BALLOT TITLE ON MOTOR BUS TAX REPEAL FIXED

Attorney General Van Winkle has completed the ballot title for the measure referring to the people the motor bus bill passed by the 1925 legislature imposing a tax on motor vehicles used for transportation of passengers and freight. The referendum is being invoked by the Oregon Motor Stage Association and the Auto Freight Transportation Association. The purpose of the measure as stated in the ballot title is: "To levy taxes upon the use of motor vehicles in transporting persons and property for compensation upon the public highways of this state, and appropriating such revenue to the payment of expenses hereof or hereafter incurred for construction, maintenance, repair and reconstruction of highways; providing for the supervision, regulation and control of such motor vehicle transportation; conferring jurisdiction over the same upon the public service commission; providing for enforcement and penalties for violations of the act; and repealing chapter 10, General Laws of Oregon, special session of 1921, and chapter 305, general laws of Oregon of 1923."

For rent, 6 houses, two flats. All vacant, \$20 to \$40. Becke & Hendricks, U. S. bank bldg. 72*

ROTARIANS VIE FOR GOLF CHAMPIONSHIP

Portland, Or., March 25.—Rotarians of district No. 1 including the Pacific Northwest and British Columbia, who finished the business of their annual convention today yesterday, were today engaged in their annual golf tournament. Portland Rotarians will win the cup in 1923 and 1924 and if they win today will possess the cup permanently.

Edmund W. Campbell of Seattle was elected president late yesterday, subject to confirmation at the Cleveland international convention. Victoria, B. C., won the next convention district No. 1. Cook Bay captured the second prize went to Mount Vernon, Wash. Astoria, Or., third, and Nelson, B. C., fourth. Vancouver, B. C., won the stent cup for its pageant "The Golden Dawn" which was presented Monday night.

Church Union Killed.—The Baltimore conference of the Methodist Episcopal church in South voted today against unification of the northern and southern churches, 141 to 137.

THE HIGH SCHOOL LADS LEAVE THURSDAY AMPLE FUNDS

(Continued from page one) coming down shortly after the tournament, but it had been hoped that he would recover in time to go east with the rest. "I hate to go without Olinger," said Coach Huntington this morning. "He's a good man." Nash, another strong substitute, will be taken on the trip. The decision to take him was reached today. He has been somewhat under the weather due to an attack of appendicitis, but has recovered. It is said. The remainder of the squad includes Heenan and Ellis, forwards; J. Drager, center; R. Drager and Aubrey guards. Substitutes will be Nash, Duffey and Jerome Hansen, who takes Olinger's place. The 9 players, with their equipment, will be taken on the trip by the group of 9 who are to go on the trip.

It has been stated that the Salem team is to take the longest trip of all the high school teams that are entered in a national tournament at Chicago. The distance between Salem and Chicago is far other than the distance from any other point in the United States, with the exception of the southern state, which is represented at the national meet. California has no undisputed state championship team.

Leaving Salem Thursday afternoon on the Oregon Electric railway the team will arrive in Chicago Sunday night. The players will rest themselves, and work out a few times on the University of Chicago floor on Monday. The tournament is slated to start on Tuesday, March 31, and last on Tuesday, March 31, and last on Tuesday night, although there is the possibility that the team may draw a bye and not play until sometime Wednesday.

The players will leave Chicago Saturday morning, April 6, at 10:30. They will return to Oregon by the Northern Pacific line. The trip east is to be made on the Great Northern.

Leaving Salem Thursday afternoon on the Oregon Electric railway the team will arrive in Chicago Sunday night. The tournament is slated to start on Tuesday, March 31, and last on Tuesday night, although there is the possibility that the team may draw a bye and not play until sometime Wednesday.

he favored anything that would improve wool marketing conditions. He said that Portland is a better wool market than Boston as was shown recently in the case of a lot of mottaged wool from central Washington and sold in this city for seven cents a pound more than could be obtained in any other market. Spags added that wool producers of his region seldom discuss transportation rates with wool buyers.

The substance of the early part of Prickett's statement was that because of billing in transit privileges Utah wool had advantages of easy access to markets at Chicago and St. Louis, largely because through rates were lower than the sum of local rates. Wool produced in eastern Idaho and eastern Utah, he said, is near the twilight zone, where the transportation rate is on a parity with the existing joint rail and water rate via Portland and the Panama canal to the Atlantic seaboard. In his opinion Salt Lake City potentially is a great wool concentration point as is Portland and that through rail and water rates with arrangements carrying negotiable through bills of lading would benefit wool growers in the intermountain country and be reflected in higher prices for wool if secured and graded at Utah's chief city.

Yesterday afternoon's session was occupied by testimony from E. L. Thompson, president of the Portland Woolen Mills; Roy T. Bishop, president of the Oregon Woolen Company; Adolph Jacobs head of the Oregon City Manufacturing company, and Clarence Bishop, manager of the Pendleton Woolen Mills.

Work is practically completed on a portable stage at the J. L. Parish junior high school. It was announced at the school this morning. The stage is to measure 16 by 25 feet, and will be used when plays are given by the students. It is being built in the school gymnasium. The work is being done by the manual training department, under the direction of E. S. Barker.

TRIBUTE PAID TO MARQUIS CURZON

London, Mar. 25.—(By Associated Press)—The highest tribute possible for the British nation to offer to the memory of one of its statesmen was paid today to the late Marquis of Curzon when funeral services were held in Westminster Abbey, attended by the representatives of three kings, four queens, the British prime minister, cabinet members, leading statesmen and foreign ambassadors.

A basket of oak from trees near Kedleston Hall, Lord Curzon's ancestral home in Derbyshire, was brought from Carleton House terrace to the abbey just as the funeral procession was following in a motor hearse, which was followed by other motors carrying Lady Curzon, three daughters and other relatives. There also were motors laden with wreaths and floral emblems.

A detachment of mounted police headed the funeral procession which arrived at the abbey just as the chiming of Big Ben, in the tower of the parliament building, marked the hour of 11:30. The abbey was filled with representatives of all classes of the British public.

"I know how crazy people are," he added. "Sometimes they're all up in the air for an hour and then for quite a while they have as much sense as any one here."

He was excused on the ground of prejudice.

LINEN MILL IS PLEDGED (Continued from Page One)

Chicago, March 25.—Tapering trousers, worn with suspenders, bright and vivid colors and suits so designed as to fall in the direction of extreme height in the sweater will mark next fall's styles for men, according to advance models displayed at a style show here, sponsored by leading clothing manufacturers.

Use of suspenders will bring out the extra height illusion, it was said.

London, March 25.—Brighter colors in articles for men's wear, especially in the cravat line are promised for the coming summer. Stripes also will be popular, not only in neck wear but for shorts, handkerchiefs, sweaters, socks and pajamas.

Handkerchiefs for men are to be smaller and will match the tie but not necessarily the socks.

OPERATION FATAL TO ERB New York, March 25.—Newman Erb, president of the Ann Arbor railroad, died today in the Roosevelt hospital. He was operated on Monday. He was 75 years old. He

A THIEF IS COMING

Tom Kay, president of the Rotarians, and a heavy owner in the new linen mill being established in Salem, said a few words, speaking favorably of the idea of a new mill in the Willamette valley, which may compete with the mill to be built by Kay. "I believe the manufacture of linen is destined to become the most profitable textile industry in the United States," he said. Kay's mill will manufacture twine and similar products, while the new mill, if built, will make linen cloth of the coarser kind.

GOPS TACKLE WRESTLER; TWO NOW IN HOSPITAL

Los Angeles, Cal., March 25.—When two policemen raided the hotel room of Joseph Pholino they suspected him of being a bootlegger, but they had not idea that he was a former heavyweight wrestler. After they were treated at their receiving hospital for a sprained back and a bruised face, respectively, they reported that Pholino has greeted them with a vicious assortment of half Nelsons, wristlocks and scissors holds. Police reinforcements arrived during the fracas, however, so Pholino is in the city jail today on charges of possessing liquor and resisting arrest.

New York, March 25.—Audrey Maple, musical comedy actress, named co-respondent last November in the divorce suit of Mrs. Alexander H. Pinques, wife of a wealthy real estate operator, has been named co-respondent in another divorce suit filed in supreme court here.

Mr. Helen S. Steiner named the actress in the suit against Howard Coving Steiner, a director of a local lithographic concern. Mrs. Steiner charges that her husband had relations with Miss Maple while the Pinques case was being tried.

Died KUNCITER.—At the home, seven miles east of Salem, March 24, Mrs. Elizabeth Kunciter. She was the mother of William and Frank Kunciter, and Mrs. John Zalk, and the grandmother of John F. Frank, Josephine and Ida Zalk. Funeral services will be held Friday, March 26, at 10 a. m. from the Rigdon mortuary. Interment in the IOOF cemetery.

LUTISO.—In this city, March 24 Henry Lutiso at the age of 64 years. He was a resident of Sorensen, Tillamook county, Or. The remains are at the Rigdon mortuary. Funeral announcement later.

HOLLAND.—At the home near Zena, March 24, Mrs. Flora E. Holland at the age of 69 years. She was the wife of Rodger H. Holland. Also survived by children. Funeral services will be held Thursday, March 26, at 2 p. m. at the Zena church. Rigdon and Son directors.

MYSTERY MAN OF BLACK MASK RELEASED HERE

John Stanford, man of the mysterious black mask, was released from the county jail by Sheriff Bower today after serving a sentence of 60 days imposed for prowling about Dime's store on South Commercial street.

When arrested on Stanford's person was found the mysterious mask which caused the officers to inquire rather closely into the man's record, but it seems to have been a blank.

The mysterious mask was made from a stocking, apparently from its size once worn by Escoe Arbuckle, with eye holes cut in it and having all of the appearance of a regular Dick Turpin affair.

Stanford at first denied it was his, but then stated he used it up in the Spokane country riding freight trains to keep the billboards out of his ears and off from his face.

At any rate the black mask did not leave the jail with Stanford. Stanford made no mention of it when he left the sheriff did not tender it to him. It becomes a part of the archives of strange things which accumulate as they are picked up from passers and not reclaimed.

SAYS FALL KEPT LEASE SECRET TO SURPRISE PUBLIC

Cheyenne, Wyo., March 25.—(By Associated Press)—Former Secretary of the Interior Albert B. Fall kept the news of the leasing of Teapot Dome a secret "for the time being" because he wished to first execute the contract for the construction of oil storage tanks at Pearl Harbor and then present the news of the great achievement.

George B. Hoover of defense counsel said in his argument in the case here today.

Mr. Hoover declared this evidence and pointed to testimony showing that bids on the Pearl Harbor project, which eventually was let to the Pan-American Petroleum & Transport company were not submitted to Fall before April 15, 1922. The Teapot lease was executed on April 7 of that year.

The trial will drag itself into tomorrow was indicated at noon today when Mr. Hoover said he would require 30 minutes or more of the afternoon session to complete his argument.

SHEPHERD PLEA FOR BAIL DRAGS

Chicago, Mar. 25.—(By Associated Press)—Prospects at noon today were that the arguments on the question of bail for William Shepherd, charged with the murder of his foster son, William N. McClintock, by typhoid inoculation would require the remainder of the day.

Judge Jacob M. Hopkins, chief justice of the circuit court, chief justice of the application for freedom for Shepherd on bond, was prepared to deliver an oral decision if the arguments were not prolonged too late.

Assistant State Attorney Thomas Marshall resumed his argument against bail, contending that nothing had been shown to support any reason why bail should be granted. He insisted that the testimony of the state's witnesses—who were called by the defense to show what they had testified before the grand jury which indicted Shepherd and C. C. Faiman on the murder charge—had not been contradicted by the contrary had shown the proof to be evident and the presumption great as required by Illinois law in a case where bail is not permissible.

DRAG SWAMP FOR LOST MAN'S BODY

Newport, Vt., March 25.—Grappling was resumed today for the body of Charles H. Hutchins, thought to be in a swamp above Lake Memphremagog, a few miles from the Greenway railroad station. The body of a trapper yesterday found there a miasma of mud,
