In 24 Hours Ends NEURITIS

When you've tried everything you can think of and nothing seems to relieve those aching, agonizing pains, just go to J. C. Perry Drug store or some other good druggist and get a bottle of Allenburh Special Formula No. 2. Be sure you get No. 2 which comes in capsule form, for the liquid form is a special preparation for Rheumatism.

Take these little dark green capsules as directed and notice how in about 24 hours they have considerably reduced, if not entirely banished, those persistent, nerve ranking pains that have caused you many sleepless nights. A few more doses and the pains have left you forever.

While this particular formula was compounded for the purpose of conquering painful Gouty conditions and what is known as Rheumatoid Arthritis—a knotty, painful swelling of the joints—it has proven wonderfully successful in all forms of Neuritis and Bell's Nerve Pains.

You needn't be afraid of its containing dose of any kind—it doesn't. Such things are only make-shifts and can only at the best give temporary relief.

Be sure you've got Neuritis and then get Allenburh Special Formula No. 2. Your pains will be gone before you know it. Mail orders accepted.—Adv.

Famous Old Recipe for Cough Syrup

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 3/4 ounces of Pinex from any druggist, pour it into a pint bottle, and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it sets, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract known the world over for its healing effect on membranes. Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded.
