P-T Council To Meet In Silverton

The first meeting of Marion county council of parent teacher associations during the new year will be held in Silverton on Saturday, April 4, when the Silverton association will be hostess to all parent teacher organizations in the county. The invitation has been extended by the hostess group to include also all interested in community welfare such as local community clubs although they are not affiliated with the county council.

An attractive program has been arranged by the Silverton association under the advice of Mrs. Cecil E. Wenders, president of the county organization and a member of the Highland association. Music by the Silverton high school orchestra will open the session at ten o'clock in the morning. Business reports of delegates and election of officers will follow.

A series of drills and folk dances by the Silverton pupils will open the afternoon session. Dr. Walter H. Brown of the Marion county health bureau, and John L. Brady will deliver the main addresses. Musical numbers planned are vocal solos by Mrs. S. E. Richardson and selections by the Silverton orchestra.

Luncheon will be served at noon in the lunch room of the Eugene Field auditorium where all the sessions will be held. Each visiting association will furnish something with the Silverton group furnishing hot dishes. Salem Heights and Highland associations will contribute salads and all other cakes and sandwiches.

Mrs. Fritz Slade is hostess today to members of the Monday bridge luncheon club at a one o'clock luncheon in her home followed by an afternoon of bridge. Mrs. John H. Carson and Mrs. Earl Flegel of Honolulu, are the special guests.

Club members in the group are Mrs. Harry Hawkins, Mrs. T. A. Roberts, Mrs. Curtis Cross, Mrs. Prince Byrd, Mrs. Arthur Rain, Mrs. Hugh McCammon, Mrs. Erce Kay, Mrs. E. M. Hefer, Mrs. Frank Spears, Mrs. Dan Fry, Jr., and the hostess, Mrs. Slade.

Mrs. H. H. Ollinger and Mrs. Edward Gillingham were the guests for several days last week of Mr. and Mrs. Ralph Watson at their home in Portland.

The school session program given Friday afternoon by the women's society of the First Baptist church was greatly enjoyed by the large number of women attending.

The reading class taught by Mrs. Earl Flegel brought out many interesting missionary thoughts and important facts concerning the need for missions were emphasized by the class in

writing taught by Mrs. Harry E. White. Miss Mina Gile with her arithmetic class proved the value of the budget dollar, showing the many ways in which the dollar is used in both home and foreign missions.

The geography class under the supervision of Mrs. Theodore Roth took the principal, Mrs. O. B. Neptune and the guests on an interesting trip to our various mission districts while Mrs. Ernest H. Shanke had her history class well prepared to enlighten the audience upon the history of the women's missionary organization.

It was reported that John D. Rockefeller, Jr. had made a gift of over \$400,000 to the women's home and foreign societies, also a gift of \$225,000 to the undesignated fund of the general society and has offered another \$225,000 if the society will raise as much as was raised in the past year which was \$6,156,000.

The devotional part of the program was much enjoyed with Mrs. Ben Eilers leading and Mrs. Theodore Roth and Miss Mina Gile rendering a pleasing duet. A social hour followed, Mrs. E. M. Bailey, Mrs. Earl Barham, Mrs. J. F. Latham, Mrs. Harry Ralph and Mrs. C. Munding were hostesses for the occasion.

—to have a good APPETITE!

"Yes! thank you."

A GOOD appetite means a cheerful disposition.

You may have a good appetite if the blood that goes constantly to your vital organs is pure. S.S.S. purifies the blood—a good appetite follows and you have a clear complexion and will be strong, cheerful and healthy.

Don't go on feeling up one day and down the next—hardly sick but never well—losing "pop," punch and ambition. Hearty eaters are the red-blooded men and women. Enjoy your food! Get back your strength and energy! Reclaim yourself before it is too late! People in a physically rundown condition are an easy prey to disease.

S.S.S. is what is needed. Your blood needs purifying. Your blood-cells supply the energy which keeps your body well and fit. S.S.S. aids Nature in supplying new red-blood-cells—the spark that renews your system. Carefully selected, scientifically proportioned and prepared herbs and barks make up S.S.S.—the great blood purifier which gives Nature a helping hand.

Get back the lost appetite, the missing vitality, the keen, sparkling eyes, that look of determination. S.S.S. will give you more energy, vitality and vigor and a more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

PRINTED FROCKS

Glorious Spring Is Evident in These New Fashions

WHEN have fashions ever approached these for beauty and youth? Never, as far as we can judge! Simple, it is true, but with a simplicity that is the height of chic and good taste. The jewel tones and pastel shades vie for favor. The one and two-piece frocks are close rivals. Prints and plaids express their joy. The ensemble is smarter than ever. Such a collection—we can't attempt to describe it. You had better see it for yourself.

Spring Has Come To the Fashion Salons

IT'S SPRING HERE. Joyous, colorful spring. At least, as far as fashions are concerned. And if you're tired of winter, drop in and feast your eyes on their fresh beauty. The two-piece sports frocks. The harmonious ensemble. The vogue of kasha cloth. The brightly colored coats. Pastel tints in all fashions and fabrics. All have a place in this presentation, so if you would see what is new and smart, see these.

1818 FIRST AVENUE
Spokane, Washington

Westers Auto Supply Co., Spokane, Wash.
Gentlemen:

We are writing to let you know of the wonderful service that your tires are given on our cars. We have five cars, three of which are delivery cars that travel over all kinds of roads day in and day out.

About a year ago we started using your Western Giant Good tires and we find them to be the best tires that we have ever used. They are completely different from the tires we have used before. Most of the tires we have used have many flats, usually have blown out the sidewall before the tread was anywhere near gone.

With your tires over many bad roads, we are getting around almost without a service call. It is indeed gratifying to know that we can get tires that give us this kind of service.

Yours very truly,
