Children To Plant Famed Tree

To the Children of the American Revolution will be given the honor of planting, with due ceremony, a black walnut tree which has been grown from a nut from a tree planted by Washington's own hands on his country estate at Mt. Vernon. The planting on the court house lawn will take place next Monday at four o'clock under the direct supervision of Chernetka chapter, Daughters of the American Revolution.

The vigorous little tree, four years old, has been carefully tended by Mrs. Isaac Lee Patterson and it is her desire that it shall be known as the "children's tree." Patriotic ceremonies with the officers of Chernetka chapter leading will attend the formal planting. There will be music and short addresses by Mrs. Patterson.

During the time that Mrs. Patterson was state regent of the Daughters of the American Revolution she organized the Children of the American Revolution in the state and Salem has the second chapter, the other being in Portland. Mrs. James Heltzel is president of the Salem group having under her charge the following members: Virginia Best, Clayborn Dyer, William Dyer, John McCullough, Edna Raymond, John Wilson, Donald Wilson, Elsie Raymond, Elwood Raymond, Orville Raymond, Dorothy Rullison, Robert Rullison and Maureen Styles.

Among those waiting for their membership papers are Sam Harrison, Sonny Spears, Annabelle Lawley, Helen Raleigh, Jane Harrison, Margaret Helms and Grace Elizabeth Holman. Members of the "C. A. R." must be between six and twenty one years of age.

Clears Complexion

"Oh! how clear and beautiful your complexion is today, my dear!"

THERE is a certain joy—a certain pride—in knowing you are admired, whether it be from father, brother, husband or sweetheart! And back of that joy is the satisfaction of knowing all is well.

Men are fascinated by the charms of beauty. Women gaze with envy, secretly jealous, perhaps, wondering—hoping—praying for that attractiveness which is not theirs. But why the wondering—the hoping—the praying for that craved for attractiveness—that clear skin—that beauty. A clear skin—is the barometer of one's condition. A healthy skin radiates beauty. Pure, clean blood means a clear skin.

S.S.S. is wanted to help you. It will rid your blood of its impurities and give you that clear complexion. Since 1856 S.S.S. has been ridding people of blood impurities, from pimples, from blackheads, boils, eczema and from rheumatism, too. Because S.S.S. is made from fresh herbs and barks. It may be taken with perfect safety. Try it yourself. You will not only look better, but you will feel better, too.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

"Kellogg's ALL-BRAN is the only thing that relieved me of constipation"

Beware of the dangerous diseases which are constipation's toll.

Constipation is dreaded, not only for its insidious self, but for the serious diseases which may be traced to it. Mr. Palladon tells us the helpful story of his relief:

Doing hard work while constipated brought on piles, from which I suffered for two years. I tried almost every remedy without success. Finally I tried Kellogg's ALL-BRAN and it has made me fit again. It is the only thing that helped me and I want everybody to know about it.
