## For weak Run-down Condition!

THE DOOR of opportunity flings wide its portals only to the man who is up and doing—who is filled with pep and punch—with rich, red blood tingling through his system. Mountain size obstacles dwindle to ant hills and ambitions become accomplishments to these sort of men.

Where is the employer who seeks the man who is physically run-down? The man without stamina to withstand the knocks and gaff of the hurrying, scurrying world of business?

S.S.S. is the long established and time honored creator of red-blood-cells. You cannot expect to get very far up the ladder unless you are equipped with a body that is strong and vigorous. S.S.S. will start you on your way. Don't allow the "Door of Opportunity" to be closed to you because you have not the stamina to withstand the gaff—because your nerve power is lacking. Build up your system!

S.S.S. made of carefully selected and scientifically prepared and proportioned herbs and barks makes you fit! Get back that old time punch! When opportunity knocks be ready to answer the call!

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

No! There is Nothing Just as Good! I KNOW because my have used Resinol Ointment ever since our physician first prescribed it years ago. It has never failed to stop itching and relieve skin irritations at once, and usually clears away the trouble in short order.

In thousands of homes Resinol enjoys this same enviable position because it soothes its way into the skin and attacks the real root of the disorder. It works quickly, yet its action is gentle. It costs little and goes a long way. Ask your druggist for Resinol when you want a safe skin treatment.
