## NOW DOES ALL HER WORK

Has No Backache, No Bad Feelings Because Lydia E. Pinkham's Vegetable Compound Drove Her Illness Away

Milwaukee, Wisconsin.—"I was in a badly run-down condition and I would get weak spells and terrible headaches. I felt so badly last year that I could not do any housecleaning. The minute I would lift or stoop it seemed as if I was going to fall to pieces. I told a neighbor how I felt and she said that Lydia E. Pinkham's Vegetable Compound was four bottles then and in the fall of the year I took three. I had been treated by a doctor but he gave me an iron tonic and that did not help me. It seemed that the tonic did not have in it what the Vegetable Compound did. That gave me the strength and ambition I needed and I have gained in weight. This year before I started to clean house I got four bottles of the Vegetable Compound and am taking it right along. I tell all my friends about it and how much good it does me. They can notice it because I have gained in weight. I weigh 118 now and do all my work myself again."

Mrs. EMIL O. BRANDENBURG, 651 57th Street, Milwaukee, Wisconsin.

Members, workers and friends of the Auburn Sunday school will be welcomed at a social evening at the home of Mr. and Mrs. Charles Cady on Friday evening February 20.

## Mr. Harry Goble Tells How Cuticura Healed Eruptions

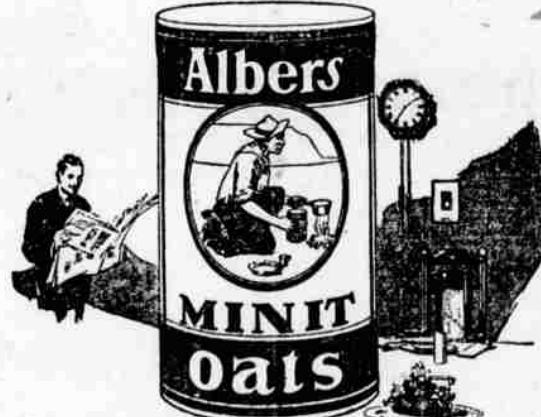

"My back began to itch and burn and a rash of small pimples broke out across my shoulders. The pimples were hard and red and scaled over, and would break and scale over again. They itched and burned causing me to scratch until my back was covered with sore eruptions. The eruptions were so sore that when I lay down I could not get a bit of sleep."

I read an advertisement for Cuticura Soap and Ointment and purchased some. In a few days I got relief, and after using three cakes of Soap and one and a half boxes of Ointment I was healed."

(Signed) Harry Goble, Lexington, Neb., July 5, 1924.
