SALEM DEFEATS CORVALLIS WITH SCORE 24 TO 17

The Salem high school basketball team defeated the Corvallis quintet on the latter's floor last night by a score of 24 to 17. The game was hotly contested with the Corvallis players leading most of the first half. The score at the end of the half stood 14 to 15 in favor of Corvallis, but the locals came back strong in the second half. Bob Drager scored for Salem in the first minute of play and gave Salem a two-point lead which they were unable to keep as Rawlings and Tippery made three successive baskets and a foul and the first quarter ended 7 to 4 in favor of Corvallis.

In the second quarter Salem came back and took the lead but Corvallis again took it away from them.

Salem gained the lead in the first few minutes of play in the second half and kept putting them in from all angles, scoring eight points in the third quarter, the score standing 22 to 15 in favor of the red and black in the next quarter both sides made a field goal. My close checking the locals smothered the Corvallis five and let them down with only two points in the second half, that coming in the last two minutes of play.

Ellis started for the locals with 16 points to his credit. Heenan, for the first time this year, failed to make a point. He had hard luck on several of the shots and the rest of them were hurried so fast that it was impossible to take them.

Heenan made most of the points against Corvallis in the game at Salem and they watched him like a hawk. The game was featured by excellent checking on both sides, Salem was handicapped by the small floor.

Olinger, who took Ashby's place, played stellar ball. He played the floor well and checked closely. He promises to be a good player for the rest of the season and next year will more than likely be a regular. The local's play tonight when they met the Silverton five on the local floor. Oregon City was scheduled for a game but it has been cancelled leaving Silverton as the only team between Salem and the District championship. Salem gave them a trouncing on the Silverton floor and the locals are not expecting a hard game tonight.

Hillsboro has a strong team as they defeated McMinnville and won the right to represent that district in the state tournament. Phillips, guard for the Parrish team, was high point man with 11 counters to his credit. Hoag, center for the locals, played a brilliant game but the rest of the team failed to support him.

Constantinople, Feb. 27.—The Turkish military operations against the rebels under Shiek Said in Kurdistan will, it is reported, be directed by General Ismet Pasha or Kemal Eddin Pasha. The government has ordered a partial mobilization in Anatolia, calling up reservists in the Vilayets bordering on the rebel area.

(The Kurdish rebels are reported to have proclaimed Prince Selim, son of the former Sultan Abdul Hamid, as king of Kurdistan. Prince Selim may be the "caliph" referred to in the circular issued by the insurgents.)

CONSTIPATION means PREMATURE OLD AGE

Inflammation, abscess, gangrene, appendicitis, auto-intoxication, numberless deadly diseases and shortened life, all come from constipation. Fastening is injurious. Food is an aid to bowel action. Cathartic pills, "salts," mineral waters, and a long list of "drugs" are decidedly bad and an aggravation. Allowing the bowels to become clogged is worse.

Dr. Caldwell's SYRUP PEPSIN
The Family Laxative

—promptly relieves constipation. It is different from pills or purgatives. It does not gripe, pain or purge. It acts easily and in a natural way, just as Dr. Caldwell intended when he prescribed it years ago. For 30 years it has relieved America's suffering. A liquid combination of Egyptian senna, pepsin and pleasing aromatics. One dose relieves and as Nature asserts its action the doses may be gradually reduced.

Pleasant To Take Gently Compels Health

—last year 10,000,000 bottles were used which shows people recognize its value. As effective for babies as old people, for adults as children. Syrup Pepsin quickly brings relief to the most severe cases of constipation and the doses may be gradually reduced. It is sold everywhere medicine is sold—and guaranteed. Try it at our risk. Your druggist will return your money if it fails to do as promised.
