Reports of the splendid hospitality accorded them by the hostesses chapter have been brought back by the ten members of Chemeketa chapter who attended the state convention of the Daughters of the American Revolution which was held in Astoria on Thursday, Friday and Saturday of last week. Chemeketa representatives were Mrs. Russell Collins, regent, Mrs. Homer Gouley, Mrs. H. T. Love, Mrs. W. H. Byrd, Mrs. Frances Cornell, Mrs. A. A. Underhill, Miss Frances Richards, Mrs. U. G. Shipley, Mrs. La Moine Clark and Mrs. A. D. Hurley. Another Chemeketa member, Mrs. Elmo S. White, state secretary, was present throughout the conference.

In addition to the business meetings the Astoria group entertained their guests at a round of lovely teas, receptions, luncheons and dinners. Mrs. J. A. Buchanan was chairman of the hospitality committee. On Thursday the Seaside Woman's club entertained the entire group at tea. On Friday the daughters were the luncheon guests of the Astoria chamber of commerce. Following the dinner Friday evening the Friday Musical club of Astoria entertained the assembly at a delightful program.

Mrs. E. C. Apperson of McMinnville today was elected state vice regent by the annual Oregon conference. She succeeds Mrs. A. A. Finch of Astoria, who will resign from the state and be re-elected her office.

As the officers of the conference held office for two years, no further officers were elected today.

Before adjourning at noon today, the conference accepted the invitation of Mrs. Fletcher Linn, regent of Multnomah chapter of Portland, to meet in the Rose City in 1926 the guests of Multnomah chapter.

Guided by the wire presiding of Mrs. Seymour Jones, state regent, the conference concluded its business quietly and on time at noon today. Mrs. Jones in her concluding remarks thanked the delegates for their earnest spirit, their courtesy and their attention and added her thanks to that of the conference for the work of the Astoria chapter and the hospitality of the city.

Most of the delegates left for their homes on the early afternoon train, a special car being provided for their use.

Last night the conference banquet was held in the Hotel Astoria with the state regent acting as toastmaster. Following the dinner, the D. A. R. assembled on the mezzanine floor of the hotel, given over entirely to their use, and were delighted with a concert presented by the Friday Musical club.—Astoria Budget.

tion close its sixth year with the meeting in Portland, and the usual attractive ceremonial will be followed out of having a mammoth birthday cake which will be distributed afterward to the many hundreds of delegates.—Portland Journal.

Sixty eight girls have been assisted in obtaining higher education by the Oregon Federation of Women's clubs during the last ten months and a notice to presidents of the federated women's clubs of Oregon by Miss Jessie McGregor, chairman, states that contributions to the scholarship loan fund of the federation have come in unusually well this year and the board members are highly gratified with the interest and support evinced. Many clubs, in response to the "red letter day" appeal, have increased their contributions substantially over those of last year, in many cases doubling them. As the number of applicants for loans has also increased materially, this generosity has enabled the board to carry on the work satisfactorily. Miss McGregor states. Added to the 58 girls assisted in the last ten months, other applications are still coming in for the spring and summer terms.

Last year several clubs did not mail their contributions until too late to show on the annual report, and there are still a few organizations whose checks have not been received. This year it has been closed for auditing May 1 and all contributions should be in the chairman's hands by the last of

April to be included in the annual report, it is announced. Checks may be sent to Miss Jessie McGregor, 1899 Klickitat street, Portland.—Oregonian.

A business meeting of the Salem Arts league will be held tomorrow evening at 7:30 at the library.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

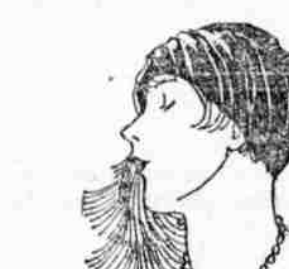

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without tripping, pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

Callouses Get rid of them this safe, sure way. Stops the pain at once. As they and their cause.
