One of the most delightful dinners of the week was given Tuesday evening when Mr. and Mrs. Paul Hendricks were hosts at an eight cover dinner in their home.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creosolium, an emulsified creosote that is pleasant to take. Creosolium is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creosolium contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creosolium is guaranteed satisfactory in the treatment of chronic cough and colds, bronchial asthma, catarrhs, bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist Creosolium Co., Atlanta, Ga. (Adv.)

The American Association of University Women have announced the showing of the fourth production in their "better films" campaign. As the result of their efforts to secure a better quality of films three of the American Chronicles, the Yale university film series, have been shown at local theaters during the past three months. Their latest success is the scheduled showing of "Abraham Lincoln" at the Oregon beginning March 12, and for the two days following.

"Abraham Lincoln" was more than two years in the making.

## BUILDING A TOOTH

Good teeth are built out of vital foods. Building a tooth is not the simple process it seems. Nature regards it so important that she takes a long time to perfect one.

## Scott's Emulsion

supplies elements needful to aid normal growth and construct sound bones and strong teeth.

A food- tonic of rare value, Scott's Emulsion gives the best results when taken regularly after meals. Try it.

Scott & Bowne, Bloomfield, N. J.

and at times as many as 2500 people appear in the cast. It deals with the life of Lincoln from his birth, through his boyhood, the presidency and the strife of the Civil War, depicts the surrender of Lee and shows life in Washington after the war and finally his assassination.

The production has been hailed as an artistic and dramatic sensation by the national press and is generally conceded to be one of the most important pictures ever brought to the screen.

George Hillings, considered to be a perfect likeness to the famous national hero, plays the title role, and Ruth Clifford is seen as Anne Rutledge. Nell Craig is Mrs. Lincoln. These are the principal figures in the remarkably fine cast. "Abraham Lincoln" was directed by Phil Rosen. Frances Marion wrote the scenario and supervised the editing. The picture was produced by Al and Ray Rockett.

## HELP FOR NERVOUS WOMEN

It has often been said that only a woman can understand what nervous women endure. Most cases of nervousness, sleeplessness, mental depression, headache, backache, fretting and worrying have their origin in some feminine ailment that will readily yield to Lydia E. Pinkham's Vegetable Compound. It is a simple remedy made from roots and herbs, which for over forty years has been restoring women of America to health and strength. Merit alone could have stood such a test.—Adv.
