DALLAS FIRE DEPARTMENT TO ENTER FAIR

Dallas, Or., Feb. 27.—The Dallas fire department is planning a big time for Wednesday, March 11, when they will take over the Dallas armory for a public initiation of members. The initiation will take the form of a public entertainment and show, the proceeds from which will go toward helping in securing equipment and other things for the department.

The Corvallis fire department has promised to send down a team under Chief Graham to put on the work. The Corvallis boys have, at on the show both at home and abroad—and have assured the Dallas firemen that it will go over big.

The fire department boys are busy now rounding up new material and they expect to have from 15 to 20 candidates to work upon.

Numerous stunts will be included in the initiation and barrels of excitement.

ALL SILVERTON GREET'S NILSSON

Silverton, Or., Feb. 27.—That "no prophet is accepted in his own country," certainly does not apply to Siguna Nilsson. Not that Mr. Nilsson is a prophet. He is a basso, a member of the DeKeszka quartet which sang at the public audition at Portland last night.

Silverton is Mr. Nilsson's "own country" and a few years ago, before he went east to study intensively, his voice was well known by Silverton folk. Since then he, with the other three DeKeszka singers, has toured Europe, singing before European royalty and being a guest of Mary Garden at Monte Carlo. And Silverton's verdict at the home concert Wednesday night was unanimous—"It hasn't spoiled him."

Mrs. Gertrude Cameron, another local artist, accompanied Mr. Nilsson. Mrs. Cameron's interpretation of the accompaniment and her ability to understand the mood of the singer added greatly to the enjoyment of the concert.

CHARLEMAGNE'S OAK UPROOTED BY STORM

Paris, Feb. 27.—"Charlemagne's oak," five centuries old and one of the largest and most ancient trees in the forest of Fontainebleau, fell a victim of yesterday's violent storm. The oak continued today, and according to the weather man, the end is not in sight.

The fate of the famous oak was but one item in a long tale of trees uprooted and houses unroofed in all parts of the country.

A tragedy occurred near La Rochelle, where only four out of a crew of 18 were rescued from the stranded Spanish steamship Cristina-Rueda.

Seven members of the life saving station corps were drowned when their boat capsized while trying to reach the steamer on Wednesday.

MILL CITY ORGANIZES BOHEMIAN BRASS BAND

Mill City, Or., Feb. 27.—At a recent meeting, the Bohemian band, which has been practicing for about a year now, formally organized with the following officers being elected: Vladie Dvorak, leader; Ed Vrapeta, president; Anton Morvarec, vice-president; Howard Penner, secretary, and Frank Hada, treasurer. A system of dues and fines for members who fail to attend practices was instituted. The funds of which will be used to purchase music and other necessities. Several dances are being planned to secure funds to purchase uniforms. A band of this nature is an asset to the town and will be encouraged by all its citizens.

Rheumatism

All the old aches given quick, genuine relief

Pat a little Sloan's lightly over the aching place. Instantly it sends freshly-purified blood tingling through the infected joints and muscles. You feel a gentle, glowing warmth, then—almost suddenly—release from pain. All druggists—35c.

GRAND RONDE GARAGE ATTACHED AND SOLD

Dallas, Or., Feb. 27.—An execution has been secured by John C. Baumgardner, Grand Ronde garage man, for the \$1350 damages awarded him by a jury for personal injuries in a civil suit tried in the January term of court. When Sheriff Hooker went to Grand Ronde this week to attach the property he found that two chattel mortgages have been placed upon it by the Grand Ronde bank and the Standard Oil company, while the garage has been sold to a Willamina man.

It is thought that a compromise agreement will be reached by the three major creditors and that the affair will be settled. In addition a suit was filed Tuesday by the Kelly-Springfield Tire company against Baumgardner.

SPECIAL ELECTION IS APPROVED BY HOUSE

The house late yesterday afternoon passed house bill 517, introduced by the ways and means committee, authorizing a special election on the first Tuesday after the first Monday in August, 1925, in case any referendum measure is involved. The bill carries an appropriation of \$15,000 for expenses.

It was explained that threats had been made to invade the referendum on the tobacco tax.

Should an election be called, then all measures referred to the people by the legislature would be acted upon at that time.

UNABLE TO IDENTIFY D'AUTREMONT SUSPECTS

San Francisco, Cal., Feb. 27.—Southern Pacific agents who went into Mexico to view two men arrested at Esperanza, under suspicion that they are Roy and Ray D'Autremont, wanted for the Siskiyou tunnel holdup in Oregon, had not reported to headquarters here today. Officials are not certain that the men apprehended in Mexico are the fugitives wanted.

PNEUMONIA USUALLY STARTS FROM COLDS

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. Well known Dr. H. H. G. writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a prominent physician noticed that a tribe of Indians in Nevada, by the use of a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital over-seeing the "death" cases. Few of the results went to the world and for some time it was not possible to supply the demand.

BALSAMEA is a pleasant syrup. It gives circulation in a pleasant way. It soothes the inflamed membrane and relieves irritation. It increases secretion of mucus and permits easy expectoration. It stimulates pores of the skin in throwing off body poisons and it strikes at the cause quickly checking virus action.

Do not confuse it with ordinary balsam cough syrups that are full of useless drugs and do not go to the base of the trouble. Other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe.

Be sure you get BALSAMEA with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell BALSAMEA. In Salem buy it from J. C. Perry drug store—Adv.

BEARCATS WIN FROM BADGERS SCORE 31 TO 17

The stiff fight that had been promised by the Pacific basketball quintet failed to materialize when the Badgers met the Willamette team on the local floor last night. The visitors were left far behind from the time the first whistle blew, and the final count stood 31 to 17 in favor of the Bearcats.

The most noticeable feature of the clash was the playing of "Bank" Hartley, Willamette center. He undoubtedly put up his best game of the season, showing some of the stuff that was predicted for him last year.

The game was rough, numerous fouls being called on both sides.

The winning of last night's title saved Willamette from a snug collar berth in the northwest conference percentage column, leaving that position for Pacific, which has gone through the season without a single win.

Only one more game remains on the Bearcats' schedule, a clash with the University of Southern California on the local floor being slated for next Monday night. The game will not affect northwest conference standings, as the visitors are members of the Pacific coast conference.

High Plays at Corvallis.

The Salem high school basketball five will have a hard game when they meet the Corvallis quintet on the Corvallis floor tonight. The red and black five took a decision over them in a

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and cills the germ.

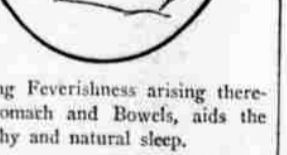

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote, or to the attack, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic cough and colds, bronchial asthma, catarrhs, bronchitis and other forms of throat and lung troubles, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist Creomulsion Co., Atlanta, Ga. (Adv.)

BURDICK APPOINTS FOREST STUDY BOARD

Speaker Burdick yesterday announced the appointment of R. H. Caples, Portland; E. G. Bates, Seaside, and J. H. Driscoll, Klamath Falls, as his appointees on the commission named to study reforestation and make recommendations for laws on the same to the next legislature.

CHILDREN CRY FOR FLETCHER'S CASTORIA

MOTHER:—Fletcher's Castoria is especially prepared to relieve Infants in arms and Children all ages of Constipation, Flatulency, Wind Colic and Diarrhea; allaying Feverishness arising therefrom, and, by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.

To avoid imitations, always look for the signature of *Dr. J. C. Fletcher*. Absolutely Harmless—No Opium. Physicians everywhere recommend it.

FOUR BILLS FAIL TO GO OVER VETO

Governor Pierce was sustained by the house yesterday afternoon on a number of vetoes against measures passed by the 1923 session. One bill would have created a state finance commission. Another would have called for the appointment of a public administrator for Multnomah county. A third, house bill 379, would have appropriated funds for the eradication of certain injurious rodents.

The house failed to pass senate bill 128 over the veto. The measure would have abolished the office of constable in Multnomah county.

O. A. C. Game Postponed.

According to telephone communications with Bob Boardman, physical director of the Y. M. C. A., the Oregon Agricultural college faculty and the Salem business men will meet in the volleyball game as scheduled, but on March 17. Due to the overcrowded program the business men of the Salem Y. M. C. A. thought it best to postpone the game. The two teams met two years ago with the Salem team coming out on the losing end of the score—and the Corvallis team thinks that it is their time to win.

Dallas vs Independence

Dallas, Feb. 27.—Independence and Dallas high schools, old time rivals, clash at basketball tonight in the new Dallas high gymnasium. The game is expected to be a good one as Independence defeated Dallas by a narrow margin recently. The Independence and Dallas girls teams also play.

QUICK STARTING SHELL GASOLINE

Four marriage licenses have been issued by County Clerk Hugh G. Black. They follow: Frank Miller, 29, Toledo, and Addie Ruth Global, 22, Suver; Vansel N. Busch, 22, Coalburg, California and

Hena C. Bennett, 23, Dallas; Robert P. Jahn, 24, Grand Island and Mabel Worth, 21, Grand Ronde, Ore.

and Louis L. Mueller, 24, Valsetta; and Ethel E. Reinhardt, 18, Valsetz.
