

BOOZE AND VICE RING REVEALED BY POLICE RAID

Chicago, April 8.—Evidence of a liquor and vice syndicate which the police said had been doing a business of millions of dollars a year was found here yesterday in a raid on its headquarters, where eight men alleged to be minor heads of the organization were arrested.

Records of wealthy liquor customers, names of bribed prohibition enforcement officers, accounts of beer deliveries and details of the channels whereby liquor was brought from rum fleets off New York, Miami and New Orleans, were confiscated. The raiders said they found an accounting system as efficient as that of a big business concern.

Several thousand dollars in checks of saloon men and druggists including one for \$15,000 from a North Side drug store, were seized. Among the papers was a telephone toll bill of \$287 for calls to New York, Miami and New Orleans.

John Patton, former mayor of Burnham, a suburb, was one of those arrested, was charged by Sergeant Edward Birmingham of the raiders, with having offered him \$5000 "to forget the book-keeping system." The others arrested, the police said, were under world characters, several with police records.

The office suite had a doctor's name on the door and the first room entered was fitted up like a physician's reception room. Shelves were stocked with half pints of various brands and kinds of liquor, available for prospective customers to take to their own chemists for analysis.

Roscoe's News

Rosedale, Ore., April 8.—Mr. and Mrs. Albert Bates returned Saturday from California, where they have spent the winter. Mrs. Bates has not been so well for a few days.

On last Tuesday evening the Christian Endeavor society had a surprise party for Gerald Peterson of Sunnyside, the occasion being his birthday.

The birthday club met at the home of Mr. and Mrs. T. D. Frank on Friday evening.

On Saturday evening there was a picnic at the school house for the benefit of the boys hall team. A nice sum was realized.

Miss Goldie Sims is home from the hospital and is improving nicely.

A physician and nurses from the Harbness Children's Health bureau were at the school house three days last week and all the school children and several others were given a physical examination.

Mr. and Mrs. Frank Crom are moving to a place at Salem Heights.

The Sunday school will give an Easter program at 10 o'clock next Sunday morning. Everyone is cordially invited to be present.

RADIO MOVIES TO ENABLE FANS TO "SEE" GAMES

Baltimore, Md., April 8.—Invention of a device known as "the prismatic ring," will enable radio fans to see the next Olympic games, as well as hear the cheering, it is predicted in a report to the American Chemical society in session here today by the inventor, C. Francis Jenkins of Washington, D. C.

He also promises that the stay-at-home may see the presidential inaugural ceremonies from his own fireside; see a distant football, polo or baseball game as it is happening; a regatta, madrigal, flower festival or baby parade, while these things are actually happening.

More essentially applied, Mr. Jenkins says that the extension work of the great universities can be more vividly brought to the distant farm boy and girl by radio than in any other manner.

In military work the chiefs of army and navy, it is declared, may see at headquarters all that a lens looks upon as it is carried aloft in a scouting airplane.

Mr. Jenkins explained that still pictures are now excellently done both by radio and by wire and that as the speed of the apparatus is still and may be, the public may confidently expect radio movies soon. The prismatic ring is a new contribution to optical science, the report said.

STOP NEURITIS BEFORE NERVES "SNAP"

Science is now greatly concerned with the alarming increase in neuritis or nervous sufferer. Thousands of experiments had been made to find a remedy that would give immediate relief from nerve trouble and at the same time tone up the entire nervous system.

At last an eminent San Francisco physician announces a new discovery which has been proven by clinical tests to give relief from sharp, darting, tingling, creeping nerve pains, and give tone to the nerve cells, thus benefiting the entire system. This remedy is called Eopa Neuritis Tablets, and is based on the Science of Homeopathy, a method of treatment endorsed by eminent physicians everywhere.

Don't let your nerves wreck your life. If you have any signs of nervousness or nerve trouble, gain relief and ward off serious disease at once with Eopa Neuritis Tablets. Guaranteed harmless; no bromides or narcotics. Your druggist will recommend them.

Perry's drug store will supply you. Mail orders filled.—Adv.

PILES

Sent By His Own Doctor

"I suffered dreadfully with Piles for 10 years until an operation seemed necessary. My physician recommended that I first try Dr. C. J. Dean's non-surgical treatment, and today I am well and healthy."

If you, too, are suffering with Piles or other Rectal or Colon disorders, you must sooner or later stop experimenting with your health, and be cured as I have cured thousands of cases, many of the most severe and of as long standing as 40 years. My non-surgical treatment is GUARANTEED to cure your Piles, or your fee will be refunded. Send today for my FREE, illustrated book.

Smiling Walls FULLER WASHABLE WALL FINISH

THE walls of your home!—Silent sentinels of comfort and privacy! Let them be smiling walls that cheer and soothe—that contribute their full share to that indefinable something we call "home atmosphere."

Creation of harmonious wall effects has its practical side, too. And here Washable Wall Finish comes to your aid with its two-fold service—its artistic effects and its help in good home-keeping!

First, Washable Wall Finish is easily applied by unpracticed hands! Then, it yields those mellow tints and shades so long monopolized by Kalsomine. And, a damp cloth quickly removes soil from your walls, restoring their original freshness—impossible with other kinds of wall finishes.

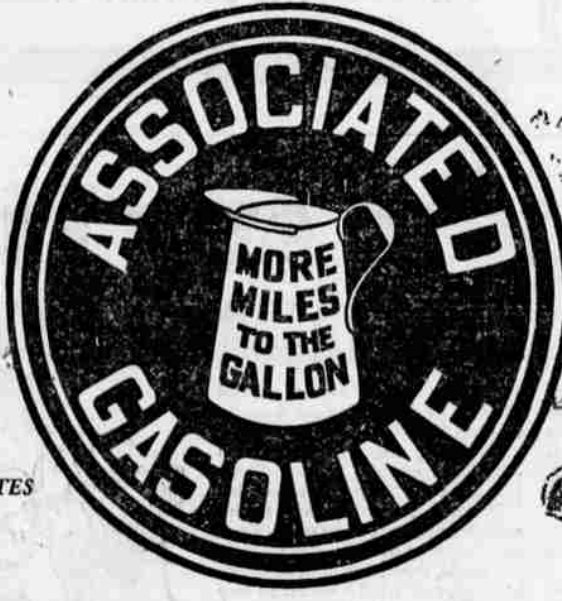

This is because Washable Wall Finish is a high grade varnish paint. It forms a non-porous surface unaffected by liquids. Comes in many beautiful shades and colors, and is applicable on rough or smooth plaster.

Our free book on painting tells you more about wall finishing and other interior home painting and suggests color schemes. Illustrated in colors. Write for it—it's free. Also, ask your Dealer about FULLER Quality Paints and Varnishes, also for color cards and about painting questions. For all large jobs consult a master painter.
