Rheumatism

"Yes! it's all gone."

DO NOT close your eyes and think that health, free motion and strength are gone from you forever! It is not so. You can get rid of your rheumatism by building up your blood power. It is a fact that rheumatism means "blood poverty." It is a fact with the increase of red cells in your blood, impurities are destroyed. It is a fact that S.S.S. will help Nature build these red-blood-cells! S.S.S. is one of the most powerful blood cleansers in existence. Its results in thousands of rheumatic cases have been nothing short of amazing. The medicinal ingredients of S.S.S. are purely vegetable. This is very important to remember! What can be more inspiring, more wonderful than to see the shackles of pain released from your struggling body, swellings, lingering pains, stiffness of joints and muscles all disappear; your stomach made strong; your face pink with the old sweetheart glow, your blood enriched and your cheeks more plump as they used to be. You can do it! Take S.S.S., the great destroyer of rheumatic impurities.

The exclusive Fontana way of making, converts the starch into a wholesome element. FOURTH, taste the richer flavor. It's always present, even when you "warm-up" left-overs.
