Daughters Of the Nile Entertain

The first social affair sponsored by the Salem club Daughters of the Nile was a delightful event of Saturday evening when the Salem Daughters entertained their husbands at a five hundred party at the home of Mr. and Mrs. William McGilchrist, Jr.

Eight tables of players were seated about the living rooms of the McGilchrist home and at the close of the evening a comparison of scores showed that Mrs David Wright and George Duneford had won high honors.

Gold, green and white, the Daughters of the Nile colors, were used throughout the decorative plan and as the color note in the refreshments. Lovely daffodils were combined with spirea and fern in the living and dining rooms. An additional dash of color was given with the red carnations placed in a large silver bowl in one corner of the large living room.

The guests and hostesses of the evening were Mr. and Mrs. Walter Buchner, Mr. and Mrs. George Duneford, Mr. and Mrs. P. A. Elker, Dr. and Mrs. Ellis, Mr. and Mrs. C. J. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

Three Generations Kept Healthy and Happy

"Beecham's Pills were always considered indispensable by my parents during sixty years of married life and I am never without them in my home, as they are used when required by myself (aged sixty-one), and wife and children. This covers a period of over eighty years.

My wife and sons also believe there is no remedy for constipation and biliousness equal to Beecham's Pills.

So many so-called "cures" for biliousness and kindred troubles leave after effects that are certainly injurious, but Beecham's Pills give prompt relief and leave one in a healthy and happy condition." N. J. M. Ramsay, N. J.

ECZEMA

You will be compelled to admit that the results of S.S.S. are really amazing!

MANY people imagine that eczema or tetter needs only some external application on the skin in order to get relief. This is because the attention of the sufferer is so violently directed to the intense burning and itching which accompanies this disease. Try as they may—permanent relief will never be theirs until the disease laden blood is thoroughly cleansed.

We know there is one thing that stops eczema and that is more red-blood-cells! S.S.S. builds them by the million! You can increase your red-blood-cells to the point where it is practically impossible for eczema to exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it. Skin eruptions, eczema, with all its fiery, skin digging torture, and its soul-tearing, unreachable itching, pimples, blackheads and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting giants of Nature! S.S.S. builds them by the million! It has been doing it since 1826.

S.S.S. is one of the greatest blood-cell builders, blood-cleansers and body strengtheners known to us mortals! When you put these facts together,—then to continue to have eczema and skin eruptions looks more like a sin than a disease. S.S.S. contains only vegetable medicinal ingredients. Because S.S.S. does build red-blood-cells, it routs eczema, clears the skin, builds firm flesh, fills out hollow cheeks, and gives you that more up and going appearance.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.
