New Way to Quickly Stop Worst Cough

A remarkable new and simple method for treating a cough gives relief with the first doses and usually breaks a severe cough in 24 hours.

The treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You take just one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. People have been astonished how quickly the coughing stopped with this new treatment, and the whole cough condition goes in a very short time.

This prescription is for coughs, chest colds, hoarseness, bronchitis, spasmodic croup, etc. It is excellent for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. All good druggists. Ask for

It's No Laughing Matter when your hair starts to fall

It may seem so at first, but premature baldness is no joke, and while it can be prevented, it is seldom cured.

At the first symptom of trouble, usually dandruff or itching scalp, give the head a thorough shampoo with Herculide Tar Soap. Follow this by an application of Newbro's Herculide carefully rubbed into the scalp. If the hair does not rub too vigorously at first, wait until Herculide has had a chance to revive natural hair-

strength and vigor. By continuing the Herculide applications two or three times a week and the shampoo about once a month, you can positively eradicate dandruff and prevent premature hair loss. Thousands of men and women have received permanent benefit from this treatment and a single trial will convince you of its merit.

For a generous sample of Newbro's Herculide and an interesting booklet on "The Care of the Hair" mail in either stamps or coin to The Herculide Co., Dept. 40, Detroit, Michigan.

Says Greatest Rheumatic Medicine In all the World

Hundreds of Bottles Being Sold Declares Perry's Drug Store Who Guarantees It and Is Dispensing It To Many Sufferers In This Vicinity

"It does not matter to me whether you are disabled with cured rheumatism or have only occasional twinges," says James H. Allen, of 26 Forbes St., Rochester, N. Y. "I know that Allenchu, my own discovery, will stop the agony, do away with the gnawing pains and reduce the swollen joints."

"I know it will dissolve the uric acid deposits that have become deeply imbedded in joints and muscles and quickly drive every trace of rheumatism from your body. I know this because I was crippled for years and many times was unable to work, and Allenchu made a well, robust, healthy man of me."

"I know because since I cured myself, hundreds have taken Allenchu and speedily rid themselves of this agonizing disease."

Allenchu is no lazzard; it starts right in at once; it gets into the blood, searches out the poisonous uric acid deposit and in two days starts to drive the concentrated impurities that cause rheuma-

ism, out of the body through the natural channels. "The blessed relief this marvelous prescription quickly gives has made for it thousands of friends," says Perry's drug store who has been appointed agent in your city.
