lovers will have their own chance to make appraisal of Miss Levy's attainments when, on Wednesday, February 4, she makes her first formal concert appearance in Salem since her return from Europe and the east.

Mrs. Mary E. Watson returned recently from a trip of several months through the middle western states. Mrs. Watson was the guest in Cleveland of her son, in Peoria, Illinois, she was entertained by relatives of her husband who died a number of years ago. Her last stop was made in Nora, Nebraska. After returning to Salem Mrs. Watson was the house guest at the F. G. Stearns home until she recovered from a cold contracted while travelling through the Royal Gorge.

Miss Carlotta Cronley entertained as her house guest over the week end, Miss Leta Wolverton of Portland.

A special meeting of the United Artisans will be held Thursday evening in McCornack hall with all members and all visiting legislative members urged to attend. An interesting program has been planned with speakers coming from Portland for the occasion.

Mr. and Mrs. Mark D. McCallister entertained as their guests over the week end Mr. and Mrs. John Buchanan of Corvallis.

Miss Merle McKelvey had as her guests for several days last week, Mrs. Blaine Halleck of Baker.

## ECZEMA

You will be compelled to admit that the results of S.S.S. are really amazing!

MANY people imagine that eczema or tetter needs only some external application on the skin in order to get relief. This is because the attention of the sufferer is so violently directed to the intense burning and itching which accompanies this disease. Try as they may—permanent relief will never be theirs until the diseased laden blood is thoroughly cleansed. We know there is one thing that stops eczema and that is more red-blood-cells! S.S.S. builds them by the million! You can increase your red-blood-cells to the point where it is practically impossible for eczema to exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it. Skin eruptions, eczema, with all its fiery, skin digging torture, and its soul-tearing, unreachably itching, pimples, blackheads and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting giants of Nature! S.S.S. builds them by the million! It has been doing it since 1826.

S.S.S. is one of the greatest blood-cell builders, blood-cleansers and body strengtheners known to us mortals! When you put these facts together—then to continue to have eczema and skin eruptions looks more like a sin than a disease. S.S.S. contains only vegetable medicinal ingredients. Because S.S.S. does build red-blood-cells, it routs eczema, clears the skin, builds firm flesh, fills out hollow cheeks, and gives you that more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical. **S.S.S. The World's Best Blood-Maker**

Members of the Needlecraft club will meet on Tuesday, February 3, with Mrs. Cadwell.

The Salem War Mothers will sponsor a cooked food sale in the Southern Pacific offices on north Liberty street on Saturday morning. Mrs. J. A. Carson, president of the local organization, asks that the war mothers be liberal in their donations of cakes, pies and other cooked food. Baked beans have proved especially lucrative during past sales. The sale will open at 10:30.

Mrs. Henry S. Polak entertained the members of the O. T. E. bridge club in her home yesterday. Special guests were Mrs. F. E. Shafer, Mrs. Arthur Moore, Mrs. G. W. Laflar, Mrs. Walter Buchner and Mrs. Willis Moore. Members of the club are Mrs. James Lewis, Mrs. J. D. Hosterford, Mrs. A. T. Wain, Mrs. Anne Klein, Mrs. John Maurer, Mrs. C. D. Purvine, Mrs. J. B. Craig and Mrs. H. S. Polak.

Three solos were sung during the evening, to the great delight of the group, by Mrs. Harry Harms, dramatic soprano. Mrs. Harms gave "Afterward," by Muller, "The Japanese Love Song," by Thomas, and as the closing number, "I Asked the Sun," by Allen. She was accompanied by Miss Genevieve Findley.

Miss Bee Chappel, superintendent of home economic education under the state vocational board, spoke to the assembly on "Home Management and the Smith Hughes Law." Rev. U. S. Crowder gave a very interesting and informative talk on the proposed child labor amendment. It was also announced that the next meeting of the association which will be held in the form of a Colonial party will take place at the McKinley school the last Tuesday in February.
