

FOUR WILDCATS CAPTURED NEAR DETROIT BY LEE

Four wildcat skins, one of them the skin of an exceptionally large animal, were brought into the county clerk's office today by Anton Lee of the Detroit country. Lee captured all of these animals in traps. Lee last spring killed a wildcat with a gun, the cat having been tamed by his dog when the animal was discovered making a meal on the carcass of a doe deer.

"There is no question but the wildcats do heavy damage to the deer up in our country," said Lee. "The female cat I killed last spring, caught in the act, is evidence of that."

Incidentally Lee got in just in time with his wildcat hides, as this morning County Clerk Hoyer received a notice from the state game commission that from April 1 on the bounty on wildcats paid by the state will be reduced from \$3 to \$1.50. The notice states that bounties on wolves and cougars will remain the same, \$25 each. At the present time the state pays the \$3 bounty in addition to the \$2 bounty paid by the county. The county bounty will remain the same.

All wolf hides submitted for bounty money are turned into the county clerk to be sent to the game commission for identification before the bounty is paid, but hides for cougars and wild cats are kept by the person killing them. It is stated there are a few cougars up in the Detroit section and strong efforts are being made to get them, not only because of their deer-killing ability, but to collect the larger bounty.

AUTO TOP SHOP TAKES OVER PAINTING PLANT

T. C. Wood, operating Wood's Auto Top company has just recently purchased the auto painting shop of W. J. Anibal and will operate the same under the name of Wood's Auto Top company painting department.

On account of the poor health of Mr. Anibal's father he is leaving the middle of June to go east and take over his father's business interests. Until he leaves he will be in charge of the paint shop and will conduct and turn out the work on the same basis of merit as in the past. Upon his leaving, the shop will be in charge of Ed Brown, who has been with Mr. Anibal for the past four and a half years and who is thoroughly capable of operating the shop and turning out the same high quality work as Mr. Anibal.

Mr. Wood has for a long time anticipated the opening of an auto painting shop as an almost necessary part of their business of auto top building and repairing. He points out that in every city the auto top and painting line is combined and all shops where real first class work is done both are handled in conjunction.

FORD TO MAKE PLANE MOTORS, ANNOUNCEMENT

Detroit, Mich., March 20.—The Detroit Free Press today quotes Edsel Ford, president of the Ford Motor company, as saying that his company will go into the production of airplane motors as soon as experiments in progress at its laboratories are completed.

Mr. Ford also is quoted as saying that construction will be started at once in the Ford airport of the largest dirigible mooring mast in the world, to be constructed at a cost of \$75,000 for the mooring of the Shenandoah and Los Angeles or any other craft of similar or greater size.

WOMAN'S SECRET OF BEAUTY

Beauty lies in the care a woman bestows upon herself and in keeping at bay those dreaded ailments peculiar to her sex, which drag her down and leave telltale traces upon her countenance. Sparkling eyes, the elastic step and a clear complexion never accompany organic troubles. Distressed expressions, a sallow complexion, dark circles under the eyes, lassitude, headaches and mental depression are the telltale symptoms of women's ailments.

Women so troubled should not lose a day in taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, the most successful remedy known to overcome woman's ills and restore health and beauty.—Adv.

STUDENTS WILL PRESENT COMEDY

"The Charm School," a three-act comedy by Alice Duer Miller, will be presented by the Snikpoh dramatic society of Salem high school in the high school auditorium tonight. The play is crowded full of laugh provoking incidents, and presented by a talented group of young people who have practiced faithfully for several months. It promises to be an outstanding attraction among local productions.

The plot is built around the incident of a young man falling heir to a young ladies' school and attempting to introduce some of his ideas into the school curriculum, with highly amusing results. The play is produced here by special arrangement with the Samuel French company of New York. Daryl Myers and Miss Maureen Styles take the leading parts. Leroy Grote acts as manager.

From the profits of the production the sum of \$50 is to be given toward the proposed basketball trip of the high school team to Chicago.

FORMER EMPRESS VERY ILL

Brussels, March 20.—Former Empress Marie Charlotte, widow of the Emperor Maximilian of Mexico, is gravely ill of the grippe, and little hope is held for recovery in view of her advanced age. She is 85 and for many years has resided in a chateau near Brussels. She has been visited in her illness by King Albert, who is her nephew.

Resident Has Awful Experience

"I was twice confined in hospitals, in the last one nothing but gruel water was injected into me 4 times a day, as my stomach would not retain any food. I suffered terribly, was reduced to a skeleton. My folks saw an ad of 'Mayr's Wonderful Remedy' and it has surely saved my life. I weigh 150 lbs. now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere.—Adv.
