## Woman's Club to Give Bridge Tea

Salem club women are seldom, if ever, inactive. With their plans for the winter tea which they are sponsoring today for the benefit of the student loan fund, completed in a manner that insures its success, the leaders of the Salem Women's club are already turning their thoughts and energies to other fields of endeavor.

From year to year as the woman's club grows in numbers and in influence, larger and larger sums are subtracted from the debt remaining on the club house on South Cottage street. With their portion given to the scholarship loan fund maintained by the Oregon Federation of Women's clubs after the benefit-tea today, the local club women are primarily interested in reducing their own burden of debt.

With this object in mind definite plans are being formed for a bridge tea at the clubhouse on Friday, February 13, to which the Women's club will be hostess to all the women of Salem.

Mrs. Walter L. Spaulding, general chairman of the benefit bridge tea has asked the following women to serve as her assistants: Mrs. Frank G. Bowerson, Mrs. John L. Rand, Mrs. Wilson H. Darby, Mrs. Frederick H. Thompson, Mrs. P. A. Eiker, Mrs. Willard L. Pemberton, Mrs. Merrill O. Ohllog, Mrs. J. Shelley Saurman, Mrs. Phil Newmyer, Mrs. Frank W. Durbin, Mrs. G. E. ## SICK WOMEN ATTENTION! Read this Remarkable Testimony Regarding Results from Taking Lydia E. Pinkham's Vegetable Compound

Norfolk, Virginia. — "If you only knew how many women and girls have taken your medicine by hearing my testimony, it would seem wonderful to you. Every day and every chance I have I advise some one to try it. It was in June, 1904, when I had given up ever getting well, that I wrote to you. My husband went to the drug-store and brought the Vegetable Compound home to me. In a few days I began to improve and I have not taken it since. I am now passing through the Change of Life and find it stick by it and am enjoying wonderful health. When I first started with your medicine I was a mere shadow. My health seemed to be gone. The best doctor I had said he would give me no more local treatments unless I went to the hospital and was operated on. That was when I gave the doctors up. Now I am a healthy robust woman. I wish I could tell the world what a wonderful medicine Lydia E. Pinkham's Vegetable Compound is." — Mrs. J. A. Jones, 21 Colley Avenue, Norfolk, Virginia.
