Dallas, Or., April 6.—Miss Dorothy Kyler of Corvallis, a student at the Oregon Agricultural college, was injured fatally Sunday when an automobile in which she was riding hit a Southern Pacific gasoline motor car at Nesmith station. The young woman died shortly after being brought to the hospital in this city. Austin Mathis, owner and driver of the automobile, which was demolished, was only slightly injured. Witnesses said that Mathis was driving at an excessive rate and apparently did not see the train until within 90 feet of the track. Miss Kyler is the daughter of W. E. Kyler who, until three years ago, was cashier of the Benton County State Bank. Austin Mathis is the son of Dr. C. B. Mathis, head of the physical department of Oregon Agricultural college.

HART TO RETURN TO MOVIE SCREEN

Hollywood, Cal., April 6.—With the definite announcement yesterday that William S. Hart would make his second return to the screen under the banner of United Artists, that organization was preparing today for a series of conferences, beginning next Monday, at which still further enlargement of the group will be considered.

Since its organization about five years ago under the leadership of Douglas Fairbanks, Mary Pickford and Charles Chaplin, United Artists has grown to include Norma and Constance Talmadge, Rudolph Valentino and now William S. Hart. In the face of this growth, however, according to Joseph Schenck, chairman of the board of directors, the organization finds itself unable to maintain a regular schedule of releases, and is faced with the necessity of enlarging its membership in order to bring up its aggregate production. Hart, who twice has withdrawn from active work in the films, will come back this time in a story of the Oklahoma land rush of the early nineties, according to tentative plans.

BEARCAT DEBATE TEAM WINS AGAIN

The Willamette university debating team broke even on its tour by defeating the College of Puget Sound at Tacoma Saturday night. Simultaneously with the Tacoma contest a second College of Puget Sound team at Salem. Willamette representatives on the local floor were Rawson Chapin and James McClintock. C. F. S. was represented by Hester B. S. and Allison Wetmore. Judges here were Professors Mitchell and Searing, of O. A. C., and Paul Patterson of the University of Oregon.

The decision was 2 to 1 at both ends. The Willamette men, Redding and Berriman, who have been taking the trip, returned to Salem yesterday and were greeted on the campus this morning. The question in Saturday's contest was the same that has been used by the traveling team throughout its trip. "Resolved, That congress should be given power by a two-thirds vote to re-enact federal legislation declared unconstitutional by the supreme court."

ROSE FESTIVAL TO GET BATTLESHIP OREGON

Once more the promise is made that the old battleship Oregon will be towed from Bremerton to Portland harbor for the rose festival. The 1925 legislature, after many efforts to have annulled the continuing appropriation of \$15,000 a year, allowed the appropriation to continue in another form and provided further for a battleship Oregon commission.

Robert Sawyer of Portland and other members of Scout Young camp of the Spanish war veterans conferred Saturday with Governor Pierce, and placed into his hands the names of 10 persons whom the veterans consider suitable as members of the commission. The commission will have five members, and most of them will doubtless be selected from the list submitted to the governor.
