## P-T ASSOCIATION TO HOLD COUNTY MEET IN APRIL

Silverton, Or., March 6.—(Special.)—The Silverton Parent-Teachers' circle is making extensive preparations for the county convention of the parent-teacher's association which will meet at Silverton on April 9. The Silverton circle is particularly desirous of making this an interesting meeting as it is the first of its kind to be held outside of Salem.

A fine program has been prepared by the program committee of which Mrs. Helen Wrightman of Silverton is chairman. She is assisted by Mrs. Joan Hobbitt of Silverton and Mrs. Rose Abbott of Salem. The program will be given at the Eugene Field auditorium and the Silverton association extend a cordial invitation to all who are interested in the work of the parent-teacher's association.

Mrs. Wrightman, chairman of the program committee, has received word that Mrs. George Perkins, state president of Portland and other state officers will be present at the meeting. Mrs. Perkins will preside at the round-table discussion at noon. The subject to be discussed will be "Parent-Teacher's Problems."

Mrs. Cecil Wenderoth of Salem is president of the county association.

The 17th annual convention of district No. 4 of the Hebekah lodge will be held at Silverton on March 21. The local lodge is making interesting plans for the affair. It was at first planned to hold the convention in April but the state president, Mrs. Mary D. Moss of Lakeview, Oregon, wrote that she would pay her visit to Silverton on March 21 and hoped the convention would be at this time. Twelve lodges of the district will be represented at the convention. Two sessions will be held, one in the afternoon at the Odd Fellows hall and one in the evening at the Eugene Field auditorium. A six o'clock dinner will be a part of the program.

Trinity Ladies' Aid society was entertained at Trinity social rooms Wednesday by Mrs. B. Tinsdale and Mrs. W. E. Dahl. At the business meeting delegates were elected to represent the society at the woman's federation meeting to be held in conjunction with the Lutheran circuit meeting which will be held at St. John's church the latter part of this month. This meeting comprises the different Lutheran churches of Oregon and part of Washington. The delegates elected at Trinity Aid society were Mrs. Albert Sather and Mrs. Levi Goplerud.

Mrs. Heige Rue is quite ill at her home on North Water street. She is being cared for by her daughter, Mrs. Clara Baltimore.

Mr. and Mrs. Richard Hansen,

## Rheumatism

"Good-bye old crutch!"

THERE IS positively no longer any excuse for suffering the agonies of rheumatism! Especially in the autumn of your life, when the vital organs weaken, impurities multiply and linger in the muscles and joints, as never before. It is now, just now, when you cannot afford to guess. No day returns!

Here is a joyous fact which can mean to you a fond farewell forever to all the miseries, the tortures, the body-twisting pains that you have suffered from the demon of rheumatism. It is a fact that rheumatism means "blood poverty." It is a fact with the increase of red-cells in your blood, impurities are destroyed. It is a fact that S.S.S. will help Nature build these red-blood-cells! S.S.S. is one of the most powerful blood cleansers in existence. Its results in thousands of rheumatic cases have been nothing short of amazing! The medicinal ingredients of S.S.S. are purely vegetable. This is very important to remember! What can be more inspiring, more wonderful than to see the shackles of pain released from your struggling body, swellings, lingering pains, stiffness of joints and muscles all disappear; your stomach made strong; your face pink with the old sweetheart glow, your blood enriched and your cheeks more plump as they used to be. You can do it! Take S.S.S., the great destroyer of rheumatic impurities.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

## CHANGE NAME OF DALLAS CHAMBER

Dallas, Or., March 6.—The name of the Dallas Commercial club was changed to the Dallas Chamber of Commerce at the regular monthly meeting held last night at the club rooms. The change was made without opposition on motion of Eugene Hayter.

Partial reports from the membership drive committees indicated that the support of the club would exceed that of the previous year. Only a few members have dropped their membership and a number of new ones have been added. Practically a full report was ready, with the exception of the industrial district, where the canvass has not been completed.

Chester Maulding is another Silverton boy who has found employment at Toledo. A great number of Silverton boys are employed at the lumber mills and camps at Toledo.

Silverton farmers are busy sowing grain and clover. Many report that their grain withstood the hard frost in the early part of the winter while others say they find they have to re-sow nearly all their grain.

C. O. Coffe injured his hand while cranking a car Wednesday. Mr. Coffe cut his hand on the license plate necessitating the taking of three stitches.

Edwin Hattberg of Pratum has been working at the home of his father, O. Hattberg of Paradise, during the past few days.

## NEEDHAM IS NEW EXALTED RULER

W. I. Needham, of the First National bank, was last night elected exalted ruler of Salem Lodge No. 336, B. P. O. Elks. Election to that office is an unusual distinction this year because of the dedication of the new Elks temple, which will be an event of the year and because of the part the Salem lodge, as the second largest Elks organization in the state, is to take in the entertainment of the national Elks convention in Portland in July.

Other officers elected last night were: Leading knight, O. L. McDonald; loyal knight, Milo Hassmusson; lecturing knight, Frank W. Durbin Jr.; secretary, Harry J. Wiedmer; treasurer, Jacob Fuhrer; Tyler, A. L. Frazier; trustee for three years, E. W. Hazard; representative to grand lodge, Dr. C. B. O'Neill, retiring exalted ruler; alternate representative to grand lodge, Charles R. Archer.

## PLAN BASEBALL LEAGUE OF SIX POLK TEAMS

A six club baseball league in Polk county to play Sunday and holiday games is being promoted by Bert Thomas of Valestz and by Bert Babb of Valestz, former star pitcher for the Oregon Aggies. Replies to a questionnaire sent out by the Valestz people have come from: Dallas, Monmouth and Amity, reports Mr. Babb, and all are favorable to the formation of such a league.

Independence has not yet replied to Mr. Babb's letter, but as a strong team is usually formed there, it is expected that this town will fall in line. Falls City will likely be the sixth team in the league.

## MT. ANGEL TOSSERS TO PLAY SEATTLE COLLEGE

Mt. Angel College, March 6.—Mt. Angel college's undefeated basketball team will take a trip to Seattle in order to play return games with the College of Puget Sound and Seattle college. Besides these games the manager has arranged for several others, of which the tangle with the Seattle K. C.'s will no doubt be the most closely played.

The team will return to Portland in time to play their old rivals, Columbia university, Friday evening, March 13, the return game of which will be staged on the Mt. Angel college gym floor, March 15. These games with Columbia are looked forward to as the most spirited and decisive contests of the season, for Mr. Angel took the state non-conference championship from the very teeth of Columbia last year.

**How a new blend doubled former sales!**

It WAS only after months of exhaustive tests that we perfected the new blend marketed as Crescent Vacuum Packed Coffee.

We searched the coffee markets of the world—we tested again and again for flavor, for aroma, for body, for color. Then every detail of grinding, roasting and packing was given vigilant attention.

The response was immediate! The new blend "struck twelve"! Within a year sales doubled and demand continues to increase.

You'll find this new Crescent blend a rich, fragrant coffee. Many people tell us it is the best they have ever used. We know positively that it has no superior on any market at any price.
