Daughters Luncheon Saturday

Thirty members of Chemeketa chapter, Daughters of the American Revolution were the luncheon guests of Mrs. Homer Gouley, Mrs. Alton B. Hurley, Mrs. John B. Eakin, Mrs. Carey Martin, Mrs. E. M. Hoffnell and Mrs. Anna Fisher at the Gouley country home on Saturday.

Following the attractive one o'clock luncheon chapter members held a brief business meeting. Reports of the state conference at Astoria several weeks ago were given by the official delegates. A benefit card party to be given at the home of Mrs. Russell Catlin, on Tuesday, April 21, was planned also. The number of tables will be limited to twenty with practically all of them reserved by this time.

One of the most interesting programs of the entire year was an event of Saturday when Mrs. Isaac Lee Patterson read a paper on Sulgrave Manor, the Washington ancestral home in England. In addition to a complete history of the manor home since its purchase by one of Washington's ancestors from Henry VIII in the sixteenth century to the present day, Mrs. Patterson's paper contained a detailed description of the house and the rooms therein. A number of pictures of the manor and the gardens surrounding were also shown. The manor was presented to the American people by the English and the place is maintained as a shrine by the interest from a \$100,000 fund subscribed by the Colonial Dames. Mrs. B. C. Miles visited the shrine last year during a trip abroad and she reported that it is only a short distance from Stratford-on-Avon.

The May meeting of the daughters will be a luncheon meeting at the home of Mrs. Elmo S. White with Mrs. James Lisle and Mrs. L. W. Potter as assistant hostesses. Officers for next year will be chosen at this time. The luncheon will be given as a compliment to the retiring regent, Mrs. Russell Catlin.

Town and Gown club, formerly known as the Lausanne Guild, will meet on Thursday at 2:30 at Lausanne hall. University and towns people interested in the university will be welcomed to the meeting. An attractive program has been arranged.

Mr. and Mrs. George Waters have returned from a two month trip to the Hawaiian Islands. The majority of the time was spent in Honolulu.

Mr. and Mrs. V. E. Kuhn were the guests in Silverton on Saturday evening at a card and dancing party at which Mr. and Mrs. George Hubbs entertained.

Members of the modern writers' section of the Salem Arts league will meet tomorrow evening at the home of Mrs. Claudius Thayer on north Capitol street. Special guest of the club will be Mrs. Eleanor McMillan, president of the Northwest Poetry society.

Mrs. G. E. Prime and children, Glen, Jr., and Mary Jean, left Saturday for San Francisco to join Dr. Prime. They will return to Salem after a trip to the scenic points of California.

for Steady Nerves!

Riding a girder is not a job for a nervous man.

BUT no one is nervous by choice. There is a way that you may strengthen your body that the nervous system will be cushioned on sound muscles and flesh. But this condition will not come about unless you have rich red-blood-cells. Red-blood-cells are the most important thing in all the world to each of us. More red-blood-cells! That's what you need when your nerves give way and you cannot control yourself.

S.S.S. will prove to you its "Why" and "How" reason. Since 1826 S.S.S. has helped thousands. Because S.S.S. does build blood power, it builds you up when you are run-down, clears the system of blood impurities; rids so-called skin disorders—and stops rheumatism, too.

This is why S.S.S. is accepted as the greatest of all blood purifiers, blood builders and system strengtheners. Start taking S.S.S. today. Its medicinal ingredients are purely vegetable. Your nerves will become stronger, you will have more energy, vitality and vigor and a more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical. S.S.S. Makes You Feel Like Yourself Again

Twenty five university girls dressed as children enjoyed an evening of games and stunts. Miss Carmelita Barquist is president of the society. Miss Elizabeth Lenson was chairman of the social committee in charge of the affair Saturday evening.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from neglected bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years. Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities. Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

Some of Veterans and their auxiliary as their special guests.

Salem War Mothers will meet in the chamber of commerce auditorium tomorrow afternoon at 2:30.

Mrs. C. A. Park's Bible class will meet tonight in the public library after several weeks of inactivity.
