

MISS BOLLMAN ORDERED TO PAY FULL DAMAGES

Mrs. Alice Bozell was given all she asked for in her action against Cella Bollman, former private secretary to Governor Pierce when a jury in circuit court returned a verdict of \$10,000 as her share.

The action was uncontested throughout, neither Miss Bollman nor attorneys for her appearing in court at any time in the proceedings.

The jury deliberated less than 20 minutes.

Closing testimony in the case included statements from V. B. Jones, of the Burns detective agency, who told of Fred Bozell, husband of the plaintiff, and Miss Bollman meeting in Portland and following them to Centralia, where they registered at a hotel for the night; from Charles Ferris, street car motorman, who told of a trip to a nearby resort taken by Bozell and Miss Bollman, and of Deputy Sheriff Bert Smith, who identified the Bollman automobile license number.

Miss Bollman's car figured prominently in the testimony as the vehicle in which the couple made a number of trips mentioned in the testimony.

Miss Bollman has been absent from Salem for a number of weeks, reports received here being to the effect that she is at Olympia, Wash.

Attorneys for Mrs. Bozell stated they would follow up every avenue in an effort to collect the judgment to arise out of the verdict.

ENFORCEMENT OF LAW IS FAVORED

The local post of the American Legion adopted resolutions in favor of strict law enforcement, of courtesy on the part of law officials, particularly to tourists, and in favor of a speedy finishing of work on the McKenzie pass at the meeting of the post last night.

The reason given for the last request was the fact that a state legion convention is to be held in Prineville next summer and many members will want to use the highway to get to the gathering.
