## Fifty million cups have proven this new blend!

THERE'S one supreme test for any coffee. That's the "home test." Coffee blenders, experts, tasters, may all give their opinion, but the crucial test after all is in the home.

Coffee is the pivot of the meal. It either makes or spoils many a breakfast, lunch or dinner. It *must* be genuinely good, day in and day out, to win continuous home approval.

The new blend of Crescent Vacuum Packed Coffee has passed this "home test" with no uncertain results. In a year's time fifty million cups—50,000,000 fragrant, steaming cups—have tried, tested and proven its unusual quality.

When we perfected this new blend we predicted its quick popularity. We knew it was *right* through and through—a blend of only the world's choicest coffees, selected, roasted and packed with infinite care.

So sure were we of its quality that we set a definite goal of doubled sales in two years. And *today*—in half the time allowed—the goal is passed, with sales steadily increasing. Crescent Vacuum Packed Coffee has "struck twelve" in thousands upon thousands of homes in the Pacific Northwest.

This popularity can mean *only one thing*—that more and more people are constantly finding complete coffee satisfaction through the use of this new blend. Its rich flavor, body and aroma have won new and lasting friends.

In the morning ask your grocer for a tin of Crescent Vacuum Packed Coffee. Compare it with other coffee. Test it carefully and critically. You'll understand then the reason its sales have *doubled*—and you'll buy again.

### Do This After Severe Illness

How to Speedily Gain Strength and Put on Needed Weight.

Nothing like the wonderful vitalizing vitamins in Cod Liver Oil to help convalescing people to quickly get strong and well—everybody knows that.

But nobody wants to take the ill smelling, horrible tasting, stomach upsetting oil itself, so nowadays, up to date medical men are ordering a tablet of Cod Liver Oil and it surely has proved a blessing to thousands of people who have been sapped of their natural strength after a severe illness and especially after the Grippe or a stubborn cough or cold.

Ask J. C. Perry, Central Pharmacy, D. J. Fry or any regular druggist for a box of McCoy's Cod Liver Oil Compound Tablets. They cost but little, are sugar coated and as pleasant to take as candy.

Skinny men and women take them to speedily put on plenty of good healthy solid flesh and for this purpose they are so extremely good that thin men and women often take on 5 pounds or more in 30 days. As a matter of fact, your druggist will return your money if you don't take on 5 pounds in 30 days.

Great for weak skinny, backward run down children, too, and gives them a hearty appetite.

Be sure and ask for McCoy's, the original and genuine Cod Liver Oil Compound Tablets—40 Tablets—50 cents.—ADV.
