You will know them by their olive color. To have a clear, pinkish, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

AFTER HER BABY CAME

Mrs. Hollister Unable To Do Her Work for Six Months

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health

Wyandotte, Michigan.—"After my baby was born I did not do my own work for six months and could hardly take care of my own baby. I always had a pain in my right side and it was so bad I was getting round shoulders. I would feel well one day and then feel so bad for three or four days that I would be in bed. One Sunday my mother came to see how I was, and she said a friend told her to tell me to try Lydia E. Pinkham's Vegetable Compound. So the next day I got a bottle and before it was half taken I got relief. After I was well again I went to the doctor and he asked me how I was getting along. I told him I was taking Lydia E. Pinkham's Vegetable Compound, and he said it did not hurt any one to take it. I am always recommending the Vegetable Compound to others and I always have a bottle of it on hand."—Mrs. HENRY HOLLISTER, R. F. D. No. 1, Box 7, Wyandotte, Michigan.
