GLISY SEEKS TO BUILD BRIDGES BY TAX LEVIES

That Fred Glisy, representing a sub-committee of a working committee appointed by the mayor of Salem, spoke out of turn at the city council meeting Monday night when he asked the council for \$500 to be used in conducting a survey to determine the extent of the proposed permanent bridge program, was asserted by Mayor J. B. Glisy this morning.

"This request should have been made to the general bridge committee, where Mayor Glisy asserts that it would have been instantly refused. The city hasn't got \$400 for such a purpose, he says.

Mayor Glisy is making a determined effort to put across a permanent bridge program to be financed by a special tax of from 2 to 3 mills a year, not by a \$339,000 bond issue, which some interests are trying to promote.

"Those in favor of a big bond issue and a sweeping removal of the present bridges and replacement with concrete permanent bridges are promoting something that the people of Salem will never stand for," declared Mayor Glisy. "I haven't given up my idea of a small special tax to create a fund similar to the sewer fund which is working so admirably. Years of service remain in most of the bridges now standing in Salem. My plan is to replace the worst of these bridges each year, as far as the funds collected from the small special tax will reach, with permanent concrete bridges. This plan will require an \$500 preliminary plan, will require no monitor bond issue, and will not plunge the city into debt."

Mayor Glisy pointed out that the interest on a bond issue of \$200,000 would build several bridges in a few years. A number of persons have already asked Mayor Glisy what use would it be to tear out good bridges with years of service yet in them, to make way for a complete system of concrete structures. Only when a bridge is worn out will it be replaced under Mayor Glisy's program.

"I want to help the taxpayers save every possible dollar," says Mayor Glisy. "I want to get this program put across this year in time to start the fund next year."

SALEM DEFEATS WEST LINN BY SCORE 29 TO 12

Crippled by the loss of two players the Salem high school won over the West Linn basketball five on the local floor last night by a score of 29 to 12. Ellis has been ill with an abscess in his throat and John Drager was out with tonsillitis. The goals were leading at the end of the half by a score of 13 to 2.

Duffy, who went in place of Ellis and Homer Lyons, who played the pivot position in the absence of Drager played excellent ball and were by far the outstanding stars of the game. Tuor and Mooty played good ball for the losers. This is the first game for Duffy and he displayed good promise for the future. Lyons is going to make a good man although he lives in West Linn. He was eliminated for the district championship by this loss.

The red and black five will play a return game with the Willamette freshmen Friday on the Willamette floor. The high school defeated the freshmen in a game played on the high school floor by a score of 33 to 24.

In a preliminary game the Salem high school seconds won over the West Linn team by a score of 29 to 17, after two extra five-minute periods were played. The score at the end of the game was 14 all. In the first minute or so of the extra time the visitors scored putting Salem two points behind but just before the time was up Salem caught a long shot which tied the score at 16 all. In the next extra period the visitors again took the lead by converting a foul but Hubert Abery went down the floor and scored four points.

In a hotly contested game played on the Parrish floor the Parrish junior high school basketball team defeated the mutes by a score of 13 to 11. Parrish played excellent ball and managed to squeeze through with the victory although

SILVERTON NEWS

Silverton, Or., Feb. 19.—(Special.)—The Silverton boys' and girls' welfare bureau, the organization of which was begun at Silverton a week ago met again this week for the purpose of discussing and adopting bylaws. A motion was also made and carried to proceed with the organization regardless of what other organization have done. Another meeting for the election of officers will be held next Monday evening. George W. Hulse is acting as temporary chairman and Harold A. Reed, principal of the Silverton high school, is secretary pro tem.

Percy L. Brown, chairman of the committee on bylaws, explained each of the bylaws as adopted by the committee. Besides Mr. Brown this committee was composed of R. E. Hearnardson, Robert Duncan, Mrs. H. B. Latham and A. O. Nelson. The committee report will be accepted.

Unlike the June graduating class of seniors the mid-year class, with few exceptions will not enter college at once. Several of the girls are taking post graduate work at the high school. Among these are Gladys Larson, Margaret Simms, Nina Robenault, Marjorie Denton, Mae Graden and Marie Bohme. Agnes Dahlen and Marjorie Skilley have gone to Portland to enter business school. Julia Hvidding will take up training at a Salem hospital. Nearly all of the boys of the class are working with the intention of entering college in the fall. Esther Towe has begun an intensive study of music which she will continue until autumn at which time she plans on entering college. Harry Larson is employed at the City meat market and plans on continuing there until fall when he

will enter the University of Oregon to study pre-medical.

Although a large number of members attended the regular Legion meeting Monday night, no business of importance was undertaken. A report was given of the party the Legion gave last week. The remainder of the evening was spent in a "get together" sing, which the Legionnaires reported they enjoyed very much.

Mr. and Mrs. Preston motored to Beaverton, Tuesday, and spent the day at the home of Mr. and Mrs. C. W. Rogers. Mr. and Mrs. Rogers were formerly Silverton residents, having a grocery store for a number of years at the present location of the Twentieth Century store. Mr. Rogers sold his business here because of his ill health. He now owns a ranch at Beaverton and, although not entirely recovered, he is considerably better than while he lived at Silverton.

Mr. and Mrs. Dedrick have taken rooms at the Heamer apartments. They plan to return to California before so very long.

Dorcas society met at Trinity social rooms Tuesday evening with Mrs. A. C. Nelson, Mrs. Bert Iverson and Mrs. Watson as hostesses. Little business of importance was discussed. It was decided to hold a food sale on the 25th of March. Reports were also made on the party to be given Saturday night. This will be in the nature of a Washington birthday party. A short program will open the evening's amusement.

BEARCATS PLAY PUGET SOUND

The tilt between the basketball teams of Willamette university and the College of Puget Sound, slated for tonight on the local floor, is hoped to be one of the closest games of the season. When the Bearcats clashed with the College of Puget Sound team at Tacoma on their northern trip they barely managed to nose out a win, playing the first game that the northern quintet had played on its own floor, the gymnasium there being newly completed.

Knute, College of Puget Sound center, is reported to be a dead shot, being able to ring up counters from nearly every angle and every spot on the floor. Blevens, who captained the football team that handed a defeat to the Bearcats last fall, is a star guard on the invading team. Aldrich is said to be doing spectacular work at forward.

Willamette will have the usual lineup, with Ericson and Egnell at guard, Hartley at center and Fasnacht and Robertson in the forward berth.

MUSSOLINI RECOVERING FROM INFLUENZA ATTACK

Rome, Feb. 19.—By Associated Press.—Premier Mussolini, who has been suffering from a slight attack of influenza, was found by his physician this morning with a temperature almost normal, and with the other symptoms of his illness, such as headache and rheumatic pains almost completely gone. These indications gave Dr. Giuseppe Bastonelli, attending the premier, the impression that the patient had passed the critical stage of his indisposition and would soon be able to leave his bed.
