

WHAT IS DOING IN LEGISLATIVE SESSION

APPROPRIATIONS AS SANCTIONED BY COMMITTEE

Exclusive of small miscellaneous items that are yet to be acted on, the ways and means committee has made known its complete list of appropriations for this session of the legislature. The list totals \$6,827,895.57, which is \$1,073,796.17 in excess of recommendations by the budget commission. This increase is not significant because of other items that have come up since the budget commission completed its work in December.

The list of finally approved appropriations follows in full:

Governor	\$ 40,000.00
Secretary of state	25,650.00
State treasurer	54,000.00
Board of control	30,000.00

Train Blown Off Viaduct

OVENCARRA VIADUCT WRECK

While crossing a trestle over a deep and wide ravine in Douglas, Ireland, a train was blown off the rails and several of the cars fell forty feet to the bottom of the valley, causing the deaths of four persons and serious injury to nine others. The victims lay for hours in the storm before help reached them. Photo shows the wreck of the train and the debris from the shattered Ovencarra Viaduct which piled down on the passengers.

THREE COLLEGES DEBATE TONIGHT

A triangular women's debate will be held tonight between Willamette university, the University of Oregon and O. A. C. Negative teams will travel. The Willamette negative team, composed of Elaine Clower and Elizabeth Fairchild, go to Eugene to meet the Oregon affirmative team there. The Oregon negative team goes to Corvallis, and the O. A. C. negative team will meet the Willamette affirmative team, composed of Caroline Tallman and Hazel Newhouse, at Salem. The question to be debated is, "Resolved: that the present immigration law should be amended to admit Japanese immigrants on the same basis as Europeans." The contest will begin at the basketball game with the College of Puget Sound, which is scheduled to start at 7:30, and will probably take about an hour's time. The Willamette women debaters have two more contests scheduled for the season, a triangular meet with Albany and Lincoln colleges and a dual debate with the College of Puget Sound. Those who participate in tonight's contest will probably represent the school in the other two debates.

Makes a Family Supply of Cough Remedy

Really better than ready-made cough syrups, and saves about \$2. Easily and quickly prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break severe coughs.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

REFORESTATION BILL DEFEATED BY HOUSE VOTE

House bill 416, providing for special low taxation on denuded lands held for reforestation purposes was voted down by the house yesterday afternoon. The vote stood 32 to 27 against the bill after a single handed fight by Representative Mott, who introduced the measure, to have it passed.

Mott emphasized the value of the timber payroll to the state. "It is nearly 85 per cent of our total payroll," he declared. "Unless some step is taken, that payroll will eventually be destroyed forever. It is impossible under the present system of taxation to induce the growing of new forests."

Representative Carkin, Woodward and Hamilton led the fight against the bill. Woodward charged that it would make "a reservoir into which speculators could dump land held for speculation."

Carkin declared the question too big to be handled in such a short space of time or in a four-page bill.

House bills passed at the afternoon session of the house included: 170, preventing the levying of inheritance tax on property which has been previously taxed within five years.

Senate bills passed were: S. B. 118—To validate certain acts of the county court of Gilliam county.

S. B. 123—Pertaining to the public service commission's authority in granting reparations.

S. B. 138—Adding to the reasons for which a grand juror may be excused from duty.

S. B. 145—Authorizing the University of Oregon board of regents to convey title of certain land to the city of Eugene on which the latter municipality is to build an auditorium.

S. B. 147—Making it the duty of the coroner to report immediately to notify the district attorney when death occurs from certain violent causes.

BRITAIN INCREASES AIRCRAFT BUDGET

London, Feb. 18.—(By Associated Press.)—Parliament will be asked to sanction an expenditure of 21,319,300 pounds sterling for the air force during the financial year 1925-26, Sir Samuel Hoare, air secretary, has announced.

This is an increase of 1,239,300 pounds sterling over last year's estimate.

While the service itself only asks 15,513,000 pounds sterling, the secretary explained, the colonial office asks 3,116,700 pounds for air use in Palestine, Trans-Jordan and Iraq, the admiralty wants 1,320,000 for the fleet arm, and ordinary appropriations bringing the total to the gross estimate given.

The secretary plans an increase in the enlisted personnel from 25,000 to 30,000 and the addition of seven more completely equipped home defense squadrons, making a total of 23. The fleet arm will be increased for additional flights.

The independent plan of America with headquarters at Memphis, Ind. The bill states that the defendant is wrongfully using the name plan, which it is asserted is worth \$1,000,000.

\$300,000 SUIT FILED BY KU KLUX KLAN

Indianapolis, Ind., Feb. 18.—Suit for \$300,000 and an injunction against the use of the name or any part of the name of the knights of the Ku Klux Klan, a Georgia corporation, was filed in the United States district court here today on behalf of the Klan, naming as defendants the independent plan of America with headquarters at Memphis, Ind. The bill states that the defendant is wrongfully using the name plan, which it is asserted is worth \$1,000,000.

MOTHER! "California Fig Syrup"

Dependable Laxative for Sick Baby or Child

Hurry Mother! Even constipated, bilious, feverish, or sick, colic babies and children love to take genuine "California Fig Syrup." No other laxative regulates the tender little bowels so nicely. It sweetens the stomach and starts the liver and bowels without griping. Contains no narcotics or soothing drugs. Say "California" to your druggist and avoid counterfeits. Insist upon genuine "California Fig Syrup" which contains directions.—Adv.

Safe for Children
Mothers everywhere demand a reliable cough remedy free from injurious narcotics. Supplying this demand for fifty years made FOLEY'S HONEY AND TAR COMPOUND one of the Largest Selling Cough Medicines in the World. Children like it. "My little boy had a very bad cough, and after he used FOLEY'S HONEY AND TAR COMPOUND he got relief at once," writes Mrs. Van Belle, Penroy, Mont. Refuse substitutes.—Adv.

Right on time
Do your shopping and visit your friends in comfort, all the year round.
And don't worry about getting home—our safety coaches are always on schedule and land you home safely, right on time.
The service is frequent, too. Should you miss the stage you intended to take, it won't be long before the next one draws up longside.

SALES OF REVOLVERS REGULATED BY HOUSE

Sales and possession of revolvers and pistols would be sharply regulated under house bill 452, passed by the house this morning. In cases of persons convicted of having concealed weapons on their person when committing a crime, an additional sentence of not less than five or more than 10 years in the penitentiary could be imposed. The bill, introduced by Representative Lerner, Multnomah county, has the approval of the United States Revolver association.

HOUSE VOTES OUT PAMPHLET USED FOR CANDIDATES

No longer will candidates have their pictures and arguments printed at state expense if house bill 309, passed by the house yesterday afternoon, becomes a law. The bill does away with the candidates' pamphlet which is distributed prior to election. Representative Carkin, Jackson county, explained the measure, pointing out that the state's expense totaled around \$25,000 for publishing and distributing the booklet. The measure in no way affects

A Raw, Sore Throat

Eases Quickly When You Apply a Little Musterole
Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain.
Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds on the chest. Keep it handy for instant use.
To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole. 35c and 65c, jars and tubes; hospital size, \$3.00.

WESTERN OILS CALLED EQUAL OF EASTERN

It is reasonably safe to state that the industry of people who will not be aware of the fact that the word "Musterole" is a registered trademark of a local representative of a California oil company. It is thought that this word has been used in some cases to describe a product that is not Musterole. A \$10 Tax On Motor Oil

That's what you pay each year—purely for prejudice—you who prefer eastern to western motor oil.

The only difference between the two is that of price. The western product costs less for two reasons: First, volume production. Second, low freight rates.

All motor oils have one thing in common—carbon. There are two kinds of carbon. All motor oils deposit one kind or the other.

One is hard and gritty. It clings and stays. It is an abrasive. It causes wear and loss of power. It requires frequent removal which means lost time and expense.

Not so with Aristo Motor Oil—a product from the finest western crude.

The residue from Aristo is soft and fluffy. Most of it blows out with the exhaust. It cannot scratch or wear. Your motor runs thousands of extra miles without a sign of carbon if you use it. Users testify to 10,000—20,000—50,000 miles.

Aristo is a perfect lubricant—the product of one of the largest and best equipped refineries in the world. That is quality insurance.

Use Aristo regularly if you want protection, and less carbon trouble, at a minimum of cost. You can pay twice as much for "Eastern," and not get as good an oil.
