The Salem high school basketball five won over the Alpha Phi Delta frat team of the Willamette university Saturday afternoon by a score of 41 to 24. The game was fast although it was featured by poor passing on both teams. John Draper, center for the red and black five, was high point man of the game with 15 markers to his credit. He failed to get started until late in the second quarter. Ellis was second high man on the Salem five with 11 to his credit. Stenipher of the Willamette five was high man for his team with 12.

The Salem high school second team won over the Independence high school second team on the Independence floor Saturday night by a score of 18 to 14. The game was fast and hard fought throughout with the score tied at 12-all at the end of the game. In a five-minute overtime period both teams registered a field goal but Salem sank another with only five seconds of the overtime period left for the winning marker. Salem won over the Independence five in a former meeting on the Independence floor by a score of 11 to 10.

The Jason Leo Pioneers basketball team lost to the Willamette Pioneers by a score of 14 to 1. The game was top-sided as far as the score was concerned but the game was one of the best played on the F. M. C. A. floor this year. Anderson Byrd played exceptionally good ball. He has been playing in top form all season and is declared to be the best all-around athlete of the Salem Y. M. C. A. among the Pioneer club. In another basketball game the Daniel Boone Pioneers defeated the Lincoln Pioneers by a score of 5 to 2. The game was slow with neither side having any advantage.

### WOODBURN HIGH TOPS SILVERTON

Silverton, Or., March 9.—(Special.)—One of the fastest games of basketball played at Silverton this season was that of Friday night when Woodburn won over Silverton high school, 29 to 8. Both teams started off with a rush and no scoring was done during the first few minutes. Then Silverton converted a foul and the one point was alone on the board for another few minutes. Woodburn then converted a foul. Throughout the first half the two teams took turns about making points by fouls. At the close of the first half the score was six to seven for Woodburn.

During the third quarter Woodburn picked up, making a few brilliant baskets. Silverton seemed unable to find themselves throughout this quarter. In the last few minutes of the game Silverton again picked up but was by then hopelessly behind in points.

The Silverton girls had an easy victory over the Woodburn girls in a game played before the boys' game. The score was 24 to 8. One of Woodburn's first string players was injured in the first quarter, thus putting Woodburn at a disadvantage.

Two clubs, according to word from the champion's training camp at Tampa. President Griffith smoothed out another uncertainty in his pitching force yesterday, when he came in terms for a one-year contract with Veon Gregg, the veteran who was purchased after the close of last season from Seattle.

It was the first time in many years that the glee has been won by the freshmen. The freshman song was entitled "Willamette." The words were written by Louise Findley and Earl Pemberton; the music was written by Louise Findley. The freshmen sang an original stunt in introducing an orchestra as part of their number.

A violin solo was given by Miss Helen Selig. Between the junior and sophomore song a reading, entitled "The Heart of an Average Man," by Anthony Euwer, was read by Miss Sadie Jo Reed. After the last contesting class had sung its song, Miss Melton played a piano solo, "Hungarian Rhapsody No. 12," by Liszt.

The presentation of the freshman glee pennant to the freshman class was made by Professor James T. Matthews of the university. As a result of winning the contest the freshmen will be allowed to place a silver sash, bearing their numeral, on the streamers hanging from the pennant.
