

MITCHELL SAYS HE WILL REMAIN IN ARMY SERVICE

Milwaukee, Wis., March 12.—With the view of winning his fight for a unified air service, "an air service of 50,000 fighting planes," Brigadier General William A. Mitchell, will remain in the army, he told friends here last night, denying the rumor that he would seek a new career in congress.

"I haven't even thought of quitting," the general declared. "I'm going to keep on talking until America wakes up. And I expect to see a unified service within two years. My demotion, oh, that's nothing at all."

The general expressed his satisfaction with the interest that congress has taken in the air problem.

"The trouble lies with the army and navy," he declared. "They don't want to see a change."

The general and Mrs. Mitchell are spending a week at the old Mitchell home here. The general has no immediate plans for the future, but expressed his hope of being transferred to the Chicago area when his demotion to a colonelcy takes effect.

SPECIAL MASS SAID FOR AMERICAN PILGRIMS

Rome, Mar. 12.—The members of the American holy year pilgrimage from Boston, together with a considerable number of tourists and American residents of Rome, gathered in the Vatican this morning to enjoy the honor of a special mass celebrated for them by Pope Pius.

Their number was so great that an altar was erected in the Cical hall especially for the event.

Cardinal O'Connell, the head of the pilgrimage and the members of his staff occupied the chief places. When the pope appeared the assembly knelt and all followed the papal mass with religious fervor.

Afterward Cardinal O'Connell delivered an address.

Changes In Postal Rates Take Effect April 15, Is Order

It is of the utmost importance that postmasters, postal employees and patrons of the service become thoroughly familiar with these in order that the proper amount of postage may be paid and collected on mail. Failure to do so will cause confusion, annoyance, delay and inconvenience to mailers and impose upon the postal service unnecessary labor and expense.

The outstanding features of these changes are as follows:

- 1.—The change becomes effective April 15, 1925.
- 2.—The rate of postage on all post cards (not government postal cards) will be 2 cents each, whether they bear written or printed matter. This rate will also apply to each portion of double or reply post cards. The postage on the reply half need not be affixed thereto until it is detached and mailed for return. This includes all cards within the size for post cards, whether or not they bear the words "Post Cards" or "Private Mailing Card." Cards bearing these words even though not within the size for post cards, will be chargeable with 2 cents postage each if in print or the letter rate if wholly or partly in writing.

There will be no change in the rate of postage on Government postal cards nor on any other mail of the first class.

3.—On and after April 15, 1925, mail of the third class will embrace all matter now included in the third and fourth classes up to and including 8 ounces in weight, while the new fourth class will include all matter formerly in the third and fourth classes over 8 ounces in weight and not exceeding 76 pounds in the first and second and third zones, and not exceeding 50 pounds when mailed for delivery in any of the other zones.

4.—The rate of postage on all matter embraced in the new third class will be 1½ cents for each 2 ounces or fraction of 2 ounces up to and including 8 ounces in weight, except that the rate on books, catalogues, seeds, cuttings, bulbs, roots, cacti and plants shall continue to be 1 cent for each 2 ounces on parcels not exceeding 8 ounces in weight.

5.—The present fourth-class pound rates according to distance or zone will apply to all matter weighing more than 8 ounces, except that of the first and second classes, and in addition thereto there will be a service charge of

Don't Suffer With Piles

No matter if you have had piles for years, Pyramin Pile Suppositories give you the relief you want from the pain, itch, strain, bleeding and soreness of protruding piles. Get a 50-cent box today at any drug store. You will then know why Pyramin is the national coast-to-coast reliance.

2 cents on each parcel, except upon parcels originating upon rural routes, such charge to be prepaid in the same manner as the regular postage. Parcels mailed on rural routes should be indorsed "mailed on rural route" in order that the parcels will show that they are exempt from the service charge.

6.—Parcels to be given special handling will be chargeable with the regular fourth class rates together with the 2-cent service charge and 25 cents additional postage on each parcel, all to be fully prepaid by stamps affixed. Such parcels should be prominently indorsed by the sender "special handling" preferably in the space immediately below the postage stamps and above the address.

7.—The permissible written additions to mail of the third and fourth classes, respectively, may be placed on either third or fourth class matter or on both.

8.—The provision of paragraph 6, (b), section 463, postal laws and regulations, permitting the acceptance of sealed parcels for mailing at the fourth class rates of postage, when they bear the prescribed printed return card of the sender and the indicia as to contents and opening for postal inspection, will be applicable to all third class mail except circulars and other miscellaneous printed matter.

9.—Perishable articles of the third class may be forwarded or returned rated with the postage therefor to be collected on delivery in the same manner as perishable fourth class mail.

10.—All matter subject to the increased rates on and after April 15, 1925, must bear the required postage. If mailed under permit without stamps affixed, in accordance with the provisions of section 463, postal laws and regulations, the permit indicia must, of course, show the proper amount of postage paid.

Why Millions of Mothers Now Rely Upon Vicks

Modern mothers know that too much dosing is harmful to a child's delicate stomach. Vicks comes in salve form and is applied externally—can be freely used without the slightest harm.

For croup and children's colds you just rub Vicks over throat and chest and cover with a warm flannel cloth. The ingredients—Menthol, Camphor, Eucalyptus, Thyme and Turpentine—are released as vapors by the body heat and inhaled with every breath all night long. At the same time Vicks is absorbed through and stimulates the skin like a poultice or plaster.

Colds go overnight, croup is generally relieved within 15 minutes.

BODY OF MISSING FINANCIER FOUND

Council Bluffs, Iowa, March 12.—The body of E. A. Wickham, 58, war time contractor and financier of Council Bluffs, for two days the object of an almost nation-wide search, was found late last night hanging by a rope fastened to the ceiling of an unused basement in his home here, by Leo Wickham, a brother, and police captain, J. C. Shafter.

Apparently Mr. Wickham has been dead since he returned from a walk Monday noon, the last time he was seen alive, but his disappearance was not discovered until he failed to answer a call to dinner that evening.

Immediately the alarm was sent out and a search, in which officers of Iowa, Nebraska and Illinois were asked to participate was instituted.

YOUNG ALBEE WEDS AGAIN

New York, March 11.—Reed A. Albee, son of E. F. Albee, automobile magnate, was married last Friday to Frances Cotter, 17 year old salesgirl of Jersey City, N. J. It was learned today. They were married by a magistrate in Jersey City.

Albee was divorced three weeks ago by Louise Williams, an actress.

A Cough Remedy Without Opium

Many cough preparations contain some one or more harmful drugs which are added to take the place of opiates. None of these narcotic substitutes have ever been used in POLEY'S HONEY AND TAR COMPOUND. The name of every ingredient is plainly printed on every carton. You know what you are taking when you take Poley's. It clings to the throat. Good for old and young. You have a cough, why not try it. Refuse substitutes.—Adv.

TRANS-PACIFIC AIR MAIL SERVICE PLANNED

Manila, P. I., March 12.—(By Associated Press.)—A Manila branch of the National Aeronautical association of America was organized here today for the purpose of obtaining air mail service from San Francisco to Manila by way of Honolulu and Guam.

The association plans to bring to the attention of President Coolidge, Secretary Weeks and Willbur and other government officials, the need for a trans-Pacific aerial mail service. An attempt will be made also to bring about a flight of the dirigible Los Angeles to Manila. The Manila organization plans close co-operation with the Honolulu unit in the promotion of the trans-Pacific mail service.

Stanley Williams, manager of the International Banking corporation, was elected president of the organization perfected today.

MICHIGAN SOLONS ASK WARREN CONFIRMATION

Lansing, Mich., March 11.—The Michigan house of representatives today adopted a resolution favoring the confirmation of Charles B.

Simple Way To End Night Coughing

No matter how long you have been troubled with excruciating coughing at night, robbing you of valuable sleep and thereby weakening your system and laying you open to dangerous infections, it can usually be stopped at once by a very simple treatment. Most people have found that they can sleep the whole night through undisturbed often the first time they try it.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing, without following with water. The prescription has a double action. It not only soothes and removes the phlegm and congestion which are the direct cause of the coughing. The result is you usually sleep soundly the very first night, and the entire cough condition goes in a very short time.

The prescription is for coughs, chest colds, hoarseness, bronchitis, spasmodic croup and almost every throat irritation. It contains no opiates or other harmful drugs. Economical, too, as the dose is only one teaspoonful. On sale at all good druggists. Ask for

Guarantees His Prescription To End Rheumatic Pains And Reduce Swollen Joints

Money Back Says Perry's Drug Store If One Bottle of Allenru Doesn't Make Any Rheumatic Sufferer Rejoice

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours

Perry's Drug store and every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if ALLENRU, the cure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished even in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Allenru relieves at once. Im-

mediately after you start to take it the good work begins. It searches out the acid deposits, dissolves the secretions and drives rheumatic poison out of the body thru the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen of 26 Forbes St., Rochester, N. Y., the discoverer of ALLENRU, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless ALLENRU decisively conquers this worst of all diseases, and he has instructed Perry's Drug store and druggists everywhere to guarantee it as above in every instance. If you live out of town ask him to send you full particulars.—Adv.
