II SCHOOL NINE SCHEDULES 14 BASEBALL GAMES

Fourteen games for the Salem high school baseball nine have secured to date by Manager Heenan of the high school. The high school will play an average of three games a week, a pretty tough schedule for a high school. Prospects for a good team are bright this year as the locals will have all of the veterans of the last year nine back in uniform with the exception of John Caughill, star receiver for the school, and Harold Busck, who was at the initial sack last year. Several men are turning out daily during the good weather and they will probably be rounded into shape by the time the season opens.

The high school will be handicapped somewhat as they will not have Coach Hawthorn with them while he is in Chicago with the basketball team. Several of the basketball men are also aspirants for berths on the nine. Dennis Heenan, who is a forward on the state champion five, is a clever man at third and his services will be a big loss for a while. Bob Drager, guard for the Salem five, is going to try out as a catcher and John Drager will more than likely be out in the outfield.

It is also mentioned that Wesley Ellis, who is also on the basketball team is going out for pitcher. Several who might be in a position to know, claim that he has lots of stuff and would make a good showing besides adding strength to the team. Fabry, last year's pitcher, is working out and will be able to curve them over by the time the season opens on April 11 with the Chemawa Indians.

The schedule as arranged to date is as follows: April 11—Chemawa Indians at Chemawa; April 24, Silvertown at Silvertown; April 25—Albany at Salem; May 1—Newberg at Newberg; May 2—Chemawa at Salem; May 9—Eugene at Eugene; May 12—Newberg at Salem; May 15—Silvertown at Salem; May 16—Corvallis at Salem; May 19—Amity at Salem; May 22—Albany at Albany; May 23—Corvallis at Corvallis; May 29—Amity at Amity; June 6—Eugene at Salem.

Several other games are being arranged. Heenan has written to Lincoln and they want a game with the high school next week. Franklin high school of Portland and Washington, also of Portland, have failed to answer Heenan's letters for games. He is also making efforts to get games with Commerce of Getland.

ARABS PROTEST AGAINST BALFOUR

Jerusalem, March 25.—(By Associated Press.)—The Mohammedan and Christian Arabs closed their shops today and ceased work on the occasion of the arrival of the Earl of Balfour as a protest against the famous declaration which he issued as foreign secretary committing Great Britain to the support of the establishment of a Jewish homeland in Palestine.

The Arabs also withdrew all vehicles from the streets. No disorders have been reported. Lord Balfour on his arrival proceeded to the government house as the guest of Sir Herbert Samuel, the high commissioner.

In the mixed quarters of the old city the Jewish shops remained closed, while the Jewish quarter proper probably half of the shops were not opened.

Some Arabs seen on the streets wore black ribbons while the headquarters of the Arab committee was draped in mourning.

A THIEF IS COMING

SILVERTOWN NEWS

Silvertown, Or., March 25.—(Special.)—J. W. Hyett, Otto Legard and Seth Beebe, working as a committee from the Delbert Reeves post of the American Legion, are taking up with the government the matter of furnishing the families of the deceased soldiers of the late war with headstones. The government supplies the markers and the American Legion committee is getting those necessary for this community.

J. F. Peterson has gone to Portland to work. Mr. Peterson is an iron worker.

PAVING CONTRACT IS LET AT DALLAS

Dallas, Or., March 25.—J. C. Compton of McMinnville, the only bidder appearing, was awarded the contract to pave two blocks on Lyle street at a meeting of the city council Monday night. His price is about \$11.50 a yard and will run approximately 2 cents a yard higher than the paving laid in Dallas last year.

The total contract calls for \$4617.26. It is probable that work will be started early in April and the job will take only a short time to complete.

A remonstrance was presented from property owners on Oak street against the laying of a concrete sidewalk on the fill of the old mill race, asking that the fill be made in 1925 and the walk a year later. City Engineer Semon stated that a sidewalk fill could be relied upon. The remonstrance was over-ruled and the improvement will be included in the schedule of walk contracts soon to be let. The improvement for three blocks on Stump and Birch street was fixed at 20 feet from curb to curb, macadam street. The narrow width was agreed upon because some of the adjoining property would not stand a full width assessment. It is probable that the walk line in this section will be brought out 10 or 15 feet on either side from the property line, allowing an additional lawn or yard space.

Several other games are being arranged. Heenan has written to Lincoln and they want a game with the high school next week. Franklin high school of Portland and Washington, also of Portland, have failed to answer Heenan's letters for games. He is also making efforts to get games with Commerce of Getland.

ASK SHEPHERD BE GIVEN BAIL

Chicago, March 24.—(By Associated Press.)—Counsel for William D. Shepherd, under indictment charged with the murder by typhoid inoculation of his foster son, William N. McClintock, argued today that the constitution requires that bail must be granted in all cases except capital offenses where the guilt is evident.

There was not the slightest evidence, said William Scott Stewart, representing Shepherd in the case of "Billy" McClintock, the orphan millionaire, the bulk of whose estate was left by will to Shepherd. "That the youth's death was caused by any criminal agent."

FARM SETTLERS DECLARED NEED

Portland, Mar. 25.—More farm settlers are headed toward Oregon this year than ever before in the state's history, according to W. G. Ide, manager of the land settlement department of the Oregon Development fund.

Farmers are coming as a result of the publicity campaigns of the past two years by the Great Northern, Northern Pacific and Burlington railroads, the Portland chamber of commerce and other agencies, said Ide.

He has received a list from the general agricultural development agent of the three Northern rail lines containing names of 2380 prospective settlers.

SPEEDING SWAIN GETS TANGLED UP WITH LAW

Dallas, Or., March 25.—Ralph Manchester of Corvallis, an Oregon Agricultural college student bound for Monmouth to see his best girl, had a rude disillusionment Monday afternoon when he found on entering Monmouth that he had been racing Sheriff T. B. Hooker at a 50-mile pace from the top of the Helmick hill. He was released on his own recognizance and agreed to send his plea to Justice of the Peace Court.

FIGHTERS WAIT TAP OF GONG IN ARMORY BOUTS

When Johnny Goggins of San Francisco steps into the ring at the armory tonight for the scheduled ten-round main event with Charlie Dawson he will be fighting his 65th battle. Goggins has set as a sparring partner of Harry Willis and Pinky Mitchell. He has met "Gunner" Smith, Babe Ross, Buster Flynn, Sailor Gilroy, Squeaky Harris and Jew Diamond, all of these being eliminated by the knockout route.

Goggins has gone through several 20-round battles and a ten-round event seems like child's play to him. Last summer Goggins won the inter-mountain light-weight championship from Buster Brandon at Butte, Montana.

Since he first began fighting in the ring arena he has totaled in that time did he taste defeat via the knockout route. In both of these cases he was outwitted and put up a strenuous fight before he finally took the count.

Bill Hunt, Salem fireman will also meet Chan Butler in a six-round battle. As a special event, Babe McCormick will meet Billy Robbing of Portland. "Kid" McCormick was originally scheduled for the match but due to an injury to his back he will not be able to come, but his brother has been substituted. His brother is as good as he is, if not a little bit better, and the fans will very likely receive the price of admission in this fight.

The fight will start at 8:30 and is under the sanction of the Salem boxing commission.

DOLLY QUARTIER AGAIN SOUGHT BY OFFICERS

Portland, Or., March 25.—Dolly Quartier, central figure in innumerable police incidents, again came foul of the law yesterday. Police began a search for her, which was not successful at a late hour last night, when a warrant charging larceny by bailor was sworn out by Mrs. L. L. DeJornette.

Mrs. DeJornette alleged that the Quartier woman had stolen a quantity of her household goods. Dolly, under an assumed name, and Mrs. DeJornette recently became acquainted, the story went. They had decided to rent a home together and had moved her furniture to the place.

Mrs. DeJornette became aware of Dolly's identity and went to move out her furniture, but found it gone.

HEAD-ON PARKING PLAN IS FAVORED

By a vote that was practically unanimous the Salem Kiwanis club voted in favor of the head-in parking system for the city of Salem at the meeting of the club this noon. At the same time the club went on record as favoring the change from a one-hour to a two-hour parking limitation.

Charles E. Potting, Presbyterian minister of Ridgway, Penn., gave the main address of the meeting. His subject was "What Kind of a Man Are You?"

"There never was a day in the history of the world when there was a greater need of people who think," he stated. "It's the fellow who gets out of the old rut who really starts the new enterprises."

GOATS EAT MASH; TOWN MARSHAL IS ROUTED

San Francisco, Cal., March 25.—Eight goats disturbed traffic at Mount Eden, a town near here yesterday when they became intoxicated after eating a quantity of moonshine mash. The animals rammed several persons, including women in the main thoroughfare while Deputy Marshal Clem Stokes was force to flee to a watering trough for safety. The owner of the goats was located finally and he led his drunken charges home.

Those Floors of Yours! RUBBER CEMENT FLOOR PAINT

EVERY home-keeping, home-loving woman has, sometime, wondered: "How can I have soft-wood floors that are as inviting as hardwood—clean and bright—and easy to keep that way? I mean bed room floors, halls, closets, bath rooms, in fact, all the busy 'up-stairs' places."

A properly painted surface is the answer. Such a surface must be as indifferent to soap suds and water, and as willing to part with soil and stains, as a dinner plate—with almost cement-like resistance to scuffing shoes, pounding heels and sliding, scraping furniture.

Rubber Cement Floor Paint provides soft-wood interior floors with the surface that satisfies your most exacting ideas of good home-keeping. Easy to apply, it dries over night, forming a bright, porcelain-like surface in any one of several attractive colors. Made by Fuller—the result of 76 years' experience.

Ask your Dealer. And don't forget to write for our free book, "Color Harmony in the Home." It is your guide when painting floors, walls and woodwork. Illustrated in color and suggests color schemes.
