Thought 3 Little Children Needed Mother's Care

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself but did not want to leave my three little children who needed a mother's love and care. A cousin in California wrote me about May's Wonderful Remedy and I took a course of it. I have since been entirely well." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere.—Adv.

Like A Knife Thru the Heart

That's how the sharp, shooting pain caused by gas pressure feels to the average sufferer. Many people endure it, thinking the heart is affected, when in reality the stomach is at fault. To get rid of the pain you must prevent the formation of excessive gas in the stomach and bowels. This may be done quickly and safely by taking Baalman's Gas Tablets before and after meals.

Baalman's Gas Tablets are used throughout America for the relief of gas and evils resulting therefrom. They contain no dope—no harmful drugs of any kind. Anyone can take them. Relief is usually given in a few minutes. Leading druggists carry Baalman's Gas Tablets. The genuine comes in a yellow package. Price \$1. J. Baalman, Chemist, San Francisco. The best sympathy

It is only human for a funeral director to feel sympathetic in the presence of bereaved patrons. But it is real sympathy when he recognizes an obligation to see to it that the highest character of burial equipment is furnished at honest prices. Such a policy has been responsible for the success of this concern.

Typical of the burial equipment furnished by us is the Clark Grave Vault, recognized as a leader in the vault industry, because it gives positive and permanent protection.
