Heart Crowded Out of Place

This is often the feeling of sufferers from gas on the stomach and bowels. And frequently they fear it is organic heart trouble.

Other symptoms will disappear as if by magic. That empty, gnawing sensation will leave you, along with the heart palpitation, and you can breathe once more in comfort. That sleepy, drowsy feeling will vanish, and you will take a new delight in your work or pleasure. Bloating will cease, and your hands and feet will no longer "go to sleep," because Baalmann's Gas-Tablets will positively prevent gas from interfering with your circulation.

All druggists everywhere sell Baalmann's Gas-Tablets in the genuine yellow package for \$1. Your satisfaction guaranteed or your money refunded. J. Baalmann, Chemist, San Francisco. Sold in Salem by Daniel J. Fry, druggist.—Adv.

BROOKS PEOPLE FAVOR HEAD-ON

Brooks, Or., April 3.—In making a blanket survey of the community relative to the parking system in Salem, it is found about nine in ten favor heading-in to the curbs, with the tenth indifferent rather than in favor of backing in.

One expressed himself thus: "Majority shows which is best. Most cities and states have adopted the head-in system. Even our forefathers favored hitching their horses head to the rail rather than trying to back in."

TAX COLLECTIONS IN POLK MOVING SWIFTLY

Dallas, Or., April 3.—Sheriff T. B. Hooker and his force have been establishing a real record in the handling of tax collections this year. With collections running much heavier than at any previous time in 10 years the office has kept up with the rush without extra help and not until April 1 did any mail payment pile up on them.

The working force has included only Sheriff Hooker and Deputies J. E. Richter and Floyd Senter, and in addition to the tax work they have handled the regular routine of the office.

Monday, March 30, was the heaviest day with \$26,000 in money handled. Sunday, April 5, is the last day under the law, but payments will be received Monday, April 6, without penalty. The office is fully 200 receipts ahead of last year at this time.

Three Couples Get Licenses. Dallas, Or., April 3.—Three marriage licenses were granted the past week by County Clerk Hugh G. Black, one couple braving the April 1 joker to secure a license. The April 1 license was granted to Oscar Perry Parker, McMinnville.

AGGIES BOOK SIX TRACK CONTESTS

Oregon Agricultural College, Corvallis, April 3.—Six meets are on the program of the variety track team for this season, including four Pacific coast meets and two eastern meets. This program is considered by M. H. "Dad" Butler, variety track coach, one of the heaviest scheduled by the college in many years.

The first meet will be the Kansas relay, April 13. The Aggie relay team took first place at this meet last year. The team will enter in either the Drake relay at Des Moines, Iowa, or the Penn relay at Pennsylvania State the following week end. Returning to Seattle, the team will enter the relay carnival there May 2. The new cinder track around Bell field will get its first taste of competition when Washington comes here to try to out-do "Dad's" cinder pounders May 9.

The Heavers will meet Oregon on the Eugene field May 23. The final Pacific coast conference meet will be in Seattle this year on the University of Washington track.

Beaver track men are training hard, with keen competition for places on the team in all events. The elimination contests will be as good as a regular track meet, in the opinion of "Dad" Butler.

SCHOOL CONSOLIDATION VOTE RESULTS IN TIE

Dallas, Or., April 3.—A vote on the consolidation of the Greenwood school with the Rickrell school held last night at the Greenwood school house resulted in a tie vote. The count stood 50 to 18 for the consolidation but a question arose as to the right of two of the affirmative voters to cast their ballot and this threw the result into a tie.

The Rickrell district voted to accept the Greenwood district without opposition. The feeling ran high, however, in Greenwood district.

Friend Saved Mrs. Wilhelmy

"Overwork, worry, no appetite, no sleep, I looked like a corpse," says Mrs. Mary Wilhelmy of St. Paul, Minn., "and to add to my troubles my physician advised an operation. A friend, however, asked me to try Lydia E. Pinkham's Vegetable Compound. I did so, and you should see the improvement. I eat well, sleep well, have gained in weight and strength and feel fine." That is what Lydia E. Pinkham's Vegetable Compound did for Mrs. Wilhelmy, and it will do as much for any suffering woman.—Adv.
